The law looks upon the Board of Education, which has charge and control of the elementary schools, and the high school board as separate entities, and as there is a slight limitation in the amount which may be allowed for elementary schools, the estimate on the budget of each should be separately treated.

Section 1838 of the Political Code makes direct provision for buildings, repairs, etc., to the elementary schools. It provides for the presentation by the Board of Education to the Board of Supervisors within fifteen days prior to the first of the month in which the tax rate is fixed, of an estimate of any amount of money which will be required for purchasing school lots, school buildings, repairing the

same, and for supplying furniture, apparatus, etc., for the ensuing year. The section further provides that if the Superintendent of Schools approve the estimate, the Board of Supervisors *may* levy the necessary tax to make up the amount. The section further places a limit of fifteen cents on the hundred dollars, on the rate of taxation which may be levied for this purpose. There is some conflict between the provisions of this section and section 1612a, above referred to, and as the latter is the latest legislative expression on the subject its provisions must govern, where the conflict cannot be harmonized, but if they can be harmonized the rules of statutory construction compel that they should be read together. The only conflict is that in section 1612a there is no limitation as to the amount of the tax which may be levied, and the Board of Supervisors *must* levy a tax sufficient to produce the amount asked, while in section 1838 there is a limit of fifteen cents on the hundred dollars as to the rate of tax, and the Board of Supervisors *may* levy a tax sufficient to produce the amount asked. At first sight it would appear that there is a direct conflict between the two sections, the one providing that the Board *must* levy the tax, and the other appearing to leave the amount of the levy to the discretion of the Board. However, the word "may" is often construed as "must", and I believe that the latter construction should be placed upon it as used in section 1838. In Brenner v. Los Angeles, 160 Cal. 79, the court said "Where the public interest or private right requires that the thing should be done, the word 'may' is generally construed to mean 'must'. . . . Where persons or the public have an interest in having the act done 'may' in such a statute means 'must' ".

In Beadle v. Sanders, 177 N. W. 789 (a case decided by the Supreme Court of Nebraska), the court said: "The words 'may levy' as used in the laws of 1919 providing that county boards may levy a special tax to pay indebtedness accruing under certain contracts means 'must levy' ".

I am of the opinion that the mandatory meaning can well be given to the word "may" as used in Section 1838, and that it is in harmony with the provisions of the later enactment Section 1612a. We must next give consideration to the limitation of fifteen cents upon the one hundred dollars. It would appear to me that such a limitation is not in conflict with Section 1612a, which contains the general provisions, and that it may have been the intention of the Legislature when it enacted the later section to continue the limitation in force. This conclusion was reached by my predecessor, Mr. George Lull, when, in July 28, 1922, he had occasion to advise your Board on a similar subject.

Therefore, I must advise you that it is mandatory upon your Board to fix a tax which will produce the estimated amount required by the Board of Education for school buildings, etc., for elementary schools.

The estimate for the buildings, repairs, etc., for high schools is governed also by Section 1612a of the Political Code, above referred to, and also by Sections 1755 and 1756 of the same code. Both of the last mentioned sections deal exclusively with high school budgets or estimates. Section 1755 provides for the purchase of a lot, the preparation of plans and the construction of a high school building, and the amount of the tax is limited to seventy-five cents on the one hundred dollars. The section, however, applies only to new high school districts, and where a district is already in existence and new schools, etc., are needed. Section 1756 applies—See Posz v. Taylor, 61 Cal. App. 523. Referring there to Section 1756, we find that it is the duty of every *high school* board to make an estimate showing the amount required for teachers' salaries, current expenses, books, magazines and apparatus, sites for buildings and furniture and other miscellaneous expenses for the high schools of the district for the current year. It is the duty of the superintendent to transmit a copy of the estimate to the Board of Supervisors and to the Auditor.

Section 1757 provides that the Board of Supervisors must, at the time of levying the other taxes for county purposes, levy a tax sufficient to produce the amount required by the estimate. I can find no limitation upon the amount of the levy and I believe that it is mandatory upon the Board of Supervisors to make the levy in conformity with the estimate, and on their failure to do so, it becomes the duty of the Auditor to make it.

The constitutional provisions which I have referred to as well as Sections 1612a, 1755, 56 and 57 of the Political Code have been passed upon by the highest courts of our State, and the courts have held that it is mandatory upon the Board of Supervisors to provide in the tax levy the amounts estimated by the Board of Education and by the High School Board as being necessary for their respective schools. I direct your attention to the case of McDonald v. Richards, 248 Pac. Rep. 1049.

This case was prosecuted against the Auditor of Butte County and was decided in July, 1926, by the District Court of Appeal. The court said: "We think that the constitutional provisions which we have been considering and Section 1612a of the Political Code place the duty of levying a special tax upon boards of supervisors in about the same situation as when a special tax will be directed by mandamus to be levied for the purpose of meeting interest upon bonds or similar obligations; that the legislative discretion vested in the board of supervisors is limited in the manner in which we have herein set forth and does not extend to the determination of either the policy, the wisdom or the expense of maintaining a high school, but such matters devolve upon the board of school trustees, and that it was the purpose both of the amendment to the Constitution and of the act of the Legislature to vest in the school trustees of district high schools both the policy and the wisdom of incurring expenses in the conduct and maintenance of high schools."

The Supreme Court in MacMillan Co. v. Clarke, 184 Cal. 505, has also sustained the right of a high school board to have its budget or estimate included in the tax levy.

Understand, however, that the Board of Supervisors has the right to question the legality of any item in the budget or estimate and if the item is not legal to refuse to allow it. Also, if the amount demanded makes necessary a tax exceeding the limitation prescribed by the code sections the amount of the estimate must be cut down.

The budget or estimate required from the Board of Education by the sections which I have mentioned need not be presented until fifteen days before the first day of September, and you can then include in your tax rate an amount sufficient to produce the sum required. However, if you wish to estimate the amount in your budget you may do so, but if you do, the estimates required by law, and on the form so provided, should, nevertheless, be again presented within the fifteen days prior to September the first.

Respectfully,
JOHN J. O'TOOLE,
City Attorney.

Motion.

Supervisor Hayden, seconded by Supervisor Badaracco, moved that Assistant Engineer Clyde Healy give an explanation of the unexpended balance of approximately $350,000 in the Street Reconstruction Fund for the fiscal year 1926-1927, referred to by the Finance Committee as a surplus.

Motion *carried* by the following vote:

Ayes—Supervisor Badaracco, Byington, Colman, Harrelson, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Shannon, Stanton—12.

Noes—Supervisors Gallagher, Havenner, Powers, Todd—4.

Absent—Supervisors Bath, Deasy—2.

Privilege of the Floor.

Assistant City Engineer Healy was granted the privilege of the floor and answered queries of Supervisor McSheehy, as follows:

Supervisor McSheehy: Ocean Shore, land and options, $6,198; appropriation, $45,000?

Mr. Healy: The balance is tied up in appropriations that are going through your Board, but all will have been expended prior to the first part of July.

Supervisor McSheehy: Bernal Cut, land and options, amount in the Good Roads Fund, $135,000; unexpended, $16,599?

Mr. Healy: The options at present are in excess of the amount remaining there.

Supervisor McSheehy: Market street extension, contract out——

Supervisor Schmidt (interrupting): You mentioned a certain item, and he says contract and allotments, but the actual money that has been allotted, has that been spent?

Supervisor Byington: I rise to a point of order.

The Chairman: It is well taken.

Supervisor McSheehy: Third and Berry streets, Third street, Berry to Eighteenth street, fund, $67,000; unexpended, $48,915?

Mr. Healy: About fifty per cent of that work has been completed and bills contracted for. The balance will be completed and expended within the next fifteen days.

Supervisor McSheehy: The Mission viaduct?

Supervisor Todd: That amount on Third street, how much is that balance?

Supervisor Byington: A question of order.

The Chairman: The point of order is well taken, mark it down.

Supervisor McSheehy: Mission viaduct, budget, $12,000; unexpended, $7,604?

Mr. Healy: There remains about $4,000 to be expended there, and we cannot finish until the Market Street Railway Company get their gang in there again.

Supervisor McSheehy: Grand View avenue, $45,000; unexpended, $42,989?

Mr. Healy: I explained to you that we have a contract let for that work, in that contract will be not only $45,000 but $17,000 deficit. It is all expended now to the extent that it has been allocated and set up by the Auditor. The work will actually be completed before the first of the year.

Supervisor McSheehy: Turk street, Masonic to Wheeler, budget, $36,000; unexpended, $36,000?

Mr. Healy: That is an assessment job and the work is under way and will not be completed until about the first day of July, entirely completed, but the money will all have been expended. The Auditor has certified this amount.

Supervisor McSheehy: Masonic avenue, McAllister to Turk?

Mr. Healy: The same condition.

Supervisor McSheehy: $6,480 expended——

Mr. Healy (interrupting): The money is contracted for, all of it, and, therefore, spent.

Supervisor McSheehy: Harrison street, Sixth to Eleventh, $49,700; unexpended. $36,661?

Mr. Healy: I cannot answer that. Superintendent King can.

Mr. King: $35,851 expended to date.

Supervisor McSheehy: Mr. Williams shows unexpended $36,661, Mr. King.

Mr. King: He probably has not all the bills in yet.
Supervisor McSheehy: San Jose avenue?
Supervisor Kent: I rise to a question in there on that particular street.
The Chairman: If Supervisor McSheehy permits you.
Supervisor Kent: Harrison street between Sixth and Eleventh was a $49,700 job last year in the Good Roads Fund. Is the work finished, Mr. King?
Mr. King: Not yet.
Supervisor Kent: How much of it is not finished?
Mr. King: The block between Sixth and Seventh.
Supervisor Kent: You are asking $8,800 more in this budget to do that particular job.
Mr. King: No.
Supervisor Kent: I beg your pardon, but it is down here.
Supervisor McSheehy: Silver avenue, widening, $47,500; unexpended——
Mr. Healy (interrupting): That is a wrong figure.
Supervisor McSheehy: I have it in another item $22,500.
Mr. Healy: $22,500 is correct, that is a right of way.
Supervisor McSheehy: Silver avenue, $22,500, then it says, unexpended, $22,889?
Mr. Healy: There are options there for rights of way that have taken about half of it at the present time.
Supervisor McSheehy: Southern Heights, $9,000; unexpended, $1,386?
Mr. Healy: There will be a surplus in that job. That is a final payment on it.
Supervisor McSheehy: Portola drive, $18,000; unexpended, $16,637?
Mr. Healy: There are bills coming in on that for rights of way that will take about $16,000.
Supervisor McSheehy: California, Powell to Mason, $14,400, unexpended, $879?
———— street, Junipero Serra to Grafton avenue, $18,000; unexpended, $1,949.
Mr. Healy: There is another demand come in on that.
Supervisor McSheehy: Capital, ———— to Lake View, $6,750; expended, $67.50?
Mr. Healy: You gave a total of $9,000 plus there, the $6,000 will have to be carried over because we promised the property owners——
Supervisor McSheehy (interrupting): Mason street, Sacramento to Clay, $5,000; unexpended, $1,206?
Mr. Healy: A surplus.
Supervisor McSheehy: Hunt avenue off of Third, Howard to Mission, $2,500; unexpended, $2,500?
Mr. Healy: That work has all been done and money spent.
Supervisor McSheehy: Octavia, Pacific and Broadway, $4,500; unexpended, $2,309?
Mr. Healy: Surplus.
Supervisor McSheehy: Shotwell, Eighteenth to Nineteenth, $2,500; unexpended, $1,686?
Mr. Healy: Both jobs completed.
Supervisor Kent: May I ask another question: Hunt street, is that a finished job?
Mr. Healy: Yes.
Supervisor Kent: When, tonight?
Mr. Healy: All completed last August.
Supervisor Kent: Then your bookkeeper is out of whack.
Supervisor Badaracco: Now I know that that job is completed.
Supervisor Kent: I have the bookkeeper of the Board of Works' figures here.
Supervisor Badaracco: It was done last year.
Supervisor McSheehy: Shotwell—Clay street, Mason to Taylor, $5,000; unexpended, $5,000.
Mr. Healy: That work has not been done there.
Supervisor McSheehy: Washington, Taylor to Mason, $5,000; unexpended, $5,000?
Mr. Healy: That work has not been started.
Supervisor McSheehy: Merchant street, repairs, $10,000; unexpended, $5,776?
Supervisor Badaracco: That is in the Streets Committee.

Supervisor McSheehy: Steiner street, Jackson to Clay streets, $8,000; unexpended, $2,831?

Mr. Healy: That is a surplus.

Supervisor McSheehy: Mt. Vernon extension, $4,000; unexpended, $4,000?

Mr. Healy: Yes, that is correct. The money was necessary there to pave and the property owners to put up their share.

Supervisor McSheehy: Douglass, Twentieth to Twenty-first, $22,500; unexpended, $8,500?

Mr. Healy: Surplus.

Supervisor Kent: A surplus of $8,500.

Supervisor McSheehy: May I make this statement to the Board: In last year's set-up on the good roads we had $833,848. There was unexpended the year before, which became a surplus, $58,700, so that, in this present fiscal year on the good roads we have $892,548 and $58,700 as a surplus of last year. Now this present year the year before that is added in to this present year.

Supervisor Hayden: What is the surplus you have not now?

Supervisor Shannon: About $100,000.

Mr. Healy: Not to exceed $75,000.

Supervisor McSheehy: That is all I have to say.

Relative to the Payment of One-half the Cost for the Improvement of Twentieth Street Between Sanchez and Noe Streets.

Mrs. Hyland at this point in the proceedings, on motion of Supervisor Marks, was granted the privilege of the floor in the matter of a request of the property owners in said block pending for a long time before the Streets Committee, that the City take over the obligation of paying for one-half of the cost of the improving of Twentieth street between Sanchez

and Noe streets for the reason that said improvement will be excessive and unwarranted by the value of the property.

Mrs. Hyland declared that the street suffered from the lack of water and sewer facilities and had no outlets to adjoining streets. The total cost of the work, according to the City Engineer, is $34,000, and the City is asked to bear one-half the cost.

On motion of *Supervisor Schmidt*, the matter was *referred to the Streets Committee.*

BUDGET

FOR MUNICIPAL EXPENDITURES

City and County of San Francisco, California,

For Fiscal Year 1927-1928

Bill No. 8045, Ordinance No. —— (New Series).

An ordinance fixing and appropriating the aggregate sums of the items thereof allowed to each department, officer, board and commission for the fiscal year ending June 30, 1928, and making a Budget of the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The aggregate sums and items thereof hereinafter set forth are hereby fixed, designated and appropriated for the respective

purposes set opposite the same, to be expended during the fiscal year ending June 30, 1928, in accordance with the provisions of Article III, Chapter 1, of the Charter of the City and County.

Section 2. No department, officer, board, commission or employee shall expend, agree to expend or incur any liability which shall exceed the amount of any appropriation herein made or which may be hereafter appropriated for any specific purpose, and no such appropriation shall be used or subjected to any liability for any purpose other than that for which it is herein specifically made, unless otherwise authorized by the Board of Supervisors.

All balances of appropriations unexpended, or against which no liabilities have been incurred, at the end of each calendar month, shall be reported to the Board of Supervisors by the department, board, commission, officer or employee within ten days after the expiration of such previous month, and at the end of the fiscal year all such balances shall revert to and become a part of the unappropriated general fund unless otherwise ordered by the Board of Supervisors.

The Auditor shall not audit or issue any warrant contrary to the express provisions of this section.

Section 3. The amounts appropriated are as follows:

His Honor Mayor Rolph presiding.

APPROVAL OF JOURNAL.

The Journal of Proceedings of the meeting of January 31, 1927, was considered read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Relative to Decision of Supreme Court on Title of Fleishhacker Park and Playfield and Harding Field.

The following was presented and read by the Clerk:

San Francisco, Cal.,
May 31, 1927.

Honorable Board of Supervisors, City Hall, San Francisco, California.

Gentlemen:

I am enclosing herewith copy of a letter sent today to Mr. S. P. Eastman, President of the Spring Valley Water Company, regarding the decision of the Supreme Court on the title of Fleishhacker Park and Playfield and the Harding Park.

Just as soon as I receive a reply from Mr. Eastman I shall forward a copy.

Respectfully,
JAMES ROLPH, JR.,
Mayor.

San Francisco, Cal.,
May 31, 1927.

Mr. S. P. Eastman, President Spring Valley Water Co., 425 Mason street, San Francisco, California.

Dear Mr. Eastman:

My attention has been called to the various articles appearing in the public press concerning the Supreme Court decision invalidating the present title and possession of the site of Fleishhacker Park and Playfield and the Harding Park.

Will you kindly advise me what the exact status of this matter is and how the original agreement between your Company and the City can be put in legal form in order that the City and County of San Francisco may acquire, through legal means, the clear and unincumbered title to these two great projects.

I will appreciate an expression of the attitude of your Company as to the aid and cooperation they will give the City in clearing up this matter for the benefit of the public.

Yours very respectfully,
(Signed)
JAMES ROLPH, JR.,
Mayor.

Ordered *filed*.

Leave of Absence, F. Dohrmann, Jr., Board of Education.

The following was presented and read by the Clerk:

To the Honorable Mayor and Board of Supervisors, San Francisco, California.

Gentlemen:

I have the honor to request that I be granted a leave of absence from June 3 to September 15 with permission to leave the State; the reason therefor being my departure on June 3 for Europe.

Very respectfully,
F. DOHRMANN, JR.,
Member of Board of Education.

Whereupon, the following resolution was presented and *adopted*:

Resolution No. 27315 (New Series), as follows:

Resolved, That, in accordance with the recommendation of his Honor the Mayor, Hon. F. Dohrmann, Jr., member of the Board of Education, is hereby granted a leave

of absence from June 3 to September 15, 1927, with permission to leave the State.

Ayes — Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—17.

Absent—Supervisor Bath—1.

Retirement of Thomas Cleary, Assistant Clerk, Board of Supervisors.

The Mayor: I don't want the opportunity to go by without calling your attention to the fact that Thomas R. Cleary—plain Tom Cleary—is retiring from the public service today. He has been with you for fifteen and a half years. Prior to that time he was with the Recorder for five years. He has been in the public service for seventeen and a half years. I do not think it is right to see some of these men who have been with us all these years, serving the public, just passing out silently as the daylight goes into darkness and before the new day breaks, then like Tom Cleary will go out through the march of time. Therefore, I think a kindly word to Thomas Cleary at this time. When this City Hall was being builded he could tell you the number of all the rivets that were used in the construction of this building; he could tell you all the shives, the beams, the bricks, the pieces of marble, the concrete slabs, the Indiana sand stone, now high a building it is, how broad it is, how many lights there are in the illumination of the building, and he has been a walking encyclopedia for the visitors who have come to San Francisco in pointing out to them the places of interest in this City. He has served the City faithfully and well. He goes out through the pension system. He was seventy years of age last week. He has to go because the march of time comes on; nothing can stop it; old age creeps on, but he has remained one of the most useful members we have in our City government, and I, as Mayor, thank him for his service to the City, for his ever courteous attention to every one who comes within our City. He has been a good and faithful servant; he has discharged well every duty that has been placed upon him. I hope for him a long and happy life in the future. I hope he has prepared himself with a nice little nest egg that will keep him out of want and out of trouble. He has had a great deal of sickness in his family, but we hope that that is passed; that the way lies clear ahead. We are here today just to thank you and to wish you well, Tom Cleary. I want to call upon any one of the members of the Board to arise and pay a tribute of respect to this good old faithful servant of the City, Tom Cleary. (Applause.)

Supervisor Shannon: Mr. Mayor, we are all familiar with the work of Tom Cleary as a clerk in the office of the Board of Supervisors of this City. Some of us that have had occasion at any time to go to Mr. Cleary for information have never been sent away without obtaining the information that we desired. He was on duty at all times, and, although he was nearing the age of seventy, he was just as active as some of the younger men in the employ of the City and it was always a pleasure to go to him, and you were assured of getting the definite information for which you were looking. I move that the Clerk of this Board be instructed to insert in the Journal a note of appreciation from the members of this Board for the service of Tom Cleary and his activities for the benefit of the City at large in the past.

Supervisor McSheehy: I desire to second that motion, Mr. Mayor, and in doing so may I say a word to my colleagues in reference to Tom Cleary? Mr. Cleary is a man that is endowed with a wonderful memory. We members of the Board know that Mr. Cleary has been the proofreader of this Board of Supervisors for fifteen years, and no one realizes or appreciates what the work of a proofreader means more than does Supervisor Shannon, who is engaged in that line of work. As a proofreader and with this marvelous memory that he has, he has been and is a walking encyclopedia of the doings of this Board, as the Mayor has said. If you wanted to ask a question you asked it of Tom Cleary, and you got an answer in about two minutes. We will miss you, Tom Cleary. We will have a hard time when it comes to the matter of searching out your equal. We can perhaps duplicate you with a younger man, but I doubt if we will be able to duplicate you with a man who has had the work of this office at heart to the degree that you have had it. As I have said, that wonderful memory of yours—that coupled with your other qualities—has been such that you have done great work for our City. I want to

say again that I have often asked for information from Tom Cleary, and I have always received it, sometimes at the cost of great effort on his part, I know. In closing I want to compliment you, your Honor, for taking it upon yourself today to notify this Board of the retirement of Tom Cleary. We in our busy work here would have forgotten all about Tom Cleary most likely, but you remembered. This is an example of your Honor's attitude toward his subordinates that arouses my admiration. I may differ with you in a number of ways, as I do, but I have always appreciated your Honor's kindness of heart, and you are showing it here today in calling our attention to the going of Tom Cleary. I want to say to you, Tom Cleary, I bid you adieu and Godspeed and good luck, and I hope that your good health will follow you through whatever pursuit you undertake. (Applause.)

Supervisor Colman: Mr. Mayor, I am surprised to hear that Tom is seventy years of age. He certainly does not look it. In fact, Mr. Mayor, he has a much finer head of hair than several of this Board who are younger and whose names I will not mention. (Laughter.) I have known Tom during the time that I have been on this Board and I have always found him to be courteous, quiet and efficient. I think he can feel that his work has been done and done very well, and I wish you, Thomas Cleary, a long life of happiness and good health. (Applause.)

Supervisor Gallagher: Mr. Mayor, would Mr. Shannon mind a suggestion? That the Clerk prepare a suitable resolution to be given to Mr. Tom Cleary with the compliments of the Board, together with a copy of the remarks made here this morning on the day of his retirement. I would just like to add this word: I think it was just about the time I was coming into the Board, or trying very hard to get in—I don't know which—that I met Mr. Cleary in the office. You were busy at other matters while he toiled away on the legislation that had been passed and, remembering that and the work of Tom Cleary, as I know it, I have thought today that we do not give enough consideration to the fact that in his hands for a great period of years were left the acts which we have done, sometimes in great hurry, sometimes in not too perfect form in a literary sense, and it has been his job to protect the taxpayers and to protect us by making sure that the legislation passed was as we intended it to be. That in itself was a task that has been most wonderfully performed. I have had the pleasure and honor of being acquainted with Mr. Cleary for a long period of years, and he comes from a very, very fine family, I assure you. I think that Mr. Cleary must feel this today, that any man who retires from here or from any work in which he has been engaged and hear his colleagues and those with whom he has worked say: "We are sorry to see you go," receives a compliment that is really worth while. I ask Mr. Shannon again if he will consent to add to his motion that the Clerk be directed to send Mr. Cleary a copy, suitably bound, of the remarks made on this occasion of his retirement, but I wish you would give him to understand that we are not really saying goodbye. We want to see him around. We want him to feel that he is welcome, and we want him to come back as often as he pleases. When we see men like him stepping from the ranks, we do not like to feel that we are losing touch with them. It is too bad that the regulations by which we are governed do not provide a means by which we might avail ourselves of the knowledge that he has, instead of requiring us to look to others henceforth. While probably in other hands his duties will not be so well performed, perhaps in time they will catch up to his systematic way of doing what is to be done, but I am sorry that the law operates so that he must leave us. However, as I have said, I hope that he will keep in touch with us; that we may some day see him sit in one of these empty seats from which it might well be that he could give us information which, as an employee of the Board, he could not furnish. I remember the many courtesies that have been extended to us by Tom Cleary and the many times we have been straightened out when we were in difficulties both as individuals and as members of the Board, and I say again, I hope that Mr. Cleary will continue a busy life and a long and happy one. He knows that he leaves our employ with the very best wishes of all of those with whom he has come in contact. (Applause.)

Supervisor Shannon: I accept Mr. Gallagher's suggestion with great pleasure.

The Mayor: That is fine.

Supervisor Byington: I desire to make reference to one matter that seems to have been passed, your Honor. Mr. Cleary has struck me not only on account of the knowledge of the affairs of the municipality, but with reference to his knowledge of the general history of San Francisco. I have known him for thirty years, and I do not know any person who is more familiar with the political and other history of San Francisco than he is, and it seems to me that is the matter in which he takes special pride. I myself have taken considerable interest in the history of San Francisco and quite frequently when I desired to recall a matter of some date or something connected with the history of San Francisco I have gone to Mr. Cleary and found him a storehouse of knowledge on those matters. I am surprised that, young looking as he is, he is going to retire. He ought to be here in the public service. However, the good will and friendship of not alone the members of the Board of Supervisors but of everyone that has known him for forty years will accompany him all through his life. (Applause.)

Supervisor Hayden: I arrived just as Supervisor Gallagher was speaking, and I found that the occasion was the retirement of my very dear and most intimate friend —not only of myself personally, but of my family—Tom Cleary. We appreciate the good that the retirement system has brought to the employees of this City government, and we appreciate also that in the retirement of Mr. Cleary under its operation, we are losing the services of a man who is physically fit to continue in service for many years longer. While I imagine this has been said already, I want to say that it is a pity that the City is not in a position to continue Mr. Cleary in service in some manner, for that would be of great benefit to the municipality. In retiring he separates himself from the City government with a great deal of honor to himself and credit to the City that has employed him for these many years. I, of course, with the rest of the members of the Board and, particularly those who have been here for a number of years associated with me, know of the wonderful service that has been rendered by Mr. Cleary to the Board of Supervisors and to all of those who sought information at the desk of the Clerk of the Board. He truly is a storehouse of knowledge upon all matters concerned with City government, and in a general way he has a mind and a memory that takes in a great many years. He knows the history of this City, as Mr. Byington has said. At one time he was librarian with the Odd Fellows Library, and, of course, he has always been a great student of history, and the history not only of San Francisco but of the world. In separating himself, Mr. Mayor and members of the Board, from this Board, I recall that I have reason to appreciate Mr. Cleary more intimately than any members of this Board of Supervisors. Mr. Cleary tells me and has told me many times that he was at my father and mother's wedding—that's an honor that I did not have—and, of course, that brings him back to a point from which he has come down through the years the most intimate of the family friends. Further than that, Mr. Mayor, Mr. Cleary's father and my father were old-time pioneers who played their parts in the early history of San Francisco. When I was born Thomas' father was captain of the old Irish Emmet Guard, and I was given the name of Emmet in honor of that——

Supervisor Colman: What year was that?

Supervisor Hayden: That was the year 1876.

Supervisor Shannon: I move that be stricken from the record, please.

Supervisor Kent: You mean 1776?

Supervisor Hayden: So you see there is a family association that is more intimate than any association he has had with the Mayor or with any members of this Board of Supervisors, so I have a very, very affectionate regard for Tom Cleary. He was one of our family and I was one of his. We have had the very highest regard, one family for the other, and we hope to continue that affectionate regard down to the end of time. I shall always hope that when Mr. Cleary leaves the service of this City that employment will be found for him in some other direction, because he is too valuable a man to sit idly by when his services should be taken advantage of. I know that there is a place in the world for a man of his ability, and I am sure that with the help of the Mayor and the membership of this Board that a place will be found for him; that we will not see him sit idly by while this great City progresses, as she is doing so

rapidly, without utilizing the assistance of Mr. Cleary, not until he is ready to finally lay down his task. I feel satisfied that his labors have not been in vain and that he has played a very important part in the history of San Francisco. (Applause.)

Supervisor Stanton: Mr. Cleary was not at the wedding of my father and mother, I don't believe, but many years ago, as a kid, I used to go down to Mission street wharf, where dad was captain of one of the first steam schooners that ran out of the port of San Francisco, the old "West Coast." Possibly you remember, Mr. Mayor. Tom Cleary was then wharfinger or freight clerk on the Mission street wharf. My dad died shortly after and I lost track of many of the old-timers, and particularly of Mr. Cleary, and only the other day a sister of mine came in from the Board of Supervisors' room, and her old friend Tom walked up and kissed her on the cheek and he said, "You are Gracie Stanton." I don't know how many years it was—possibly thirty-five years—since he had seen her. That was the first that I knew that our Tom Cleary of the Board of Supervisors was the old-timer from the waterfront. He told me the day and date that my father died, which was close to forty years ago. He told me the days and dates of many things that have happened on the waterfront. In the early days my dad used to sail in all of the big yacht races, the old "Aggie," "Lurline" and many of the old-time yacht races which were big events in those days, and the watch that I hold in my hand was one of the four such that came from out that time that Tom Cleary so well remembers. He has told me many a thing I have forgotten, many a thing I had heard that happened years before I was born. I have heard and known of Tom Cleary of the Board of Supervisors as being a storehouse of knowledged, and it seems to me a pity that a man with a memory such as he has cannot have the opportunity by some means of sitting down and writing a history of San Francisco as he has seen it and knows it. I do not know anyone that knows the happenings in a more accurate manner than does Tom Cleary. I say that San Francisco is losing a mighty valuable employee, and it seems to me too bad that we cannot obtain in some way in written form some of the knowledge that our friend Tom has. I hope that he will always be where the City can get hold of him, as there are times when we need some of the history of the happenings of the past in the light that Tom alone can give it to us. (Applause.)

Supervisor Roncovieri: I, too, have known Mr. Cleary for many, many, years, and there is a touch of sadness when a man of his ability and honesty is perhaps lost to us, officially at any rate. I would suggest after hearing what Supervisor Byington stated, and what Supervisor Stanton has said, that if it is possible under our Charter to employ persons for a specific piece of work, that the Finance Committee work out some method, perhaps together with the Public Welfare Committee, by which Mr. Cleary might be employed to write this history that has been alluded to for a given sum of money. I believe that that would be legal. I am not certain of that, but I think it would be legal, and I would suggest that such a thing be done, for I believe that Mr. Cleary is leaving without any of this world's goods. It is very nice, these beautiful words that have been spoken, and they mean much, I know, in a sentimental way, but the practical side of life must be remembered. Mr. Cleary has had the great misfortune of his wife being injured recently in a very, very serious accident, in which nine ribs were broken, and he today needs this position more than ever before, and I would suggest that the Finance Committee and the Public Welfare Committee and his Honor the Mayor find some means of employing Mr. Cleary for a specific job. He does hold in his memory much that is of great value to the members of this Board. All that happens is not always recorded, and we do not know sometimes, even if it is recorded, just where to go and find the information. To be able, as we have been, to go to a man like Mr. Cleary and ask almost any questions and receive the correct answers shows to us that we are losing a very, very valuable man. I would make that as a suggestion, possibly a motion, if you think it should be so put, that the Finance Committee and the Welfare Committee and his Honor the Mayor take up the question with perhaps the City Attorney and find if we cannot employ Mr. Cleary for a specific piece of work along the lines that Mr. Byington and Mr. Stanton have suggested. (Applause.)

Supervisor Havenner: I would be very happy indeed to second the suggestion in the form of a motion made by Supervisor Roncovieri. It has not been my good fortune to know Mr. Cleary as many years as

some of the other members of the Board have known him, but I have known him for a number of years; first as a newspaper man here, a reporter in the City Hall, and I know of his reputation as a storehouse of knowledge concerning the history of this City and its official activities. Many times, as a reporter asking for information about past events in the Cler's office here, I have been referred to Mr. Cleary, and Mr. Cleary has been the official source of information. I have often thought it would be a very valuable thing if we could have in some authorative form a history of the important activities of this Board of Supervisors from its early days, and I know of no one who would be better qualified to undertake that work than Mr. Cleary. I hope the suggestion can be worked out, and I think it would be of advantage to us and a very valuable service to the City. (Applause.)

The Mayor: I think this was a good meeting this morning. The oldest of us have seen Tom Cleary here for fifteen and a half years, and now we see him retiring from public service. And let me say to you that John Lynch is going in June, and let me also tell you that Mr. Mason is going to retire in July. Of the old familiar faces three are going out this year. So far as being a storehouse of knowledge is concerned, that will be found right in Tom Cleary's noodle here, and he has kept it there, too. If I have wanted to know anything, as I have had occasion to ask him, perhaps at a time when I had to make some special speech, and did not have time to prepare one. if there was any special subject that I wanted to work in, something to make the speech a little bit interesting, if it is possible for me to do that, I would ask Tom Cleary, "What about this Dennis Kearney?" Or, "What about this sand lot stuff around this Civic Center?" Or I would ask him something about Tom Geary and "The Chinese must go," ask him about the shooting scrapes in the seventies, and whatever it was it was right there in his head. Yes, many a fine idea I have had from him for a poor speech of mine—all of them are poor—but I would get an idea from him and then I could talk about something when I got up on my feet to talk. We still have Tom Cleary with us. Charles Terrell is gone—he was buried two weeks ago—and this is the last one that is left. If you can get out of his head and put down in black and white half of the knowledge that he has, if you can get that knowledge before this man passes away, we will gain that which we can ill afford to lose. Now, it has been moved and seconded that the remarks that have been made this morning be transcribed by the reporter and put into a small phamphlet form and be transmitted with the compliments of the Board, the official representatives of the City, under the seal of the City, and sent to Tom Cleary so that Mrs. Cleary may read what the Board of Supervisors and the people of San Francisco think of her husband. All in favor of the question will please arise.

(All members of the Board arise.)

It is unanimously carried, Mr. Cleary. Now, it has been moved and seconded, moved by Mr. Rocovieri and seconded by Mr. Havenner, that some consideration be given to ways and means whereby you may be employed to put down in writing a lot of the early historical affairs of San Francisco, which none but you know now, because nearly all of those who know have passed away, incidents in the lives of the great men of this community, how the Supervisors voted when Sutro was Mayor, how the Supervisors voted on all of the big questions of the day, bringing out the historical events connected with this City, those things which you think are of interest to the people of San Francisco, and to see if there is not some way whereby the mover of the motion, the seconder of the motion, the Finance Committee and the entire membership of the Board and myself can get your brain working and get the results down in writing before you pass away.

Supervisor Hayden: I think that our Charter provides for the employment of experts outside of the provisions of Civil Service, and outside of the provisions of residence qualifications. Mr. Cleary has the qualifications as to residence, of course, but I think it would be well to make a part of the motion the point that we employ him as an expert in connection with the history of San Francisco, and that makes it legal and within the provisions of the Charter.

Supervisor Roncovieri: At his present salary?

Supervisor Hayden: Yes.

The Mayor: All in favor please say "aye."

(Chorus of "ayes.")

Any "noes?"

(No response.)

The "ayes" have it. Now, Mr. Cleary, we would be glad to have you say a word.

Mr. Thomas R. Cleary: I thank you all very much. I cannot make a speech.

The Mayor: He says he cannot make a speech; that he is too full for utterance. Carry our love to your dear wife, Tom Cleary, and our affectionate wishes that she may soon be recovered. Tell her, that we know she has a good nurse in you, and that we hope the two of you will live long and will come and see us often. You have our best good wishes from us all and our thanks for what you have done. (Applause.)

Set-Back Line Hearing, Ralston Street.

Bill No. 8044, Ordinance No. 7555 (New Series), as follows:

Establishing set-back lines along portions of Ralston street.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited that on the 25th day of April, 1927, the Board of Supervisors adopted Resolution of Intention No. 132 to establish set-back lines along Ralston street, and fixed the 23d day of May, 1927, at 2 o'clock p. m., at the chambers of the Board of Supervisors, as the time and place for hearing objections thereto; that thereafter and more than ten days prior to said hearing the said resolution was published and notices of the passage of said resolution were posted along the line of said street, in time, form and manner required by Ordinance No. 5636 (New Series); that said hearing was held at the time and place aforesaid, and that all objections made at said hearing have been properly overruled.

Section 2. Pursuant to the foregoing recitals and in accordance with the provisions of said Ordinance No. 5636 (New Series), setback lines are hereby established as follows:

Along the westerly side of Ralston street, commencing at a point 100 feet northerly from Sargent street and running thence northerly to a point 100 feet southerly from Shields street, said set-back line to be 10 feet; along the easterly side of Ralston street, commencing at a point 100 feet northerly from Sargent street and running thence northerly to a point 100 feet southerly from Shields street, said setback line to be 15 feet.

As shown on the maps filed in the office of the Board of Supervisors and to which reference is hereby made for further particulars.

Section 3. No structures shall be erected in the area between said set-back lines and the street lines except as provided in said Ordinance No. 5636 (New Series), and the penalties for the violation of this ordinance shall be as fixed by the ordinance aforesaid.

Referred to Traffic Committee.

Passed for Printing.

The following resolution was *passed for printing*:

Appropriation, $22,415.56, Paving Roadway From Colma to Cypress Lawn Cemetery.

Supervisor Shannon presented:

Resolution No. —— (New Series), as follows:

Resolved, That the sum of $22,415.56 be and the same is hereby set aside and appropriated out of the $150,000 heretofore set aside out of the County Road Fund by Resolution No. 25087 (New Series) to the California Highway Commission, State Highway Maintenance Fund, in order that they may let a contract for the paving of the entire roadway between Colma and Cypress Lawn Cemetery.

San Mateo County to Defer Action on Bridge Franchise.

Supervisor Shannon presented:

Resolution No. 27331 (New Series), as follows:

Whereas, this Board did heretofore engage three engineers to make a survey and analysis of the various plans and projects for bridging San Francisco Bay and to ascertain and determine a site and location for a bridge which would be most advantageous to the interests of the City and County of San Francisco; and

Whereas, the said engineers did make such survey and analysis and have made a report thereof in writing to this Board and this Board did thereafter approve the said report of said engineers; and

Whereas, this Board intends to cause the said engineers and a committee, representing this Board, to visit the Secretary of War at Washington, D. C., for the purpose of submitting the report of said engineers to the War Department to the end that the War Department shall so revise its existing regulations as to permit the construction of a bridge in accordance with the report of said engineers; and

Whereas, heretofore the Board of Supervisors of San Mateo County granted franchises to construct two bridges in the southerly portion of that County, namely, the franchise to construct a bridge known as the Dumbarton Bridge, and a franchise to construct a bridge known as Little Coyote Point Bridge; and

Whereas, there has at all times existed between the County of San Mateo and the City and County of San Francisco a spirit of cooperation and friendship, and that the people of the City and County of San Francisco and this Board of Supervisors have given their support to both of said projects; and

Whereas, recently one C. J. Carey made an application to the Board of Supervisors of San Mateo County for a franchise to construct a bridge from a point in San Mateo County immediately to the south of the southerly line of the City and County of San Francisco, thence traversing the San Francisco Bay through the extreme northerly part of San Mateo County for a distance of four miles, more or less, and skirting the southerly line of the City and County of San Francisco, thereby avoiding any jurisdiction of this Board in the granting of a

franchise across San Francisco Bay; and

Whereas, this Board has at all times had the power and authority to grant a franchise to construct a bridge from Hunter's Point to Alameda County, which is from a point on this side of the Bay not only closer to San Francisco but at least two and one-half miles closer to the Alameda County shore, and that this Board has refrained from granting a franchise from Hunter's Point because to do so would be inconsistent and in conflict with the report of said engineers; and

Whereas, the granting of such franchise by the Board of Supervisors of San Mateo County to the said Carey will seriously interfere with the efforts of this Board, its engineers and its committee in its efforts to obtain approval from the War Department of the site and location of a bridge in accordance with the said report of said engineers approved by this Board as aforesaid; now, therefore, be it

Resolved, That this Board respectfully petition and request the Honorable Board of Supervisors of San Mateo County that it defer action upon the application of the said Carey franchise until after this Board, acting through its committee and engineers, shall have submitted the report of said engineers to the War Department and obtained action thereon; and be it

Further Resolved, That the Clerk of this Board be and he is hereby directed to send a copy of this resolution to each of the members of the Board of Supervisors of San Mateo County and to the Clerk thereof.

Adopted by the following vote: Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—17.

Absent—Supervisor Bath—1.

Motion.

Supervisor Shannon moved in connection with the foregoing that a committee be appointed to visit San Mateo County Board of Supervisors to impress upon it how seriously a bridge franchise in San Mateo County would effect the San Francisco project.

So ordered.

RECESS.

Whereupon, at 12:15 the Board took a recess until 2 p. m.

J. S. DUNNIGAN,
Clerk.

REASSEMBLED.

The Board of Supervisors reassembled at 2 p. m.

Approval of Santa Rosa, Petaluma and Sausalito Auto Stage Service.

The following resolution, laid over from last meeting, was taken up:

Resolution No. 27333 (New Series), as follows:

Whereas, the Santa Rosa, Petaluma and Sausalito Auto Stage Company, now operating a motor stage service between Santa Rosa and Sausalito and intermediate points, has applied to the Railroad Commission of the State of California for a certificate of public convenience and necessity authorizing the extension of its service to San Francisco, said company contemplating the establishment of its terminal station in the vicinity of Fifth and Mission streets, San Francisco; and

Whereas, it appears that the extension of this stage service, affording, as it will, a direct connection and means of transportation between San Francisco and the north bay counties, will be of great public convenience and a real necessity to the citizens of San Francisco who use this form of transportation for purposes of business or pleasure, as well as to the many citizens of the north bay counties desiring a more direct means of reaching San Francisco; now, therefore, be it

Resolved, by the Board of Supervisors of the City and County of San Francisco, that we heartily endorse the application of said Santa Rosa, Petaluma and Sausalito Auto Stage Company to extend its service into San Francisco proper, and recommend that its application be granted by the Railroad Commission; and

Privilege of the Floor.

Dion Holm, Assistant City Attorney, was granted the privilege of the floor and addressed the Board on the pending matter.

Amendment.

Supervisor Marks moved to insert the following:

Be it Further Resolved, That it is the sense of this Board that any certificate of public convenience and necessity granted by the Railroad Commission shall prohibit the taking on of passengers at Sausalito for transportation to any point within the City of San Francisco, or the taking on of any passengers within the City of San Francisco for transportation to the Town of Sausalito; and be it

Further Resolved, That a certified copy of this resolution be transmitted by the Secretary of this Board to the Railroad Commission.

Amendment *carried.*

Adopted.

Whereupon, the foregoing resolution, as amended, was *adopted* by the following vote:

Ayes — Supervisors Badaracco, Byington. Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Shannon, Stanton, Todd —15.

No—Supervisor Powers—1.

Absent—Supervisors Bath, Deasy —2.

Explanation of Vote.

Supervisor Havenner explained his vote by saying that if he thought that it would detract from the Municipal Bus he would vote no.

Supervisor Schmidt made the same explanation.

Passed for Printing.

The following resolution was *passed for printing*:

Condemnation Proceeding, J. Christoffersen et al., Land Required for Hetch Hetchy Construction.

Resolution No. ——— (New Series), as follows:

Resolved, That public interest and necessity demand the acquisition, through eminent domain proceedings, of the following described par-

cels of land situated in the County of Alameda, State of California, belonging to Jensine Christoffersen and Carl M. Christoffersen, for the purposes hereinafter described, for the public use of the City and County of San Francisco, said lands being more particularly described as follows, to-wit:

Parcel 1. Beginning at a point in the north line of Section 6, Township 4 South, Range 4 East, M. D. B. and M., distant along said line north 88 deg. 35 min. west 1000 feet; thence north 88 deg. 35 min. west 850 feet along said north line; thence leaving said line and running as follows: South 37 deg. 50 min. east 1410 feet, south 61 deg. 35 min. west 315 feet, south 28 deg. 25 min. east 400 feet, north 61 deg. 35 min. east 710 feet, south 80 deg. 150 min. east 405 feet, more or less, to a point in the east line of said Section 6; thence northerly 410 feet along said east line to a point distant southerly 875 feet along said line from the northeast corner of said Section 6; thence north 80 deg. 50 min. west 310 feet; thence north 37 deg. 50 min. west 1085 feet, more or less, to the point of beginning.

Containing 29.6 acres, more or less, and being a portion of the northwest quarter of said Section 6.

Parcel 2. All that portion of the northwest quarter of Section 6, Township 4 South, Range 4 East, M. D. B. and M., included within a strip of land 250 feet in width, 25 feet northerly and 225 feet southerly of the following described line, which line will be the center line of the first aqueduct tunnel to be constructed by the City and County of San Francisco:

Beginning at a point in the east line of said Section 6, distant along said line southerly approximately 650 feet; thence north 80 deg. 50 min. west 770 feet; thence south 75 deg. 40 min. west 1920 feet, more or less, to a point in the west line of the northeast quarter of said Section 6, distant along said line southerly approximately 1050 feet from the quarter section corner in the north line of said Section 6.

Excepting from said description land included within Parcel 1 hereinabove described.

Containing 11.1 acres, more or less.

Parcel 3. All that portion of the northeast quarter of Section 6, Township 4 South, Range 4 East, M. D. B. and M., included within a strip of land 20 feet in width, 10 feet each side of the following described surveyed center line:

Beginning at a point in the southeasterly boundary of Parcel 1 hereinabove described, distant along said boundary north 61 deg. 35 min. east 60 feet from the most southerly corner of said Parcel 1; thence running as follows: South 4 deg. 08 min. west 160 feet, south 15 deg. 37 min. east 323 feet, south 9 deg. 36 min. east 405 feet, south 3 deg. 07 min. east 175 feet, more or less, to a point in the south line of the northeast quarter of said Section 6, distant along said line westerly approximately 800 feet from the quarter section corner in the east line of said Section 6.

Containing 0.5 acre, more or less.

The taking of said properties and of a fee title thereto is necessary for the construction, maintenance and operation by the City and County of San Francisco of a portion of the Hetch Hetchy aqueduct, now being constructed by the said City and County of San Francisco, and designed and intended to convey water from Lake Eleanor and the Tuolumne River and its tributaries to the said City and County of San Francisco for municipal and domestic purposes. That the taking of said properties is further necessary for the future proper development and control of said aqueduct and for the structures appurtenant thereto and used in connection therewith and for a protective area for said aqueduct. That the structures appurtenant to said right of way for said aqueduct are a permanent shaft leading from the surface of the ground to said aqueduct, and as a site for permanent houses and homes to be used and occupied by the persons constructing, operating and maintaining said aqueduct, and for permanent rights of way, water pipe lines, electric transmission lines, telephone lines, roads and pathways, all to be used in connection with the construction, maintenance and operation of said aqueduct and the appurtenances thereto.

The City Attorney is hereby authorized and directed to commence eminent domain proceedings against the owners of said properties and of all interests therein or claims against or liens upon said properties, for the condemnation of said rights, interests, claims and liens to the public use of the City and County of San Francisco for the said purposes above specified.

This resolution shall be published in the official newspaper, with the

ayes and noes, for at least five successive days, Sundays and legal holidays excepted, before the final action upon the same.

Resolutions Nos. 27052 (New Series) and 27276 (New Series) are hereby repealed.

Mayor to Sell Property at Auction.

Absent—Supervisor Bath—1.

Referendum of Reapportionment Bill.

Supervisor Havenner moved, as follows:

Mr. Chairman, the Legislative Reapportionment Bill, which was adopted by the people at the last general election, and for which the necessary legislation to make it effective was adopted at the recent session of the Legislature, is to be submitted to referendum. The representatives of San Francisco in the State Legislature announced in voting for the necessary bill to put this reapportionment act into effect, that they intended at the same time to support the referendum when it came up. The new reapportionment law changes the present system of representation by population in both the Senate and the Assembly, and as a result of that change San Francisco's quota of the State Senators would be reduced by six. At present we have seven representatives in the State Senate; we would, under the provisions of the new law, have but one, and that would be true similarly in Los Angeles and other large cities of the State. We would lose also one Assemblyman in San Francisco and I think there is practically unanimous sentiment among the members of the State delegation, and I think the sentiment is practically unanimous throughout the State, that the present law should be repealed by referendum. I think the Board of Supervisors should declare its intention to support the proposed referendum and to aid it in every way that it can, and I so move.

Motion seconded by Supervisor Schmidt and *carried unanimously.*

Leave of Absence, Supervisor Louis F. Byington.

The following resolution was presented and *adopted* by the following vote:

Resolution No. 27335 (New Series), as follows:

Resolved, That Supervisor Lewis F. Byington be granted a leave of absence with permission to leave the State for a period of five (5) days during the next thirty (30) days from date.

Ayes — Supervisors Badaracco,

Byington, Colman, Gallagher, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —15.

Absent—Supervisors Bath, Deasy, Hayden—3.

J. Casey for a bridge franchise immediately south of the southern boundary of San Francisco County.

Bridge matters ordered *deferred until afternoon session by unanimous vote.*

Investigation of Garbage Rate Overcharges Against Law.

June 6, 1927.

Hon. J. Emmet Hayden, City Hall, San Francisco, California.

Dear Sir:

Enclosed please find copy of letter which has been addressed to the Honorable Board of Supervisors and which should be read for your consideration at the meeting of the Board today.

May we ask your cooperation?

Sincerely,

City Garbage Removal Co., Inc.

(Signed) Guido Braccini, Manager.

Supervisor Hayden presented the following matters and moved that they be inserted in the record:

June 6, 1927.

To the Honorable Board of Supervisors of the City and County of San Francisco, State of California, City Hall, San Francisco, Calif.

Gentlemen:

Some weeks ago the City Garbage Removal Co., Inc., filed with your Honorable Board a copy of correspondence which had passed between Honorable James Rolph, Jr., Mayor of San Francisco, the San Francisco Board of Health and this company relative to garbage collection in San Francisco.

We understand that this matter was referred to the Health Committee of your Board, which has not met during the interim.

We beg leave to supplement this data herewith and to request that this letter be brought to the attention of the entire Board at its regular meeting today.

The City Garbage Removal Company has completed a survey, which indicates that the householders and business men of this city are being overcharged a total of $93,758 every month in plain violation of the law by scavenger companies now operating. This figure seems to be corroborated by the fact that 63 leading hotels of San Francisco have petitioned the Board of Health for a new scavenger service, declaring that their rates "have been continuously and arbitrarily raised". This figure was given to the company by Alexander Ball and H. C. Averell, certified public accountants, and is based upon more than seven hundred voluntary complaints of dissatisfied householders and business men.

These facts have been brought to the attention of the San Francisco Board of Health and Mayor Rolph repeatedly, but have elicited no explanation nor reply. The Board of Health agreed at first to investigate the separate complaints, but withdrew its offer when the City Garbage Removal Company insisted that a court reporter and a representative of this company be allowed to accompany the inspectors who were assigned to the task, despite the fact that the City Garbage Removal Company, holding powers of attorney conferred upon it by hundreds of citizens, had formally demanded such inspections.

The refusal of the Board of Health to authorize these inspections, apparently, is caused by this demand of the City Garbage Removal Company to have a representative and court reporter present and the refusal of the company to leave any of the documentary proof of overcharges in the hands of the Board. These, we believe, are legitimate requests, well within the bounds of equity, and necessary to protect the interests of the citizens who have appealed to this company after fruitless efforts to gain relief through municipal channels. Garbage is collected in San Francisco under regulations set forth in an ordinance passed by the San Francisco Board of Supervisors. Every charge to a householder or business man in excess of the maximum legal rate set up in that ordinance

passed by your Board is a direct violation of the law. The City Garbage Removal Company is anxious to obtain just and fair rates for the citizens, whom it represents, and it believes that these citizens are entitled to consideration from the Board of Health.

In passing, may we call the attention of your Honorable Board to the fact that not a single scavenger license has been revoked by the Board of Health for any reason whatever, although Section 9 of the ordinance regulating the collection and disposition of refuse in San Francisco specifically provides for such revocation where an overcharge has been made to a householder.

We feel, therefore, that we are entitled, in the name of the citizens of San Francisco, who have entrusted us with their powers of attorney, to request respectfully that your Honorable Board take steps to inquire concerning the basis of these many complaints; to ask for a report from the Board of Health as to what steps it may have taken in the matter and to learn the truth of the garbage situation.

May we assure your Honorable Board of our loyal support and cooperation in any investigation you may, in your judgment, undertake?

Respectfully,

City Garbage Removal Co., Inc.,

Garbage Controversy.

City Garbage Removal Co., Inc., 209 Clunie Building, San Francisco.
May 28, 1927.

Hon. James Rolph, Jr., Mayor of San Francisco, City Hall, San Francisco, California.

Dear Sir:

During a conference with the writer some days ago, you stated that the $500 to $600 received by San Francisco scavengers is "not enough" and that they should collect even more money for their work.

Enclosed please find copies of telegraphic reports from the cities of Los Angeles, Sacramento and Berkeley, showing that scavengers in these cities receive salaries varying from $115 to $125 a month.

It would not seem that the collection of garbage in San Francisco is of such a peculiarly difficult or disagreeable character as to warrant the scavengers of this city receiving more than four times the return realized in other cities of California, while at the same time city officials of San Francisco are admittedly paid less than in these same municipalities. Perhaps, after all, means may have been found to balance this apparent inequality.

Seven months of intensive investigation have revealed to the City Garbage Removal Company an astounding condition of affairs in reference to the garbage collection business in San Francisco.

We have found that a trust, fostered by your Board of Health and able to exist through your support and cooperation, has a strangle hold upon San Francisco and its citizens. We feel certain, Mayor Rolph, that we will be able to satisfy the householders and citizens of San Francisco that you personally are guilty of a flagrant abuse of your official position in nurturing an illegal combine against the interests of the citizens whom you profess to protect.

This investigation has revealed circumstances and facts which we do not care to disclose in this letter, but which we expect to make public.

This company is fully aware of the finesse and political "diplomacy" with which you and your Board of Health, guided by Dr. William C. Hassler, have attempted, colloquially, to "make monkeys of us" through promises, hints and half-pledges to "do something tomorrow."

These "efforts to find a solution," never sincerely attempted, have never been taken seriously by the City Garbage Removal Company. Nevertheless, we have attempted throughout to meet you half-way, to treat you fairly and not to trespass upon business ethics.

Now the time has come when we must do something that we have not cared to do—drag you into the garbage war. Our campaign for a new garbage ordinance will start immediately—and it will not end until next November, no matter what the result may be on June 14.

This letter will serve as fair warning that James Rolph, Jr., Dr. William C. Hassler and the San Francisco Board of Health will bear the brunt of the campaign.

It probably will be interesting to you to know that your "friends," notably Louis Cavagnaro, the "duce" of the garbage trust, has consistently violated the confidence you have placed in him.

Hundreds of witnesses will testify to the statements he has made about you and about Dr. Hassler—that "no independent garbage truck will go on the streets of San Fran-

cisco so long as 'Jeem' is mayor of San Francisco."

The Scavengers' Protective Association alone has spent $120,000 to maintain its special privileges in San Francisco and Cavagnaro has been unduly free in revealing just where it has gone and where it will go next November.

Remember, in future times of political stress, that rats are inclined to desert a sinking ship.

Respectfully yours,
City Garbage Removal Co., Inc.,

Mayor's Letter on Garbage Controversy.

Supervisor Hayden presented:

June 6, 1927.

City Garbage Removal Co., Inc., 209 Clunie Building, San Francisco, California.

Dear Sirs:

Receipt is acknowledged of your letter of May 28th, enclosing therewith copies of telegrams received by you from the authorities of the cities of Los Angeles, Sacramento and Berkeley.

Aside from the information contained in your letter, I have no definite knowledge as to what the scavengers of this community are earning. It is obvious from your letter that the employees of the cities you have communicated with are furnished with their equipment and that the same is maintained not by them but by the city. Therefore, the analogy of the respective amounts received by the employees of the other cities, comparing with what they receive here, is not one based upon the same set of facts.

I have nothing but the highest regard for the members of the Board of Health. Its personnel is comprised of outstanding physicians, business and professional men of this city and I stand unequivocally behind everything they have done in the past, not only in this matter, but all other matters. Therefore, I do not receive your attack upon them with any degree of truthfulness or sincerity.

I might call your attention to the fact that these men serve the city gratuitously. Surely, there is no civic duty higher than that performed by one for the love of his community. Likewise, our Health Officer, Dr. Wm. C. Hassler, needs no defense. His reputation as a medical man and authority on public health is national and of the best. Under his guidance San Francisco enjoys the reputation of being the healthiest and cleanest city in the world.

Your threat to hold me responsible for the garbage situation is of little interest. I am doing the very best I can to promote the interests of San Francisco and I shall continue to do so without fear or favor.

Your attack on Louis Cavagnaro, in my opinion, is unjustifiable. If I knew you as well as do him, I would surely conclude that you were one who is dependable and a man of integrity.

Aside from the fact that you sign yourself as the manager of the City Garbage Removal Co., I do not know who or what you are.

As to the scavengers having spent $125,000 to maintain special privileges in San Francisco, your information is the first that I have had. Needless to add, I have no faith in its accuracy.

The overcharges that you claim the scavengers are making upon the people of San Francisco will receive my attention. If your statements prove correct, I shall take every necessary step to correct a condition which I would not for a moment tolerate.

So that I may reach an intelligent understanding of this overcharge accusation, I shall appreciate your

furnishing me whatever information you can.

Yours truly,
JAMES ROLPH. JR.,
Mayor of San Francisco.

BUDGET

FOR MUNICIPAL EXPENDITURES

City and County of San Francisco, California, For Fiscal Year 1927-1928

Bill No. 8045, Ordinance No. 7558 (New Series).

An ordinance fixing and appropriating the aggregate sums of the items thereof allowed to each department, officer, board and commission for the fiscal year ending June 30, 1928, and making a Budget of the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The aggregate sums and items thereof hereinafter set forth are hereby fixed, designated and appropriated for the respective purposes set opposite the same, to be expended during the fiscal year ending June 30, 1928, in accordance with the provisions of Article III, Chapter 1, of the Charter of the City and County.

Section 2. No department, officer, board, commission or employee shall expend, agree to expend or incur any liability which shall exceed the amount of any appropriation herein made or which may be hereafter appropriated for any specific purpose, and no such appropriation shall be used or subjected to any liability for any purpose other than that for which it is herein specifically made, unless otherwise authorized by the Board of Supervisors.

All balances of appropriations unexpended, or against which no liabilities have been incurred, at the end of each calendar month, shall be reported to the Board of Supervisors by the department, board, commission, officer or employee within ten days after the expiration of such previous month, and at the end of the fiscal year all such balances shall revert to and become a part of the unappropriated general fund unless otherwise ordered by the Board of Supervisors.

The Auditor shall not audit or issue any warrant contrary to the express provisions of this section.

Section 3. The amounts appropriated are as follows:

REASSEMBLED—2 P. M.

The Board of Supervisors reassembled at 2 p. m.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—15.

Absent—Supervisors Bath, Kent, Marks—3.

Quorum present.

His Honor Mayor Rolph presiding.

Congratulations to Chamberlin and Levine, Trans-Atlantic Flyers.

Supervisor Colman moved that the Board of Supervisors extend its congratulations to Messrs. Chamberlin and Levine, trans-Atlantic flyers, who recently flew from New York to Berlin, and that they be invited to participate in the Dole flight from San Francisco to Hawaii, which will take off from this city at an early date.

Supervisor Shannon moved that Chamberlin and Levine be made honorary citizens of San Francisco.

Motion *carried unanimously.*

Supervisor Hayden moved that the Clerk be directed to prepare a commendatory resolution in appreciation of the celebrated flight of Chamberlin and Levine from New York to Berlin.

Berkeley Ferry Opening.

Mayor Rolph, the Board of Supervisors, every city official and every citizen of San Francisco were invited by the Mayor and city officials of Berkeley to attend the festivities in connection with the opening of the new Golden Gate ferry service between Berkeley and San Francisco, Wednesday, June 15.

Mayor Frank D. Stringham of Berkeley, with a delegation from the eastbay city, appeared before the San Francisco Board of Super-

visors and extended the invitation. Mayor Stringham was introduced by Mayor Rolph, who expressed the gratification of San Francisco that the two cities soon were to be joined by a closer connection, which, he said, would redound to the benefit of both.

The Mayor of Berkeley in inviting San Francisco to participate at the dedication of the new ferry service said:

"It has always seemed to us that it was a longer trip from San Francisco to Berkeley than the trip from Berkeley to San Francisco, for it has been difficult to get San Franciscans to visit our side of the bay. With the new ferry route, which will give a direct, quick service route between the two cities for the first time, there will be a new bond for a neighborly spirit and an added incentive to closer cooperation."

Harry Speas, general manager of the Golden Gate Ferry Company, gave a brief outline of the ferry company's plans, following which Supervisor McSheehy, on behalf of the Supervisors, accepted the invitation and promised active participation in the event.

Committee to Arrange With War Department for Hearing on Modification of Bridge Location Ruling.

Supervisor McSheehy presented:

Resolution No. 27358 (New Series), as follows:

Whereas, the Board of Supervisors of the City and County of San Francisco did heretofore on the 23d day of May, 1927, approve the report of Robert Ridgway, Arthur M. Talbot, John D. Galloway and M. M. O'Shaughnessy relative to a trans-bay bridge between the City and County of San Francisco and the County of Alameda; and

Whereas, this Board of Supervisors did on said day authorize the chairman of the Finance Committee to appoint a committee consisting of three members of this Board, his Honor Mayor James Rolph, Jr., Hon. M. M. O'Shaughnessy, City Engineer, John J. O'Toole, City Attorney, and Robert Ridgway, Arthur M. Talbot and John D. Galloway to proceed to the City of Washington and to there endeavor to obtain the approval and consent of the Secretary of War to the erection of a bridge in location No. 1 as set forth in said report; now, therefore, be it

Resolved, That the aforesaid committee be and it is hereby authorized and directed to forthwith communicate with the Secretary of War of the United States for the purpose of making an appointment with said Secretary in the City of Washington and upon said appointment being made said committee is further authorized and directed to proceed to the City of Washington and to there confer with the Secretary of War of the United States and with such other officials of the Government of the United States whom they shall deem proper for the purpose of obtaining the approval of the Secretary of War, and of the War Department of the United States, to the construction and maintenance of a trans-bay bridge in the district covered by location No. 1 in said engineers' report. Said committee is further authorized and directed to use all honorable and lawful means for the purpose of obtaining the approval of the Secretary of War to the construction and maintenance of said bridge within said location No. 1; and if said permission cannot be obtained from said Secretary of War said committee is hereby authorized and directed to make application to such other officials and departments of the Government of the United States as it shall deem proper for the purpose of obtaining said permission to construct said bridge in said location No. 1. Said committee or one or more of its members is hereby authorized to remain at the City of Washington so long as it may be necessary in their judgment for them to remain for the purpose of obtaining the approval of the Secretary of War to the construction of said bridge in said location No. 1. That in the event the said committee should determine that there is no possibility of obtaining the approval of the Secretary of War or of the War Department to the construction and maintenance of a trans-bay bridge in said location No. 1 as described in said report of said engineers it is authorized and directed to make application to the said Secretary of War or to such other officials of the Government of the United States as it shall deem proper for permission to construct a bridge within the limits of location No. 2 as described in said report of said engineers; and should said committee ascertain that there is no possibility of obtaining said permission to construct said bridge within said location No. 2, then said committee is authorized and directed to make application to the Secretary of War or to such other officials of the Government of the United States as it shall deem proper for permission to construct a bridge within the limits of location No. 3 as described in said report. That said committee is

hereby directed to make a full report of all its proceedings had and taken in the premises to this Board of Supervisors; and be it

Further Resolved, That the duties and authority of said committee may be changed, enlarged or curtailed by this Board at its pleasure.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Byington, Colman, Gallagher, Harrelson, Havenner, Hayden, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd 14.

Absent—Supervisors Bath, Deasy, Kent, Marks—4.

Mayor Opposes Date.

When Mayor Rolph objected to the date, June 21, saying that he had an engagement to attend a convention in Denver and an invitation to attend the opening of the Reno Exposition, Supervisor Colman emphasized the importance of having the Mayor present at the hearing in Washington and urged Rolph to arrange his affairs so that nothing could interfere, saying:

"The bridge question is the most important one that confronts this city, and nothing should stand in the way of early action."

Supervisor Shannon reported upon a conference he and Supervisor Havenner held in the morning with the Supervisors of San Mateo County. The latter officials agreed to hold up action for thirty days on the bridge application of P. J. Carey, who seeks to build a bridge across the bay just below the San Francisco county line.

Night Letter.

On motion of Supervisor Shannon the following telegram, prepared by Supervisor Havenner, was ordered sent to the Secretary of War:

To the Honorable the Secretary of War, Washington, D. C.

More than a million people, living around San Francisco Bay, are vitally interested in the project of constructing a bridge across the Bay to connect the two metropolitan areas of population situated in San Francisco and Alameda counties, and to provide a major highway outlet from San Francisco into the interior of California. Years of study have been devoted to this project and the City of San Francisco recently, at great expense, employed a commission composed of engineers of outstanding national reputation to prepare a report containing recommendations for proposed sites of such a bridge which will best serve the needs of this great community. This report is now complete and has just been received and approved by the Board of Supervisors of the City and County of San Francisco. The Board of Supervisors, by resolution adopted today, has appointed an official committee, consisting of the Mayor, the City Engineer, the City Attorney, the three expert engineers who compiled the report—Robert Ridgway of New York, Arthur N. Talbot of the University of Illinois and John D. Galloway of San Francisco, and three members of the Board of Supervisors, to proceed to Washington to seek the approval of the War Department for the site recommended. The people of San Francisco are unanimously in favor of the construction of a bridge over the proposed route at the earliest possible moment. In view of the magnitude of this project, which contemplates the construction of the largest bridge in the history of the world, and its tremendous importance to the entire State of California, we respectfully request that the War Department engineers grant a hearing to the official committee of San Francisco on June 21, 1927, or as soon thereafter as possible, in order that the final ruling of the War Department upon the site of the bridge may be obtained without delay. The committee representing San Francisco will be ready to leave here for Washington on June 15, and we respectfully urge that the hearing be granted at the earliest available date after the committee's arrival in Washington. We will greatly appreciate an early reply by wire.

JAMES ROLPH. JR.,
Mayor.

Board of Supervisors:
By J. S. DUNNIGAN,
Clerk.

Letter of Thanks, German Ambassador Maltzan.

The following were presented by the Mayor and read by the Clerk:

Washington, D. C., June 6.

Hon. James Rolph, Jr., Mayor of San Francisco, San Francisco, California.

Reichspraesident Von Hindenburg has charged me to transmit to you his most sincere and cordial thainks for your kind message informing him that you invested Count Luckner with the freedom of the City and County of San Francisco. The Reichspraesident was much pleased with the expression of admiration and appreciation of Count Luckner's mission,

which will certainly contribute to strengthen the ties of friendship between Germany and San Francisco.

Ambassador Maltzan.

San Francisco, June 6, 1927.
His Excellency Baron Ago Von Maltzan, German Embassy, Washington, D. C.

Thanks for your telegram repeating message from President Von Hindenburg, which I have wired to Count Luckner at Seattle. I read the message to Board of Supervisors in session today and they were pleased and ordered it spread in today's records. Sincere and kindest regard to you and your family. Expect to be in Washington about end of this month.

JAMES ROLPH, JR.,
Mayor.

J. S. DUNNIGAN,
Clerk.

Approved April 15, 1927.
JAMES ROLPH, JR.,
Mayor.

And Whereas, the Clerk of the Supervisors of the City and County of San Francisco did transmit to the Board of Public Works of the City and County of San Francisco a certified copy of said resolution, and the said Board of Public Works did, upon receipt of said resolution, cause to be posted in the manner and as required by law, notices of the passage of said resolution, and did also cause, in the manner and as required by law, a notice similar in substance to be published for a period of ten days in the official newspaper of the City and County of San Francisco; and

Whereas, certain persons interested, either objecting to said improvement or to the extent of the district and lands to be effected and benefited by said improvement and to be assessed to pay the costs and expenses thereof, or to both, did make objections to the same within ten days after the expiration of the time of said publication of said notice, which objections were delivered to the Clerk of the Supervisors, who endorsed thereon the date of their reception by him, and at the next meeting of the Supervisors after the expiration of said ten days, did lay said objections before the Supervisors, who thereupon fixed a time for hearing said objections, viz.: the 31st day of May, 1927, which time was not less than one week after said meeting of said Board of Supervisors; and

Whereas, the Clerk of the Supervisors did notify the persons making said objections, by depositing a notice of said hearing in the postoffice, postage prepaid, addressed to such objectors; and

Whereas, on the 6th day of June, 1927, the Supervisors did hear the objections of The San Francisco News Company, filed April 29, 1927, and did overrule said objections; and

Whereas, the public interest and convenience require said improvement to be done as specifically described in said Resolution No. 27087 (New Series); and

Whereas, the Supervisors have acquired jurisdiction to order the extension of Tehama street easterly from a point 275 feet east of Third street to the west line of Hawthorne street, as aforesaid and as specifically described and proposed in said Resolution No. 27087 (New Series); now, therefore, be it

Resolved, That it be ordered that said Tehama street be extended and improved as aforesaid and as specifically described and proposed in said Resolution No. 27087 (New Series); and be it

Further Resolved, That the damages, costs and expenses of said extension of Tehama street be and they are hereby made chargeable against and shall be assessable upon the lands and district described in said Resolution No. 27087 (New Series), as being the lands and district affected and benefited by said extension and against which the damages, costs and expenses of said extension should be chargeable; and be it

Further Resolved, That the extension of Tehama street be done in accordance with the provisions of the Charter of the City and County of San Francisco.

Women's Building Construction Lauded.

Supervisor Hayden presented:

Resolution No. 27363 (New Series), as follows:

Whereas, the San Francisco Women's Building Association, representing its own membership of 6200, and allied organizations comprising approximately 10,000 additional members resident in San Francisco, other cities in California and twelve other States in the Union, have erected and presented to San Francisco a magnificent building designed as a civic and cultural center, complete in its equipment and furnishings; and

Whereas, it contains an auditorium, ballrooms, complete dining service, 120 sleeping rooms, athletic facilities, including swimming pool, children's department, roof garden, lounging rooms, all adequately fitted for the entertainment of San Francisco guests; and

Whereas, this will be an ideal center for community forums and convention meetings for both men and women, as well as a center for adult educational pursuits, and the promotion of community projects; therefore, be it

Resolved, That this Board of Supervisors expresses to the San Francisco Women's Building Association its appreciation of this colossal accomplishment, which is solely the work of women, and urges the San Francisco public to give its full and whole-hearted support to the promotion of the program of this women's building in order that it may fulfill the purpose for which it has been planned.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Gallagher, Havenner, Hayden, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —11.

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

MONDAY, JUNE 13, 1927, 10 A. M.

In Board of Supervisors, San Francisco, Monday, June 13, 1927, 10 a. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Byington, Colman, Deasy, Harrelson, Havenner, Kent, McSheehy, Powers Schmidt, Shannon, Stanton, Todd—12.

Absent — Supervisors Badaracco, Bath, Gallagher, Hayden, Marks, Roncovieri—6.

Quorum present.

His Honor Mayor Rolph presiding.

APPROVAL OF JOURNAL.

The Journal of Proceedings of the previous meeting was laid over for approval until next meeting.

ROLL CALL FOR PETITIONS FROM MEMBERS.

California Development Association, Headquarters in Ferry Building.

The following was presented and read by the Clerk:

Communication, from N. H. Sloane, general manager, California Development Association, advising that said association is now arranging for new quarters in the Ferry Building which will enable visitors to San Francisco to have a comprehensive view of San Francisco Bay, and that it becomes necessary to that purpose to rearrange the space now located in the center of the nave of the Ferry Building, heretofore used as a part of the exhibit plan, and requesting that the approval of the Board of Supervisors to such rearrangement be given in the form of a resolution of the Board.

Referred to Public Welfare Committee.

Exchange of Deeds With Federal Government for Palace of Fine Arts Lands.

The following was presented and read by the Clerk:

Communication, from his Honor Mayor Rolph, transmitting correspondence from L. H. Bash, Colonel, Q. M. Corp, U. S. A., together with executed deed dated June 3, 1927, from the United States Government to the City and County of San Francisco, conveying certain lands described therein being part of the Presidio Military Reservation in San Francisco, upon which the Palace of Fine Arts is located.

Ordered *filed.*

Request for Correction of Dangerous Situation on West Portal Avenue.

Supervisor Shannon presented:

Petition, of Fernando Nelson and others, being a committee for betterments at West Portal, requesting the correction of an alleged menace to life and limb existing at West Portal avenue from Ulloa street to Sloat boulevard, which consists of curbs in the middle of the street guarding the car tracks and the unpaved portion between the rails. This is declared to be a menace to the life of women and children who shop along the street, and, as a consequence, a detriment to the business there.

Read and *referred to the Traffic Committee.*

Rezoning of Parker Avenue Endorsed.

The following was presented and read by the Clerk:

Communication, from Divisadero Street Merchants' Association, endorsing the proposed rezoning of that certain strip of land on the west side of Laurel Hill Cemetery on Parker avenue as second-class residential property.

Ordered *filed.*

In the above description it is assumed that an existing fence marks

the east line of said Section 32 and that an existing fence corner marks the northeast corner of said section.

In the above description of Parcels 1, 2 and 3 of the bearings of the courses are referred to the true meridian as determined at a point near the ¼ section corner in the south line of Section 36, Township 3 South, Range 5 East, M. D. B. and M.

The taking of said properties and of a fee title thereto is necessary for the construction, maintenance and operation by the City and County of San Francisco of a portion of the Hetch Hetchy aqueduct, now being constructed by the said City and County of San Francisco, and designed and intended to convey water from Lake Eleanor and the Tuolumne River and its tributaries to the said City and County of San Francisco for municipal and domestic purposes. That the taking of said properties is further necessary for the future proper development and control of said aqueduct and for the structures appurtenant thereto and used in connection therewith and for a protective area for said aqueduct. That the structures appurtenant to said right of way for said aqueduct are a permanent shaft leading from the surface of the ground to said aqueduct, and as a site for permanent houses and homes to be used and occupied by the persons constructing, operating and maintaining said aqueduct, and for permanent rights of way, water pipe lines, electric transmission lines, telephone lines, roads and pathways, all to be used in connection with the construction, maintenance and operation of said aqueduct and the appurtenances thereto.

The City Attorney is hereby authorized and directed to commence eminent domain proceedings against the owners of said properties and of all interests therein or claims against or liens upon said properties, for the condemnation of said rights, interests, claims and liens to the public use of the City and County of San Francisco for the said purposes above specified.

This resolution shall be published in the official newspaper, with the ayes and noes, for at least five successive days, Sundays and legal holidays excepted, before the final action upon the same.

Tribute to Dr. Alfred Hertz, Leader of the San Francisco Symphony Orchestra.

Supervisor Hayden: Mr. Chairman, we arranged for a special order at 12 o'clock for the presentation of resolutions which were to carry with them an expression of feeling and appreciation for the wonderful service that Mr. Hertz

has rendered to the people of San Francisco and to the people of America as the conductor of opera and symphony orchestras in this country, but before we open this, Mr. Mayor, we have representatives from the San Francisco Symphony Orchestra here with Mr. Oesterreicher, who have agreed to volunteer their services, and they will render the opening numbers.

The Mayor: We are very happy to see you all here this morning.

(Music by string quartet.)

Supervisor Hayden: Mr. Chairman, I notice here Mr. John D. McKee, who has done so much for music in San Francisco, and who is one of the foremost sponsors of the War Memorial buildings. I ask him to step forward and take a seat to the Mayor's left.

(Mr. McKee comes forward.)

The Mayor: My fellow-citizens and colleagues, Mr. John Dempster McKee. (Applause.)

Supervisor Hayden: Mr. Mayor, you do the Board of Supervisors an honor, as well as yourself and the people of San Francisco, in carrying to completion the matter of the resolutions adopted unanimously by this Board and which have been beautifully engrossed and are now awaiting presentation at your hands.

The Mayor: My colleagues and my fellow-citizens, we have gathered here this morning by order of the Board to present to Dr. Alfred Hertz some beautifully worded resolutions passed by this Board unanimously, and this occasion has been set apart that these resolutions may be presented in person to Dr. Alfred Hertz.

To all of you who have not seen Dr. Hertz before, who are not well acquainted with him, I want to present you to him and he to you at this particular time. Dr. Hertz. (Applause.)

We have known Dr. Alfred Hertz for a great many years. About two months ago San Francisco paid him a tribute in the Civic Auditorium by the celebration of his twenty-five years of conducting in America, thirteen years of which was with the Metropolitan Opera Company of New York City and twelve years of which has been in the City of San Francisco, and if you will all recall, we paid him that tribute on his twenty-fifth (silver) anniversary. The Auditorium was crowded to overflowing. I have never seen so many musicians gathered together as were gathered that night, and I have never seen Dr. Alfred Hertz wave the baton with a greater feeling in his heart than on the night when he was recognized by San Francisco—by the whole musical world—well, just like Charles Lindbergh is recognized in the aviation world. (Applause.)

These resolutions were adopted by the Board of Supervisors, as I have said, and have been beautifully engrossed, and I will read them to you, Dr. Hertz, at this time:

"Board of Supervisors of the City and County of San Francisco.

"Resolution No. 27125 (New Series), as follows:

"Whereas, the splendid presentation of Beethoven's Ninth Symphony, given under the auspices of the City and County of San Francisco by the San Francisco Symphony Orchestra, Alfred Hertz, conductor, and the Municipal Chorus, on the evening of April 2, brought to a close the sixteenth season of symphony concerts and marked the twenty-fifth anniversary of conducting by Alfred Hertz in America; and

"Whereas, after thirteen years of brilliant services at the Metropolitan Opera House, the last twelve years of Alfred Hertz's work in America has been devoted to the upbuilding and developing of the San Francisco Symphony Orchestra; and

"Whereas, through the tireless efforts and profound musicianship of Alfred Hertz, the San Francisco Symphony Orchestra has become one of the foremost symphonic organizations of the world, thus redounding to the great credit of the City of San Francisco; and

"Whereas, through cooperation of the municipal authorities in providing for the giving of symphony concerts in the Auditorium, great masses of the population have been enabled to understand and enjoy music in its highest form; now, therefore, be it

"Resolved, That the Board of Supervisors of the City and County of San Francisco desires to place of record its grateful appreciation of all that Alfred Hertz and the orchestra have done for San Francisco, and also to express a feeling of gratification that this Board has been able to be of assistance in these municipal achievements.

"Unanimously adopted by the Board of Supervisors, San Francisco, April 11, 1927."

Signed for the Board of Supervisors by James Rolph, Jr., Mayor. Attest: J. S. Dunnigan, Clerk.

With the seal of the City imprinted on these resolutions.

Gentlemen of the Board, in your name I present these resolutions to Dr. Alfred Hertz.

I cannot do this, however, without paying a tribute to Supervisor Hayden and to Supervisor Havenner for their untiring efforts in inaugurating and continuing these municipal concerts, which are second to none in the world. And I will say now that arrangements have been made that six concerts shall be given this coming fall by Dr. Hertz in the Auditorium. Dr. Hertz is leaving for Los Angeles tomorrow, where he will give eight concerts in the great Hollywood Bowl.

I present these resolutions to you, Dr. Hertz, and after you have received them I will ask Mr. Havenner, a member of the Finance Committee and Chairman of the Auditorium Committee, to have them framed in a suitable manner and sent to your home, Dr. Hertz. (Applause.)

Now, Dr. Hertz, you have the permission of the floor, and we will be very happy to have you respond to the Board of Supervisors who have presented to you in the name of the people of San Francisco these beautiful resolutions. Dr. Hertz. (Applause.)

Dr. Alfred Hertz: .Mr. Mayor, and gentlemen of the Board of Supervisors, and ladies and gentlemen: I cannot express in words how much I appreciate this great honor which you have so kindly bestowed upon me. Of all the honors I have ever received I cherish this most highly, because it comes from the representatives of San Francisco, the city with which I fell in love so deeply that I decided to make it my home. When I was here with the Metropolitan Opera Company in 1906 it was at a time when I had a weakness for driving a horse and buggy. I was with my friend Van Rooy, the famous baritone, and it was a most beautiful day. We went driving in Golden Gate Park, and I said to him then. "As for me, I only wish that I could spend the rest of my life in this paradise." The next morning the great fire broke out, and sometimes I am afraid I did not feel so strongly the wish that I had expressed the day before. (Laughter.) But I very quickly forgot that, and when I had the opportunity in 1915 to come out here for the Beethoven Festival in conjunction with the Exposition, that was all forgotten, and I loved San Francisco more than ever. I accepted the position then as director of the San Francisco Symphony Orchestra, and if I am to be allowed to continue in that capacity I shall be very happy. It only expresses my sincere love and devotion to this beautiful city.

I wish I could reverse matters, and, instead of receiving the resolutions at your hands, I could ask you to come to me, the Musical Association. Mr. McKee, Mr. Widenham, all those representative of San Francisco, and you, gentlemen of the Board of Supervisors, that I might present resolutions of my appreciation and my thanks to you and to them.

I would love to tell you how much I appreciate what the Musical Association has given me in the San Francisco Symphony Orchestra, a body of artists second to none, whom I have had the privilege to direct for so many years. I would love to tell the representatives of the City of San Francisco how much I appreciate their cooperation, their support and their encouragement. I would love to point out that the initial steps towards these city concerts were taken by Supervisor Hayden, who had the foresight to see what the people wanted; that they wanted the very best (applause), and to see that it could be given at a price within the reach of everybody. That means a wonderful step forward in the musical development of San Francisco. I would love to give credit to the entire city administration, with Mayor Rolph at the head, to the present Auditorium Committee, with Mr. Havenner as its Chairman, which has so splendidly continued the good work which was started a few years ago. I would tell you all that if anything can make me continue to give my best efforts, the best which is in me, for all time to come, it is this support and this encouragement that you have showered from all sides.

Unfortunately I cannot reverse matters, so in accepting these resolutions I would like to pass them on to the San Francisco Symphony Orchestra, which will be an ever-growing asset to the cultural life and development of San Francisco long after I am not here. I thank you. (Great applause.)

Supervisor Hayden: Mr. Mayor, if you will accept my suggestion, I would like to have you call on Mr. John Dempster McKee, representing the San Francisco Musical Association. We all know what a

tower of strength Mr. McKee has been to us and what he has done for music in San Francisco. In my experience as head of the Auditorium Committee I know of no man in San Francisco who has given so much of his whole soul to the cause of music, who has so dedicated his very life to that cause. We are proud to have him here today.

The Mayor: We were all very happy, Dr. Hertz, to hear you express yourself in the way you did about our City of San Francisco. We are a warm-blooded people. We have feelings that come from the heart. We may not always express ourselves as we would wish to, but you will find no people in the world who cherish friendships and hold them longer than do the people of San Francisco, and we are glad that you left the old country and glad that you came out here to the United States, and glad you are here, and glad to have heard what you said about San Francisco.

When you told us about driving with a horse and buggy, of course we have all done that in our time, those of us who are here today always took our sweethearts out with a horse and buggy. We may have forgotten the horse at the time or we may have been scolded when we got back to the home place at one o'clock in the morning or so, but still when you talk about a horse and buggy it revives very warm memories within us. But the times have all changed.

We have two Americans in Germany now—Chamberlin and Levine. They are being treated by your fellow-countrymen with the great hospitality that the German people are noted for. I had a cablegram from the president of the German Republic the other day thanking us for the attention we had given to Captain Von Luckner and to the German Ambassador himself. We in turn appreciate the way they are treating Chamberlin and Levine over there. They tell a fine story about Levine. He is a stamp collector, and just before he sailed in his ship, the "Columbia," he got the postmaster of New York to come down to the aviation field and had him stamp one thousand dollars' worth of aviation stamps, and he took those stamps over with him. Those stamps today are worth over a thousand dollars apiece, so while he was going over on the "Columbia" he was doing a little business on the side, and those 250 stamps are worth $250,000 and getting more valuable every day. The Postmaster-General at Washington had the postmaster at New York on the carpet, wanting to know what right he had to cancel those stamps, because the flight ship "Columbia" was not in the air mail service, and he simply said to the Postmaster-General, "Now, what would you have done under the circumstances if Levine had come up to you? I went down there with my stamps and I cancelled all of those stamps. What would you do with two fellows who were just leaving on a trip of that kind? Wouldn't you cancel the stamps and wish them well?" So Levine has got 250 United States aviation stamps, each one cancelled, and he can sell every one of them today for a thousand dollars apiece, and as time goes on they will be worth two or three thousand dollars apiece, as they will be in demand by stamp collectors because they are the first air mail stamps ever to cross the Atlantic ocean and that ever went into Germany.

We are glad you are here and glad you are happy, and, as far as I am concerned, and I know that I speak the voice of the Board of Supervisors, we are going to keep you with us just as long as we possibly can. (Applause.)

This is Mr. John Dempster McKee, one of the leading citizens of San Francisco, who has been identified with the American Trust Company since he was a boy. He joined the Mercantile Trust Company—I think it was in 1854—when the Mercantile Trust Company was organized, but as long as I can remember John Dempster McKee has been a guiding light of the Mercantile Trust Company until it is the American Trust Company today. I am giving you a boost, John, because I know you have all your banks around here and I want people to know who you are. (Applause.)

He has offered fifty thousand dollars as part of an endowment fund of two million dollars to be raised in two years for the maintenance of the San Francisco Municipal Symphony Orchestra in perpetuity. A man who will do that, a man who has done the things that he has done and who has always been interested in the welfare of our city, is a man we ought to receive here with a very fine hearty welcome for what he has done and for what he intends to do towards keeping these fine musicians going and keeping Dr. Alfred Hertz at the head of

them. I present to you John Dempster McKee.

Mr. McKee: Mr. Mayor and Mr. Hertz and fellow-citizens: When Mr. Widenham telephoned to me about fifteen minutes before i arrived here that this presentation was set for today—I knew it was to take place, but did not know the time—and asked me to be present, I was very glad indeed to come. If I had anticipated what my old friend, Jim Rolph, as I have always known him, was going to say about me I think I would have remained away. This kind of complimentary banter, while very much appreciated, really ought to be introduced in a person's absence.

The Mayor has referred to Mr. Hertz' term of twenty-five years living in America, half of which he has spent in San Francisco, and I have been thinking that those twenty-five years are really a wonderful period in the lives of all of us. We live in a very remarkable time. While we have not improved, perhaps, over the architecture of the old Greeks or over the Chinese in ceramic art, for those are things that we have never been able to duplicate, and the Iliad set a standard which has not yet been matched; nevertheless, in several of the things in which we are interested the development in the last twenty-five years has been extremely wonderful and marvelous. The reference to Chamberlin and Levine suggests flying, traveling in lighter than air machines, something that Leonardo da Vinci conceived, but never actually effectuated. There are underwater vessels and all these wonderful things that make this past quarter-century period perhaps greater than any pervious twenty-five years in several centuries. We have modern composers producing music and the very wonderful style of the old composers, but Bach, Beethoven and Brahms have set a standard and a quality of music which is ever new and ever young. We never tire of listening to the old masters. But the development in the past twenty-five years has been in the interpretation of compositions and in the understanding of the great masters by the masses of the people. Of course, in Europe itself, Germany, France and even England, the people for many years past have become accustomed to and enjoyed good music, but in the United States, in America, within my own short life I can remember when the Boston Symphony Orchestra was the thing that made Boston famous. It was referred to almost in accents of awe and was considered a very unusual thing, an unusual privilege that the people of Boston could enjoy the Boston Symphony Orchestra. There were one or two others in the country, but they were rare. Now no city in America feels that it is complete, no city of any size, unless it has a symphony orchestra, and that development has come about, I think I am safe to say, during this period of the last twenty-five years, and in San Francisco down from the days of Fritz Scheel there has come a great appreciation of good music by the community and during Mr. Hertz' sojourn with us, during the last twelve or thirteen years, that increased appreciation has been—that development has been going on in increasing degree each year. It is for that service that the people of San Francisco seek to honor Mr. Hertz. The tremendous development that music has had in San Francisco under Mr. Hertz is a contribution to the artistic life of this city that cannot be emphasized too strongly. We have had these so-called popular concerts, and the city has stood behind them with its treasury and helped them to go on.

I think, perhaps, when Mr. Widenham or Mr. Havenner suggested they would like to hear a word from me that they might have had in mind the thought of my rather close relationship to Mr. Hertz during all these years. During the years that Mr. Hertz has been here I have been in close association with him, even before I became president of the association and during the past eight or nine years that I have been president, and I want to say that while we have had some differences of opinion and differences in policy, they were always along the lines that Mr. Hertz wanted to do something better than I felt we could afford to do it. It reminds me of my old friend, Herman Schussler, who used to have as his motto, "There is no such word as good enough." In all the work he did he would say, "There is no such word for me as good enough." He was not satisfied unless the thing was as good as it possibly could be. And it is so with Mr. Hertz. He is not satisfied with the excellence attained; he wants it to be as good as it possibly can be. The word "indefatigable" does not begin to describe him at rehearsals. Some of the men think sometimes that they know the composition well enough to play it blindfold, and so on, but Mr. Hertz works harder than anyone else at

these rehearsals nevertheless. He is not satisfied until the thing is as good as it can be. He is not satisfied with the resources which he is allowed to work with, and if he had his own way we would not only have one of the best orchestras in the world, but we would have the best orchestra in the world. I have often said that I would be more happy if I could serve under Mr. Hertz' musical direction for the rest of my life. I hope that he stays with us many years, but whether he is here or wherever he is or has anything to do with orchestras, there will be good music. (Applause.)

Supervisor Hayden: Mr. Chairman, I appreciate that the luncheon hour is getting along, and I will not delay except to ask, if I may, to hear from a member of the Board. First, however, I want to say that in my association with Mr. Hertz, representing the Board of Supervisors during a period of five seasons of concerts in which the city and the San Francisco Musical Association cooperated, I learned to know and appreciate Mr. Hertz, and have the greatest affection for him as a man and the highest regard for him as a musician. And today I am very proud that the city through these resolutions has expressed the sentiment of love and appreciation for the man who has done so much for San Francisco in giving to us of the very best that there is in music. And I want to say, members of the Board, that there is no city in America that has taken such steps forward as San Francisco in the way of bringing the best music to its people, and I think I can safely say, Mr. Hertz, that there is no conductor in America that will enjoy the honor that you have enjoyed today, of receiving a tribute such as this at the hands of a municipality, and I know of no other municipality in the United States that has played such an important part in the development of music, and I want to say, Mr. Mayor and members of this Board, that during my own experience my work in music has been a labor of love. I have had a training in music, and, while I never made a profession of it, it always has been an accomplishment that I have always enjoyed; I have always liked to be in the atmosphere of music, and in that atmosphere where we feel that we are away from worldly things and enjoying the highest forms of music. I want to say, too, Mr. Mayor, that when I was succeeded by Supervisor Franck Havenner, and after his experience of a year and a half, I am satisfied that the Board of Supervisors made no mistake in placing that gentleman in that position. He is a man of education and a man of cutlure and he took up the work where I left off and has improved on it, and I am proud to say that the Auditorium Committee and what they have done for music has certainly been a credit to the city and to the Board of Supervisors. (Applause.) I would now suggest, Mr. Mayor, with your permission, that you call on Mr. Havenner, as chairman of the Auditorium Committee, after which we will have the final number by the orchestra. (Applause.)

Supervisor Havenner: Mr. Mayor, during the past year and a half while I have served as chairman of the Auditorium Committee, it has been a privilege and a very real pleasure to be associated with Mr. Hertz, to come to know him personally and as a result of that personal acquaintance to form a very warm personal esteem and regard for him. Mr. Hertz has been the guide and mentor of the Auditorium Committee during my membership upon it in all matters musical. Without his assistance we would not have been able to carry on the work where it was left off by Mr. Hayden and our predecessors on that committee. I have learned to appreciate the wisdom of the qualities that they inaugurated of making the very best in music available to all the people of San Francisco and at a price which enables the largest crowds in America to attend our popular concerts. Mr. Hertz told me the other day that during a recent visit to New York professional promoters of music there had expressed some disgruntlement with San Francisco because of the fact that we are now selling the very best music out here at such low prices, but I want to say that I think that is one of the greatest blessings this city enjoys, and I think it is largely responsible for the prestige that San Francisco has attained as the musical center of the West. That prestige is due in large part to the genius and untiring efforts of Mr. Hertz, and I hope that San Francisco is going to be able to have the benefit of that genius and that untiring zeal for many years to come. (Applause.)

Supervisor Hayden: I believe one more Supervisor might be called upon, and that is Supervisor Colman. (Applause.)

The Mayor: Supervisor Colman.

Supervisor Colman: Mr. Mayor, I feel that we are highly honored at paying this tribute to Dr. Hertz. I think that in the giving of these concerts at the Auditorium he is responsible for a new interest that the people of San Francisco have taken in music, and he is responsible for a higher education in music than we have enjoyed, for he has brought music to us in its most beautiful forms. Our people have come to enjoy and understand music to a greater degree than ever before, and this is due in no small measure to Dr. Hertz.

Mr. Mayor, speaking of John Dempster McKee for just a brief moment, in addition to the fact that he is a dignified banker and a patron of music and the arts, I recall in my younger days and in his that conditions were somewhat different. He was then known as "Doc" McKee and used to play baseball at Golden Gate Park every Sunday with the original "Park Bums" and I played with him on many many occasions, and "Doc" McKee was a fine ball player, a splendid third baseman and a good hitter. It is really a gratifying thing to recall. Probably some of you did not know that; that there sits one of the originals of that famous institution that developed some splendid ball players, Mr. Mayor.

Now, Mr. Mayor, as to the orchestra and Mr. Hertz, I am a patron of the concerts and have been a regular one for many years. In that way, in addition to knowing Mr. Hertz, we get to know as well members of the Symphony Orchestra itself. Of the men of the orchestra who have come here today I know all of the faces, and while I do not know all of the names, I do know one who sits there, and I would like to have him stand up. That is Mr. Fenster.

(Mr. Fenster rises.) (Applause.)

The Mayor: I think, Mr. Colman, you would have done the right and proper thing by inviting every one of the members of the orchestra who are here today to stand up. (Applause.)

Supervisor Hayden: Mr. Mayor, for the record it may be well, perhaps, for Mr. Oesterreicher to state each name, so that it will go into the record.

Mr. Oesterreicher: Mr. L. Fenster. (Applause.) Mr. J. Koharich. (Applause.) Mr. R. Verney. (Applause.) Mr. W. Dehe. (Applause.)

The Mayor: I am sorry that Mr. John Dempster McKee did not say something about the War Memorial, which is before the people tomorrow, when we hope that the four million dollar bond issue will be passed by a two-thirds majority. If there ever was a proposition that should go over it is that War Memorial, which is in that block of land over there that has been given to us by the War Memorial Committee, one of the acting members of which is Mr. John Dempster McKee, and that block will be the site of a group of buildings that will be works of art. This has its place in the discussion today and in the tribute that we are paying to Dr. Hertz.

Now, Mr. Havenner, I don't know whether you think as I do, but I think the time is not far distant when the Auditorium itself is going to be too small. I am telling you that that building in some instances is crowded to overflowing, and when there is a dance given there there is hardly room to move around in the Auditorium. Just as a city grows it must have its larger buildings, just as the old Mechanics' Institute outwore itself and became too small for the city that was, just so is that Auditorium becoming too small for some of the events that we are asked to sponsor here in San Francisco at the present time. We are looking forward to the future, with this War Memorial proposition before us tomorrow, Mr. McKee, and Mr. Hertz, and everybody is enthusiastic about it and we hope it will go through.

Now, gentlemen of the orchestra, may I thank you in the name of the Board of Supervisors and of the people of San Francisco; you, Dr. Hertz; you, Mr. John Dempster McKee; Supervisors and everybody, for coming here today and for playing the parts in music that you are playing, and while we are presenting this memorial to Dr. Hertz, and I now pass it to Mr. Havenner so that it may be framed and sent to your home, Dr. Hertz. (Applause.)

Supervisor Hayden: I think, Mr. Mayor, that completes the program, and if there is no further business before us I move that we adjourn.

(Adjournment.)

RECESS.

Resolved, That the sum of $45,000 be and the same is hereby set aside, appropriated and authorized to be expended out of "Publicity and Advertising," Appropriation 55, for the further construction of runways and hangars at the Municipal Airport.

Referred to Finance Committee.

Appropriation, $1,800, Reception to Midshipmen and Officers, U. S. Navy.

Supervisor Hayden presented:

Resolution No. ——— (New Series), as follows:

Resolved, That the sum of $1,800 be and the same is hereby set aside, appropriated and authorized to be expended out of "Publicity and Advertising," Appropriation 55, for expense of reception to visiting midshipmen and officers of the United States Navy.

Referred to Committee of Publicity and Public Welfare.

Appropriation, $10,000, to Advertise San Francisco's Municipal Airport.

Supervisor Kent presented:

Resolution No. ——— (New Series), as follows:

Whereas, the City and County of San Francisco, in keeping abreast with progress, has established a Municipal Airport for the use of commercial and private aviation; and

Whereas, there is appropriated each year certain sums of money to be used for advertising, exploiting and making known the resources of the City and County of San Francisco; and

Whereas, in the opinion of the Board of Supervisors, by no better

means can a knowledge of the development of aviation in and about the City and County of San Francisco be so thoroughly broadcast to all the people of the United States than by the advertising derived in the exploitation of aviation; and

Whereas, a quicker means of communication by mail and passenger service between the Hawaiian Islands and the mainland should be encouraged through aviation; be it

Resolved, That in carrying out this expressed purpose, there is hereby set aside and appropriated from the Pulicity and Advertising Fund the sum of ten thousand dollars, the said sum to be expended under the direction of the Airport Committee of the Board of Supervisors.

Referred to Publicity and Public Welfare Committee.

Board of Education, Special Tax.

Supervisor Havenner: There have been several statements published in the press recently to the effect that the Board of Education intends, for the first time in the history of this City, to exercise the right that the City Attorney says it has under the State law to levy a special tax in the tax rate to be fixed in September for school construction purposes. At the time the budget was under discussion here I stated on the floor that it was my intention to ask for conferences between representatives of the Board of Supervisors and the Board of Education for the purpose of determining some permanent municipal policy for the construction of schools, and that is what the president of the Board of Education has been asking for to be submitted to the voters at the coming election. I am of the opinion that if the Board of Education at San Francisco attempts to exercise the power of levying a tax, the people of San Francisco will insist upon a change in the method of formation of the present Board of Education. I don't believe that the people of San Francisco will permit any board, which is not directly elected by them, to exercise the power of taxation, so at this time, prior to going away, I wish to ask for the sanction of the Board for the Finance Committee to confer with the Board of Education and with the Mayor with respect, not only to the consideration of some permanent policy of taxation for school building purposes, but also with respect to the question of disposing of some of the school lands which was discussed during the time of the budget hearing, and I would like to move at this time that the Finance Committee be authorized with the Mayor to undertake these negotiations.

So ordered.

ADJOURNMENT.

There being no further business, the Board at 6:15 p. m. adjourned.

J. S. DUNNIGAN,
Clerk.

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

MONDAY, JUNE 20, 1927, 10 A. M.

In Board of Supervisors, San Francisco, Monday, June 20, 1927, 10 a. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Badaracco, Byington, Colman, Gallagher, Hayden, Kent, Powers, Roncovieri, Shannon, Stanton—10.

Absent—Supervisors Bath, Deasy, Harrelson, Havenner, Marks, McSheehy, Schmidt, Todd—8.

Quorum present.

His Honor Acting Mayor Shannon presiding.

APPROVAL OF JOURNAL.

The Journal of Proceedings of the meeting of February 7, 1927, was considered read and approved.

ROLL CALL FOR PETITIOINS FROM MEMBERS.

Supervisor Milton Marks Excused.

The following was presented and read:

June 21, 1927.

Mr. John S. Dunnigan, Clerk of the Board of Supervisors, City Hall, San Francisco, California.

Dear Mr. Dunnigan:

I am leaving for Long Beach this coming Friday and will not be in San Francisco on Monday, June 27.

Please be good enough to have me excused from the meeting of the Board of Supervisors on that date.

Sincerely yours,

MILTON MARKS.

So ordered.

Relative to Negotiation for an Additional Water Aqueduct Down the Peninsula.

The following was read by the Clerk:

June 20, 1927.

Honorable Board of Supervisors, City Hall, San Francisco, Calif.

Dear Sirs:

On the 15th instant a letter was addressed to Mr. O'Toole from City Engineer M. M. O'Shaughnessy, an excerpt of which reads as follows:

"The daily consumption of water in San Francisco by the Spring Valley Water Company has climbed up to 51,752,231 gallons, fully up to the capacity of the transmission mains from San Mateo into San Francisco.

"As I stated to you several times, it is imperative that a new transmission line be built from San Andreas to Laguna Honda. Under the very best construction conditions this will take about 15 months to complete and I would therefore urge you to use the full facilities of your office to expedite the undertaking of this work immediately by the Spring Valley Water Company, after satisfactory arrangements are made for approval by the Railroad Commission. The Board of Supervisors will also have to cooperate by approval of this measure."

Since receipt of Mr. O'Shaughnessy's letter a conference was held with representatives of the Spring Valley Water Company, who emphasized the necessity for the new pipeline and from the facts submitted it is apparent that there is great and immediate need for the construction of the proposed line.

There is in existence an agreement between the Spring Valley Water Company and the City which has been approved by the Railroad Commission and it may be that you will determine that a modification of this agreement should be made. In that event the modification of the agreement would be submitted to the Railroad Commission for approval.

Your attention is further respectfully directed to the fact that on August 3rd the petition filed by this office for a reduction of the rates charged by the Spring Valley Water Company is set for hearing before the Railroad Commission, and if any action is contemplated by you it should be taken and concluded prior to that date, as your action may have a bearing on the rate case.

I recommend that negotiations be entered into by you with the Spring Valley Water Company with the

idea of working out a feasible plan for the construction of the necessary aqueduct.

Yours respectfully,
(Sgd) DION R. HOLM,
Chief Deputy City Attorney.

Referred to Public Utilities Committee.

San Francisco War Memorial Bonds.

San Francisco, June 17, 1927.

Honorable James Rolph, Jr., Mayor of San Francisco, and the Honorable Board of Supervisors.

Sirs:

The Trustees of the War Memorial express their deepest appreciation of your fine efforts in behalf of the War Memorial bonds. It was our responsibility to present the facts to you, and to leave with you, as the representatives of the people, the question of voting bonds for the project. Envisioning the great cultural and material benefits that the Memorial buildings will bring to the community, you approved the plan wholeheartedly, and the substantial vote in favor of it has proved your wisdom in giving to the people the opportunity to vote for the bonds.

Very truly yours,
Trustees, San Francisco War Memorial.

Resolution No. ——— (New Series), as follows:

Resolved, That the sum of $42,508.21 be and is hereby ordered transferred from the Twin Peaks Ridge Tunnel Assessment Fund to the Municipal Railway Fund and the Board of Public Works, Tax Collector, Auditor and Treasurer are hereby directed to make such entries in their official records and books of account as will correctly show such transfer; said transfer is for the purpose of reimbursing said Municipal Railway Fund for moneys advanced therefrom and used in the construction of the Twin Peaks Tunnel project.

Referred.

The following matter was presented and *referred to the Streets Committee*:

Spur Track Permit, Santa Fe.

Bill No. —— Ordinance No. —— (New Series), as follows:

Granting permission, revocable at will of the Board of Supervisors, to The Atchison, Topeka and Santa Fe Railway Company to construct, maintain and operate a spur track across Illinois and Michigan streets in and along Twenty-third street and a short spur crossing a portion of Twenty-third street.

Cars for Judah Street Car Line.

Supervisor Gallagher raised the question as to what was being done with the request of the Board of Public Works for authority to purchase fifteen additional street cars for the Judah street line.

Supervisor Shannon, chairman of the Public Utilities Committee, stated that the question of the request from the Board of Public Works for authorization to purchase fifteen additional street cars on the option upon which fifteen cars have just been completed, had at the last meeting of the committee been continued for thirty days.

Supervisor Gallagher thereupon urged that it is important that these cars be ordered now so that they will be ready for use at the time when the Judah street car line is completed, which will be in October or November next, and moved that the resolution be called out of committee for hearing before the Board.

Privilege of the Floor

Assistant City Engineer Eckert, stated that some of the cars recently completed might be used on the Judah street car line and that if ten additional cars were ordered now, that would be sufficient to give a four-minute headway on Judah street during the peak hours, and that there should be a four-minute headway.

Mr. Adolph Uhl read a statement in which he advocated the granting of permission to the Market Street Railway Company to operate its cars through the Duboce Tunnel, thereby avoiding a duplication of service, as he stated.

Mr. Vandeleur, president of the Carmen's Union, urged the ordering of the cars, as he thought this would preclude the granting of permission to run through the Duboce Tunnel to the Market Street Railway Company. He stated that there is now $285,000 in the Old Depreciation Fund of the Municipal Railway and that the cars can be purchased and still have enough money left to complete the Duboce Tunnel and the car line.

Mr. Eckert stated that when the $500,000 which was appropriated several years ago for the construction of the Judah street car line has been exhausted, there will still be required about $70,000 to complete the line. That the ten additional cars would cost approximately $190,000.

Motion Lost.

Whereupon, the roll being called on the adoption of the resolution, the same was *lost* by the following vote:

Ayes—Supervisors Byington, Colman, Gallagher, Hayden, Powers, Roncovieri, Stanton—7.

Noes—Supervisors Badaracco, Kent, Shannon—3.

Absent—Supervisors Bath, Deasy, Harrelson, Havenner, Marks, McSheehy, Schmidt, Todd—8.

The matter was thereupon ordered to remain on the calendar until the next meeting, at which time the Public Utilities Committee has promised to bring in a report in regard to the matter.

Klamath Falls to San Francisco Highway.

Assemblyman J. J. Murphy from Del Norte, appeared before the Board on behalf of a new highway which it is proposed to construct from Klamath Falls to San Francisco.

On request of the Board he will file his request with the Board in writing.

Bridge Application Filed.

The Construction Company of North America filed another application for franchise to construct a bridge across San Francisco Bay, extending from Rincon Hill to the Alameda Mole.

Accepting Offer of Boeing Air Transport.

Supervisor Kent presented:

Resolution No. 27445 (New Series), as follows:

Resolved, That the City and County of San Francisco accept the offer of Boeing Air Transport, Inc., a corporation duly organized and existing under and by virtue of the laws of the State of Washington for approximately 9000 square feet of floor or hangar space in a hangar or hangars to be constructed by the City and County of San Francisco at its Airport, near Millbrae in San Mateo County, together with a reasonable amount of office space in a suitable building to be erected at said Airport by the City and County; that the rental for said floor space and said office space shall be seventy-five ($75.00) dollars per month, and the term of the said lease shall be from the 16th day of June, 1927, to and including the 14th day of March, 1930; with an option of one year and three months additional at the same rental, provided the City renews its present lease with the owners of the property on which said Airport is maintained and provided further, that said lease shall be thereafter renewed upon terms and conditions mutually agreeable to the said City and County of San Francisco and Boeing Air Transport Inc., for a longer period of time thereafter providing said City and County continues in possession of said property. That the lessee shall abide by all regulations which may be enacted by the City and County relative to the use of said Airport, and shall pay for all light and water used in said hangar or adjacent thereto, with the exception of field or flood lights; and said lessee shall hold the City free and harmless from any and all claims for damage occasioned by any act of the lessee, said lessee to insure its employees under the Workmen's Compensation laws of this State, and that the first and last month's rental due under said lease shall be payable in advance at the time of the execution of said lease; it being understood that the lessee shall have the exclusive possession of said 9000 feet of floor space; said lease shall provide for cancellation in certain events; and be it

Further Resolved, That the City Attorney be and he is hereby directed to prepare and approve a lease with said Boeing Air Transport Inc., in conformity with the terms of this resolution; and be it

Further Resolved, That the Mayor or acting Mayor of the City and County of San Francisco and the Clerk of the Board of Supervisors of the City and County of San Francisco be and they are hereby directed to affix their signatures to said lease for and on behalf of the City and County of San Francisco; and be it

Further Resolved, That Resolution No. 26983 (New Series), in so far as it conflicts herewith is hereby rescinded.

BOARD OF SUPERVISORS

MONDAY, JUNE 27, 1927, 10 A. M.

In Board of Supervisors, San Francisco, Monday, June 27, 1927, 10 a. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Badaracco, Colman, Gallagher, Kent, Powers, Schmidt, Shannon, Stanton, Todd—9.

Absent—Supervisors Bath, Byington, Deasy, Harrelson, Havenner, Hayden, Marks, McSheehy, Roncovieri—9.

No quorum.

City Attorney and City Engineer to Secure Competent Telephone Experts to Assist in Telephone Rate Hearings.

The following resolution was presented by Acting Mayor Shannon for consideration at next meeting of the Board:

Resolution No. ——— (New Series), as follows:

Whereas, the Pacific Telephone and Telegraph Company has introduced voluminous exhibits before the Railroad Commission of the State of California in support of its application for readjustment of rates and tolls for telephone service in this and adjacent counties; and

Whereas, the said The Pacific Telephone and Telegraph Company has spent a large sum of money for the gathering together of data necessary for the compilation of the said exhibits and have in their employ an expert corps of engineers; and

Whereas, City Attorney John J. O'Toole and City Engineer M. M. O'Shaughnessy are at present in the eastern part of the United States, representing the City and County of San Francisco for the purpose of obtaining permission from the War Department to construct a bridge across the Bay of San Francisco; and

Whereas, the application of The Pacific Telephone and Telegraph Company in its application for readjustment of rates and tolls, if granted, will impose an added and unjust burden on all the residents of the City and County of San Francisco who are telephone subscribers, and there exists the necessity for obtaining expert engineering advice for the preparation of a defense to the application of The Pacific Telephone and Telegraph Company; now, therefore, be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, that the Acting City Attorney communicate with City Attorney John J. O'Toole and City Engineer M. M. O'Shaughnessy by telegram authorizing and instructing them to interview in any State of the United States engineers who are technically trained in telephone work and not affiliated with The American Telephone and Telegraph Company, The Pacific Telephone and Telegraph Company or any of their subsidiary corporations, with a view to pass upon the engineers' qualifications, associations and expected fees for aiding the City and County of San Francisco and adjacent counties in preparation for resisting the application of The Pacific Telephone and Telegraph Company.

ADJOURNMENT.

Whereupon, there being no quorum, the Board of Supervisors adjourned.

J. S. DUNNIGAN,
Clerk.

Report of the Advisory Committee to the Board of Equalization.

The following was presented, read and *ordered spread in the Journal and copies sent to members of the Board*:

To the Honorable the Board of Supervisors, City and County of San Francisco.

Gentlemen:

Herewith I have the pleasure of transmitting to you the report of James G. Stafford, covering the work of appraisal of the taxable land within the City and County, made pursuant to your direction and under the supervision of Mr. Stafford.

Very respectfully,

THE ADVISORY COMMITTEE TO THE BOARD OF EQUALIZATION,
B. A. BANKER,
Chairman.
H. A. MASON,
Secretary.

To the Advisory Committee, the Board of Equalization.

Gentlemen:

Herewith is the substance matter

of the report of the results of the revaluation of land of the City and County of San Francisco, which it has been my privilege to supervise as the Superintendent of the Bureau of Appraisal, which you created under the authority granted you by the Board of Supervisors in Resolution No. 25878, dated June 29, 1926, text of which is as follows:

"Whereas, for the purpose of making a scientific appraisal of the taxable real property of the City and County in order that the Board of Supervisors may perform the duties imposed by law upon said Board as a board of equalization, it is essential to create an advisory committee, including experts in valuation matters;

"Resolved, That the following persons are hereby designated as such committee: Andrew J. Gallagher, Paul Scharrenberg, Philip Paschel, B. A. Banker, M. H. Gates, Henry Boyen and Paul A. Sinsheimer, the same to act in conjunction with the Finance Committee of this Board and with the Assessor, the entire number to constitute the Advisory Committee of the Board of Equalization; and be it

"Further Resolved, That said committee be empowered to hold public hearings for the purpose of ascertaining the true values of real property subject to taxation and to report the result of its investigation to the Assessor and to the Board of Equalization on or before July 1, 1927."

(Adopted by the Board of Supervisors June 28, 1926.)

Resolution No. 25897, dated July 6, 1926, text of which is as follows:

"Authorizing for the purpose of appraising all taxable real property subject to assessment within the City and County of San Francisco, to the end that said assessment of said property for the fiscal year 1927-1928 and for subsequent years may be equalized and the same may conform to the true value of said property and that the Board of Supervisors, sitting as a Board of Equalization, may be fully advised as to the true value of said property, the Finance Committee of this Board to employ a superintendent and such other experts and assistants and to purchase such supplies as may be necessary to carry out the purpose herein expressed, the cost of the same to be paid from Budget Item No. 62, 1926-1927."

(Adopted by the Board of Supervisors July 6, 1926.)

Reports have been rendered you in verbal form from time to time during the course of the appraisal work up to and including the final meeting of your committee held at the Palace Hotel Wednesday, June 22, 1927.

The appraised land value totals $891,736,210. This is compared with the assessed valuation of real estate in the 1926-1927 tax assessment roll of $338,373,870.

The record of this appraisal in detail is contained in forty-four bound volumes of summary sheets in typewritten form, one for each block area of the City and County of San Francisco, the volume numbers and the block numbers included in each volume coinciding with the arrangement of the tax assessment roll of 1927.

In the background of the typewritten summaries are computation records consisting, first, of the unit land value maps of the entire area of the City and County of San Francisco, showing the appraised street frontage values as finally established by the members of the staff of the Bureau of Appraisal in conference with property owners' committees throughout the City, and the individual lot computation slips filed in envelopes bearing the block numbers for each block area in the City according to the numerical designations of the Assessor's map and the block books of the City and County of San Francisco, showing the ownership records, lot numbers and resubdivisions of lots as per the Block Book Record of March 1, 1926.

It has not been practicable or possible to make the computation record or the typewritten summary by blocks coincide with the Block Books showing the ownership on record March 7, 1927, as these Block Books have not been revised or issued by the Assessor's office or the City Engineer at the time this report is written.

The land values established and upon which all the computation records are based are the result of numerous conferences with representative property owners, real estate men, bank appraisers and others familiar with local conditions and values. In the opinion of your superintendent these land values reflect as nearly as possible a consensus of opinion of a great number of informed citizens and are considered reliable and reasonable.

No effort has been made to follow the speculative trend of values in various parts of the City. On the contrary there has been a definite effort made on the part of the members of the Bureau staff to discount such speculative transactions so as to avoid the placing of values on

street frontages at a higher level than was justified in the light of the actual and present-day condition in the real estate market.

It is estimated from our committee records and the records of the neighborhood meetings held in various parts of the City to discuss our land values with property owners themselves, that we have had more than 12,000 individuals cooperate in the establishment of these street frontage values.

It has been a real privilege to have been selected as Superintendent of the Bureau of Appraisal, to have worked with the members of the Advisory Committee to the Board of Equalization during the last year. Your whole-hearted support and warm cooperation has made possible carrying this community-wide work forward to a successful conclusion, and have it become recognized as of real utility to the City as a whole, and to the several departments of the City government.

The very practical and friendly support and cooperation of the Finance Committee of the Board of Supervisors, whose members form a part of the Advisory Committee to the Board of Equalization, is also acknowledged and has been greatly appreciated, as is also the cooperation of the City Auditor, City Engineer and the Civil Service Commission.

Acknowledgment must also be made of the essential help rendered the Bureau of Appraisal by the press of San Francisco. This statement includes all of the daily newspapers, weekly neighborhood publications and the more formally printed bulletins of various organizations, which without exception have made lavish use of their columns in informing the public of the appraisal undertaking and procedure being followed, and in the printing of preliminary land value maps, reports and the announcements of various committee neighborhood meetings.

There have been numerous outstanding public-spirited citizens and business men of San Francisco who cooperated in and assisted with the preliminary work that preceded the establishment of the final unit foot values, and it would gratify your superintendent to name them individually, but the number who have shown this spirit of community cooperation is so great that it precludes an individual acknowledgment.

Members of the bureau staff whose whole-hearted service has been given to the City in making this appraisal a success, and without whom your superintendent could not have fulfilled the requirements of the resolution passed by the Board of Supervisors, merit a word of commendation and of acknowledgment and appreciation that the naming of them in this report carries with it.

The following: W. York Eves, C. A. Marsh, U. S. Ackles, Arthur M. Johnson, H. E. Trumbo, H. L. Howe, C. L. Mattfield, P. J. Duffy, D. S. Carrothers, Marguerite O'Hearn, J. R. McKay, W. J. O'Keeffe and H. A. Mason, in their various capacities, have contributed so largely to the success of this appraisal undertaking.

Supporting this executive staff has been a loyal office organization of clerks, computers and stenographers, who have worked assiduously in the compilation of the details of the appraisal record from 8 a. m. to 5 p. m. during the several months of the appraisal period.

There are, undoubtedly, some parts of the appraisal record that will need more attention, and possible revision, before the appraisal record is used for the tax assessment of 1928.

This will be due to changing local conditions as well as to the possibility that there may be a need for adjusting the values in one or two district in the more remote parts of the City to conform in relativity with the values set up in the central and more developed areas. It is expected that arrangements to be made with your committee and the Board of Supervisors for completing this appraisal by a revaluation of buildings in the next fiscal year will also provide that such a revision of land values can be made to bring the entire record up to date as of March 5, 1928, making the whole available for the next tax assessment.

A copy of the summary is ready for delivery to the Assessor at the pleasure of your committee and the Board of Supervisors. Up to date the Assessor has received all preliminary land value maps, excepting the small portion in the tide land area along the southeast line of the City, blue prints of which have not been made. He is fairly well informed at present concerning the basic street frontage values upon which the individual lot computations have been made. It is entirely probable that he will want the privilege of checking over the individual lot values as set forth upon the typewritten summary sheets, and it has been in anticipation of his wish to do this that these summary sheets have been prepared in the bound

volume form coinciding with his present tax assessment roll volume numbers.

In compliance with the terms of my contract with your committee and the Finance Committee, at the request of the Assessor and the Civil Service Commission, deputies from the City Assessor's office have been instructed in the procedure of land value appraisal and in the application of the rules and methods of computation of individual lot values, which have been followed in making this appraisal.

Respectfully submitted,

JAMES G. STAFFORD,

Superintendent the Bureau of Appraisal.

Congratulations, San Francisco-Hawaii Flight.

Supervisor Shannon presented:

Resolution No. 27447 (New Series), as follows:

Whereas, a short time ago the whole world was startled and thrilled by the daring non-stop flight of Colonel Charles A. Lindbergh across the Atlantic from New York to Paris, the first event of its kind in the history of mankind, signaling man's triumph over the dangers of air and sea; and

Whereas, a few days ago two intrepid officers of the United States Army Air Corps, Lieutenants Lester J. Maitland and Albert Hegenberger, were successful in their non-stop flight from San Francisco Bay to Honolulu, the longest sea flight in history, covering the entire distance of over 2,400 miles in less than 26 hours; and

Whereas, this outstanding event annihilates time and space, bringing the Hawaiian Islands within one days' journey of the mainland of the United States and is an epoch in aviation, marking as it does the first step in an inevitable program of air mastery by America on the Pacific Ocean which is destined to be the great waterway of the future; therefore, be it

Resolved, That his Honor the Mayor be and he is hereby authorized to appoint a citizens' committee to arrange for the reception and entertainment upon their return to San Francisco of these two brave army officers, Lieutenants Maitland and Hegenberger, who, by their courage, fortitude and endurance have brought lasting credit to themselves and glory to the country which they so ably and courageously represent.

Municipal Railway Bonds to Be Submitted at General Election.

Supervisor Shannon presented:

Resolution No. 27449 (New Series), as follows:

Whereas, at the bond election held June 14, 1927, approximately 44,000 citizens of San Francisco voted in favor of the Municipal Railway bonds, and approximately 25,000 citizens voted against said bonds; and

Whereas, it is imperative to the well-being and the future development of San Francisco that these extensions be made; and

Whereas, it is apparent that an overwhelming majority of our citizens are heartily in favor of them;

Be it therefore Resolved, That the Board of Supervisors of the City and County of San Francisco does hereby declare that it will take the necessary steps to submit a bond proposal to the voters of this City at the general election to be held in November, 1927, to provide funds for these necessary additions to our Municipal Railway system; and be it

Further Resolved, That the Board of Supervisors of the City and County of San Francisco does hereby request the City Engineer to submit to this Board a report with his recommendation covering the necessary extensions to our Municipal Railway system.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Byington, Colman, Gallagher, Kent, Powers, Schmidt, Shannon, Stanton, Todd—10.

Agreement for Discontinuance of Montgomery Street Cars.

Supervisor Kent presented:

Resolution No. 27459 (New Series), as follows:

Whereas, Montgomery street, in the City and County of San Francisco, is in the financial center of the City and is one of the narrow streets thereof, and the traffic congestion thereon is so great as that the property owners on both sides of Montgomery street deem it for the best interests of the district

and of the people having business therein to relieve the congestion by the withdrawal of car service and the removal of the car tracks and turnouts and overhead wire construction; and

Whereas, Market Street Railway Company is willing to cooperate with the City and the citizens having business in Montgomery street, and will consent to the abandonment of its street car service along Montgomery street from the north side of Post street to the south side of Washington street upon the agreements and understandings set forth in the following agreement:

Memorandum of agreement made and entered into by and between North Central Improvement Association, a voluntary organization of the City and County of San Francisco, State of California, the party of the first part, hereinafter called Improvement Association, and Market Street Railway Company, a corporation organized and existing under and by virtue of the laws of the State of California, the party of the second part, hereinafter called Railway Company, and the City and County of San Francisco, a municipal corporation, the party of the third part, hereinafter called City, witnesseth:

Whereas, Railway Company is operating and maintaining a single-track railway, with turnouts and overhead wire construction along, upon and over Montgomery street from the north side of Post street to the south side of Washington street, in the City and County of San Francisco, State of California; and

Whereas, Montgomery street is in the financial center of the City and County of San Francisco and is one of the narrow streets of said City, and the traffic congestion in said street is so great as that the property owners and proprietors of business houses along said street deem it for the best interests of the district and of the people having business thereon to relieve the congestion by the withdrawal of car service and the removal of the car tracks and turnouts and overhead wire construction; and

Whereas, Railway Company is willing to cooperate with the property owners and business men conducting their places of business on said street and consents to their request for the abandonment of said railway tracks and said overhead construction, provided City will consent to said abandonment and cessation of operation of the cars of said Railway Company over said tracks under the franchise heretofore granted Railway Company by City without in any wise jeopardizing or forfeiting its rights granted under said franchise, except as it affects that portion of the route along, over and upon Montgomery street from the north side of Post street to the south side of Washington street, as aforesaid.

Now, therefore, for and in consideration of the agreements and covenants herein contained, it is agreed between the parties hereto as follows:

1. Railway Company agrees to discontinue service on its street railway line along Montgomery street from the north side of Post street to the south side of Washington street, and consents to the removal by City of the car tracks and turnouts now laid on said street, together with the overhead wire construction now in place over said street.

2. Improvement Association agrees, upon the signing and delivering of this agreement, to pay to Railway Company for the abandonment of said street car service and the removal by City of said car tracks and overhead wire construction on Montgomery street from the north side of Post street to the south side of Washington street, as herein provided, the sum of eighteen thousand dollars ($18,000).

3. City hereby consents to the abandonment of street car service by Railway Company on Montgomery street from the north side of Post street to the south side of Washington street, and further agrees, at its own expense, to remove the car tracks and overhead wire construction now on said Montgomery street between said two streets, and deliver the same to Railway Company on the street at place of removal. City further agrees, at its own expense, to repave the street formerly occupied by said tracks and between said tracks and for two feet on each side thereof; said consent and agreement to be ratified by the Board of Supervisors of City and evidenced by a resolution duly and regularly passed and adopted by said Board.

4. Immediately upon receipt of a copy of resolution passed and adopted by the Board of Supervisors of City as aforesaid, and certified to by the Clerk of said Board, and the sum of eighteen thousand dollars ($18,000) from said Improvement Association, as afore-

said, Railway Company will cease operating its said cars over said Montgomery street from the north side of Post street to the south side of Washington street, and City will remove said tracks and overhead wire construction and deliver same to Railway Company as herein provided.

In witness whereof, the parties hereto have by resolution of their proper officers thereunto duly authorized set their hands and seals this 29th day of April, 1927.

Attest:
.....
Clerk of Board of Supervisors.

And, Whereas, it is deemed for the best interests of the City that the said street car service on Montgomery street be abandoned and the tracks and overhead wire construction be removed from the street;

Resolved, That the abandonment by Market Street Railway Company of the street car service on Montgomery street from the north side of Post street to the south side of Washington street be consented to, and the surrender of that portion of the franchise under Order No. 1532, approved November 28, 1879, now owned and held by Market Street Railway Company and under which Market Street Railway Company is maintaining said tracks and operating said railroad is hereby approved and consented to without prejudice to any of the other rights now owned and held by said Market Street Railroad Company under said order.

Resolved, Further, That the City and County of San Francisco enter into the agreement between North Central Improvement Association, Market Street Railway Company and the City and County of San Francisco hereinabove set forth.

Telephone Experts.

Supervisor Shannon presented:

Resolution No. 27467 (New Series), as follows:

Whereas, The Pacific Telephone and Telegraph Company has introduced voluminous exhibits before the Railroad Commission of the State of California in support of its application for readjustment of rates and tolls for telephone service in this and adjacent counties; and

Whereas, the said The Pacific Telephone and Telegraph Company has spent a large sum of money for the gathering together of data necessary for the compilation of the said exhibits and have in their employ an expert corps of engineers; and

Whereas, City Attorney John J. O'Toole and City Engineer M. M. O'Shaughnessy are at present in the eastern part of the United States representing the City and County of San Francisco for the purpose of obtaining permission from the War Department to construct a bridge across the Bay of San Francisco; and

Whereas, the application of The Pacific Telephone and Telegraph Company in its application for readjustment of rates and tolls if granted will impose an added and unjust burden on all the residents of the City and County of San Francisco who are telephone subscribers, and there exists the necessity for obtaining expert engineering advice for the preparation of a defense to the application of The Pacific Telephone and Telegraph Company; now, therefore, be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, that the Acting City Attorney communicate with City Attorney John J. O'Toole and City Engineer M. M. O'Shaughnessy by telegram authorizing and instructing them to interview in any State of the United States engineers who are technically trained in telephone work and not affiliated with the American Telephone and Telegraph Company, The Pacific Telephone and Telegraph Company or any of their subsidiary corporations, with a view to pass upon the engineers' qualifications, associations and expected fees for aiding the City and County of San Francisco and adjacent counties in preparation for resisting the application of The Pacific Telephone and Telegraph Company.

Estimated total non-operative or taxable roll 1927, to date, $772,-022.877.

*Estimated July personal property assessments appearing on supplemental roll, to be collected, $6,000,000.

Estimate of final roll, $778,-022,877.

Total non-operative roll, 1926, $756,628,917.

Estimated increase of the taxable roll, $21,393,960.

Total operative roll, personal property, $221,037,567.

Total operative roll, real estate, $19,977,310.

Total, $241,014,877.

*The estimated July personal property assessments as above mentioned are obtained entirely by the efforts of the Assessor's office. This amount, which is collected under Section 3821, Political Code, will not be definite until some time in August. Last year this additional assessment amounted to $5,754,362. The indications are that the above estimated amount is as near correct as possible at the present time.

I have endeavored to fulfill my public duties to the citizens of San Francisco with the utmost exertion of all the facilities at my command. This has produced the largest assessment roll in the history of the City.

The increase of this year's assessment roll will enable the tax rate to be materially lowered.

Respectfully submitted,

RUSSELL L. WOLDEN,
Assessor.

Arbitrary List.

The following was *ordered entered in the Journal*:

July 1, 1927.

Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

Please find attached hereto a list of taxpayers who have neglected to make a returned of their taxable property, together with the amounts assessed against each for this class of property.

This assessment is made under the provisions of Section 3633 of the Political Code and does not represent the real estate holdings of these parties, or their investments in business; this property being separately assessed by this office. These arbitrary assessments include personal property only, and are made to include principally money in commercial banks and stocks and bonds of corporations organized outside of this State, together with solvent credits, and are in addition to any assessment levied against real estate owned by these parties.

Respectfully submitted,

RUSSELL L. WOLDEN,
Assessor.

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

MONDAY, JULY 11, 1927, 10 A. M.

In Board of Supervisors, San Francisco, Monday, July 11, 1927, 10 a. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—17.

Absent—Supervisor Bath—1.

Quorum present.

His Honor Mayor Rolph presiding.

APPROVAL OF JOURNAL.

The Journal of Proceedings of the previous meeting was laid over for approval until next meeting.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Santa Cruz-San Francisco Scenic Highway District.

The following was presented and read by the Clerk:

Communication, from G. H. Rostron, chairman of the Santa Cruz County Board of Supervisors, congratulating the Board of Supervisors on its action of July 5th in deciding to enter into the formation of a highway district for the construction of a new highway between San Francisco and Santa Cruz counties along the ocean shore.

Referred to Streets Committee.

Peninsula Development Conference.

The following was presented and read by the Clerk:

Communication, from Elizabeth M. Kneese, Clerk of the Board of Supervisors of San Mateo County, inviting attendance at a conference to be held at a date to be fixed wherein the Supervisors of San Mateo County and representatives of the City and County of San Francisco may confer in the matter of peninsula development and traffic conditions and its regulation.

Referred to Streets Committee.

Reception to H. M. S. "Colombo."

The following was presented and read by the Clerk:

Communication, from his Honor Mayor Rolph, transmitting correspondence from his Excellency Governor C. C. Young, Secretary of State Frank B. Kellogg and Esmey Howard, British Ambassador, relative to the proposed visit to this Coast of H. M. S. "Colombo" and requesting that the usual courtesies and facilities be extended to the visiting vessel and its officers and crew.

On motion duly made and carried his Honor the Mayor was authorized to appoint a suitable citizens' committee to arrange for the reception.

Salinas Rodeo.

The following was presented and read by the Clerk:

Communication, from J. A. Bardin, chairman of the California Rodeo at Salinas, which will be held on July 20-24, 1927, requesting that Salinas be honored with the presence of a delegation from the San Francisco Board of Supervisors at this year's celebration as it has in the past.

Referred to Public Welfare Committee with authority to act.

San Leandro Endorses San Francisco Bay Bridge.

The following was presented and read by the Clerk:

Communication, from Edgar M. Hayes, secretary-manager San Leandro Chamber of Commerce, transmitting resolutions of said chamber endorsing the construction of the proposed San Francisco Bay Bridge at a location to be determined by the federal authorities.

Ordered *filed.*

Northern California Highway Conference.

The following was presented and read by the Clerk:

Communication, from C. C. Cottrell, manager Highway Bureau, California State Automobile Association, inviting attendance at a conference to be held at the court-

house at Sacramento at 1:30 p. m., July 20th, with reference to financing the construction of what is deemed an important highway in Northern California between Weed and Klamath Falls, Oregon.

Referred to Streets Committee.

Lighting Committee to Report on Maintenance of Private Lighting System.

The following resolution was introduced by Supervisor Gallagher and *referred to the Lighting Committee*:

Resolution No. ——— (New Series), as follows:

Whereas, this Board of Supervisors has declared as its policy the submission to the people with a request for favorable action thereon the question of municipal distribution of power; and

Whereas, attendant thereto is the question of the proper lighting of the City's buildings and streets; and

Whereas, from time to time the citizens individually or by association subscribe their funds for particular kinds of lighting in their neighborhood; and

Whereas, after a period of time said citizens relinquish their property rights in said lights and standards and they are, with the permission of the City and County taken over by the Pacific Gas and Electric Company; and

Whereas, the continuation of this policy places in the hands of the said company thousands of lights and standards which could as well be the property of the City and County; therefore, be it

Resolved, That the Committee on Lighting, Water and Telephone Service and Electrictiy be requested to make a report to the Board on the subject matter of taking over these lights when offered and maintain same until such time as the question of municipal ownership and distribution of power is settled by the people.

Honorary Citizens Made.

The Board, by unanimous vote, made Lieutenants Lester J. Maitland and Albert J. Hegenberger, San Francisco to Honolulu fiers, honorary citizens of San Francisco. Supervisor Kent arranged for the official reception of the fiers when they reached the City by steamship on Tuesday.

Hetch Hetchy Visit.

Supervisor Shannon announced that the Supervisors would leave San Francisco on Wednesday, July 13, for their annual inspection tour at Hetch Hetchy. Mayor Rolph and a number of Supervisors were granted leaves of absence from the State so that they might return from the Hetch Hetchy to San Francisco by way of Reno, Nevada, where they will attend the exposition being held there.

Islais Creek Commissioners.

Supervisor Gallagher requested two weeks extension of time for bringing in the committee's recommendations for commissioners who will take charge of mapping out the assessments for the Islais Creek Reclamation District. Supervisor McSheehy supported the request and it was *so ordered.*

Appropriation, $50,000, City Attorney's Defense Fund, Telephone Rates Litigation.

Supervisor Shannon presented:

Resolution No. ——— (New Series), as follows:

Whereas, the Pacific Telephone and Telegraph Company have applied to the Railroad Commission of the State of California for an increase in the rates charged for telephone service in the City and County of San Francisco and in adjoining counties; and

Whereas, if the exorbitant rates asked for by said Pacific Telephone and Telegraph Company for said telephone service are granted the same will be an unfair and unjust burden on the people of the City and County of San Francisco, amounting to many millions of dollars each year: and

Whereas, it would be for the best interest and benefit of all the people of the City and County of San Francisco that a vigorous opposition be made before the Railroad Commission of the State of California to the granting of the increase in rates applied for by said Pacific Telephone and Telegraph Company; and

Whereas, at the present time the office of the City Attorney is taxed to its utmost capacity in handling the ordinary legal affairs of the City and County of San Francisco; and

Whereas, for the purpose of making a proper opposition to the granting of said increase in said telephone rates it will be necessary for the City Attorney to retain expert engineers, accountants, legal talent and clerical help over and above that already connected with the office; now, therefore, be it

Resolved, That for the purpose of making a proper opposition to the granting of said increase in telephone rates applied for by said Pacific Telephone and Telegraph

Company that there be and there is hereby appropriated out of the general funds of the City and County of San Francisco the sum of fifty thousand ($50,000) dollars, which said sum shall be placed in a special fund to be known as the "Telephone Rate Litigation Fund," and which said sum shall be used by the City Attorney of the City and County of San Francisco in the retaining of engineers, expert accountants, legal talent and clerical help for the purpose of making a proper opposition to the granting of said increase in said telephone rates; all expenditures made against said fund to be approved in the same manner as all other demands against the City and County.

Referred to Finance Committee.

Retirement of Assistant Clerk H. A. Mason.

The following was presented and read and ordered *filed*:

July 5, 1927.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

In retiring from the service of the City and County, I deem it quite proper that an acknowledgment should be made of numerous kind acts that many of you have rendered to me personally during the past years and the friendly consideration that I have received at your hands.

I shall always cherish memories that the past twenty years have produced through an intimate association with you and your predecessors—memories that will endure during all the years to come.

I take it that the severing of official relations does not mean the severing of friendships—these I hope will continue and grow even stronger.

I wish to each of you a fulfillment of your highest aspirations and that your acts will be received with public approbation.

Very sincerely yours,

H. A. MASON.

Motion.

Supervisor Gallagher moved that next Monday morning at 11 o'clock the Mayor and Board take official recognition of Mr. Mason's retirement.

So ordered.

PRESENTATION OF PROPOSALS.

School and Water Bonds.

Sealed proposals for the purchase of certain bonds of the City of San Francisco, State of California, were received by the Board of Supervisors up to the hour of 3 o'clock p. m. on Monday, July 11, 1927, and opened by said Board at said time.

The bonds offered are described as follows:

One million dollar five per cent school bonds, issue of March 1, 1923, comprising 25 bonds of $1,000 denomination, maturing each year from 1928 to 1967, inclusive.

Two million dollar five per cent Hetch Hetchy Water Bonds, issue of January 1, 1925, comprising 50 bonds of $1,000 denomination of each year's maturity, 1930 to 1969, inclusive.

The said described bonds bear interest at the rate of five per centum per annum, payable semi-annually, and shall not be sold at a price less than the par value thereof, together with accrued interest thereon at date of delivery.

Bidders may bid for the whole or any part of the bonds here offered, and when a less amount of the whole amount offered is bid on, the bidder shall state the year or years of maturity thereof.

The bonds offered are tax exempt, State and Federal.

Delivery of the bonds to the purchaser will be made within ten days from the date of award, or within such time thereafter as may be agreed upon by the purchaser and Finance Committee of the Board of Supervisors.

All proposals for the purchase of such bonds shall be accompanied by a deposit of five per cent of the amount bid, in lawful money of the United States, or by a deposit of a certified check, payable to J. S. Dunnigan, Clerk of the Board of Supervisors of the City and County, for a like sum, provided that no deposit need exceed the sum of $10,000, and that no deposit need be given by the State of California, which money or check shall be forfeited by the bidder in case he fails to accept and pay for the bonds bid for by him if his bid is accepted.

The approval of John C. Thomson, attorney, New York, as to the legality of these bonds is on file in the Clerk's office.

This notice was given pursuant to the direction of a resolution of the Board of Supervisors adopted June 13, 1927.

Bids.

The bids received are as follows, and were read and *referred to the Finance Committee*:

$1,000,000 School, 1923, 5 per cent bonds.

$2,000,000 Hetch Hetchy Water, 1925, 5 per cent bonds.

Bids received:

Appropriation, $192,000, for the Purchase of Ten New Cars for the Municipal Railway.

Supervisor McSheehy presented: Resolution No. ——— (New Series), as follows:

Resolved, That the sum of $192,000 be and the same is hereby set aside, appropriated and authorized to be expended out of Municipal Railway "old" Depreciation Fund for the purchase of ten new cars for the use of the Municipal Railways.

Privilege of the Floor.

Adolph Uhl was granted the privilege of the floor and opposed the resolution on the ground that the Market Street Railway Company was purchasing cars at a much lower figure.

N. Eckart, Assistant City Engineer, was also heard. He declared that although the Municipal cars cost more they were very much better constructed and more durable.

Mr. Van Deleur, representing Carmen's Union, pointed out the superior character of the municipal car and spoke particularly of the advantage of the emergency air tank with which, he said, it is equipped.

Mr. Becker spoke for Balboa street extension.

John Calish and *Norman Wells* urged the adoption of the resolution.

Passed for Printing.

Whereupon, the foregoing resolution was *passed for printing* by the following vote:

Ayes — Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton—16.

Absent—Supervisors Bath, Todd —2.

Extension of Time Limit for Dog Licenses.

The following was presented and read by the Clerk:

San Francisco, Cal.,
July 11, 1927.

Hon. Board of Supervisors, City Hall, San Francisco.

Gentlemen:

Requests have been made of me that a couresy which, in previous years, has been extended to the owners of dogs be again extended this year by official action of your Honorable Board.

The time limit for securing the new dog licenses expires July 15. So many dog owners are out of the City on vacations that there is a strong possibility that there will develop a situation such as has developed in previous years—whereby dogs for which licenses will be purchased are placed in the pound during their owners' absence.

I respectfully recommend to your Honorable Board that you officially extend the time limit for new dog licenses to August 1, as you have previously done, and I am sure that the owners of pets will appreciate the consideration shown them.

Very respectfully,
JAMES ROLPH, JR.,
Mayor.

Motion.

Supervisor Hayden moved that the request be complied with.

So ordered.

Street Lights.

Supervisor Stanton presented:

Resolution No. 27474 (New Series), as follows:

Resolved, That the Pacific Gas and Electric Company be and it is hereby authorized and requested to install the following street lights:

Install 250 *C. P. O. B.*

Northeast corner Sloat boulevard and Thirty-fourth avenue.

West side Thirty-fourth avenue, 174 feet north of Sloat boulevard.

Northeast corner Yorba street and Thirty-fourth avenue.

West side Thirty-fourth avenue, 277 feet north of Yorba street.

South side Yorba street, 177 feet east of Thirty-fourth avenue.

Install 400 *M. R.*

Jerrold avenue and Napoleon street.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—17.

Absent—Supervisor Bath—1.

PROCEEDINGS OF THE BOARD OF EQUALIZATION.

On motion of Supervisor Kent the Board of Supervisors resolved itself into a Board of Equalization for the purpose of hearing all applicants who have filed sworn applications for the correction or reduction of assessments in the assessment book of real and personal property for the fiscal year 1927-1928, or those who, after notification of arbitrary assessment made against them, had filed sworn statements of the personal property owned by them or in their possession on the first Monday of March, 1927.

CALLING THE ROLL.

The roll was called and the following Supervisors noted present:

Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—17.

Absent—Supervisor Bath—1.

Quorum present.

Mayor to Appoint Citizens' Committee on Lindbergh Reception.

The following was presented and read by the Clerk:

San Francisco, Cal.,
July 15, 1927.

Honorable Board of Supervisors, City Hall, San Francisco.

Gentlemen:

I have been officially informed by Mr. Harry F. Guggenheim, president of The Daniel Guggenheim Fund for the Promotion of Aeronautics, Inc., 598 Madison avenue, New York City, that Colonel Charles A. Lindbergh will shortly undertake a tour of the United States in his New York-Paris airplane, "Spirit of St. Louis," and that he will visit San Francisco on or about September 16.

I will appreciate it if your Honorable Board will, by proper motion. authorize me as Mayor to appoint a Citizens' Committee to handle the details of the welcome which this City should and will extend to Colonel Lindbergh.

Respectfully yours,
JAMES ROLPH, JR.,
Mayor.

Whereupon, the following resolution was presented and *adopted*:

Resolution No. 27497 (New Series), as follows:

Resolved, That his Honor the Mayor be and he is hereby requested to appoint a suitable citizens' committee to arrange for the reception and entertainment of Col. Charles A. Lindberg, the famous American Trans-Atlantic Ace, who will be in San Francisco on or about September 16, 1927.

Ayes—Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Stanton, Todd—15.

Absent—Supervisors Bath, Hayden, Shannon—3.

Direct Taxes by Board of Education.

Supervisor Havenner moved that Mayor Rolph call a conference between the Supervisors and the Board of Education to reach, if possible, a "permanent fiscal policy" in view of the "expressed intention of the Board of Education to levy a special tax for schools."

Supervisor Gallagher seconded the motion with the statement that "the Education Board is embarking on a dangerous policy if it raises taxation in San Francisco, and had better move slowly.

The Mayor announced that he would call the proposed conference at his office for Thursday evening at 8 o'clock.

RECESS.

At 12:15 p. m. the Board took a recess until 2 p. m.

J. S. DUNNIGAN,
Clerk.

Report of Special Bridge Committee.

Supervisor McSheehy presented:

July 18, 1927.

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen:

Your special committee appointed to present San Francisco's plans for a bay bridge crossing to the War Department of the United States, begs to submit the following report:

The Committee, consisting of his Honor Mayor James Rolph, Jr., City Attorney John J. O'Toole, City Engineer M. M. O'Shaughnessy, Consulting Engineer John D. Galloway, Supervisors Harrelson, Havenner and McSheehy, and Daniel E. Doran, secretary of the Committee, left San Francisco on June 16th, arriving in the City of Washington on June 20th, where they were met by Engineer Robert Ridgway of New York, one of the consulting bridge engineers heretofore retained by the City.

A hearing had been arranged before the Board of Army Engineers for Tuesday morning, June 21st. Major-General Deakyne of the Board of Army Engineers presided at the hearing. His Honor Mayor Rolph and Supervisors Havenner and McSheehy presented the general facts of the City's case to the Board, while City Attorney O'Toole reviewed the matter from a legal standpoint, and Supervisor Harrelson, Engineers O'Shaughnessy, Galloway and Ridgway presented the engineering features of the project, and Secretary Doran presented such documentary evidence as the Committee had to present. A full stenographic report of the presentation is herewith attached and copies will hereafter be sent to all members of the Board. While General Deakyne naturally declined to make any statement which might be termed to be a declaration of policy on the part of his Department, we have every reason to believe that the presentation made by the Committee made a most favorable impression upon him. He complimented the Committee upon the clear, concise and orderly manner in which the case of the City had been presented, and stated that he felt that the City was entitled to be advised at a very early date as to the position of the War Department in the premises.

On the following day the Committee was able to arrange for an appointment with the Hon. Curtis D. Wilbur, the Secretary of the Navy, and a number of admirals who are

serving as heads of the different bureaus in his department. A copy of the stenographic report of the presentation made to General Deakyne was presented to the Secretary, and Supervisor Harrelson and Engineers O'Shaughnessy, Galloway and Ridgway presented the technical and engineering features of the bridge. At the conclusion of the presentation by the engineers, the other members of the Committee presented the general features of our Bay Bridge plans to the Secretary and to his admirals, in which presentation their attention was directed to the very substantial incrcease in bay shipping during the past ten years, as well as to the fact that each day the ferryboats make 850 trips over and across the Bay, many of which trips would be obviated if a bridge could be constructed as outlined in the present plans of the City, thereby giving to some 65,000 commuters each day the privilege of traveling between Oakland and San Francisco by way of the bridge rather than by ferryboats. From the general discussion, which was had at this meeting, we realized that the Navy Department would, in all probability, register a strong objection to the granting of permission for the construction of a bridge as outlined in Location No. 1, selected by the Bridge Engineers. Admiral E. W. Eberle, Chief of the Bureau of Naval Operations, was particualrly antagonistic to the City's plans, and seemed to have but one thought in mind and that was that San Francisco Bay should be reserved for the Navy of the United States as a place of rendevouz in war time, and that although the possibility of war was remote, the apparent need of the Navy in time of war was to him superior to any benefit that San Francisco or Alameda County might sustain in the time of peace by the construction of a bay bridge. The ever increasing need of rapid transportation between the two communities was called to his attention, but these needs in his mind were at all times secondary to the possible needs of the Navy in the time of war, which war might never occur. Subsequent developments have shown us that the Secretary of Navy has given more heed to the objections of his admirals than he did to the arguments made by your Committee, for on July 13th he advised the Secretary of War that his department was opposed to the construction of the bridge.

Following the hearings before the War Department and the Navy Department, your Committee held a conference in their quarters in the Willard Hotel, and agreed to inaugurate a campaign of education, with a view of calling the attention of the secretaries of the different departments, and, if necessary, the President himself, to the fact that a serious mistake would be made if the attitude of the Navy Department, as indicated by the remarks of Admiral Eberle, was to be made the basis of a decision of the City's application for leave to construct a bridge. With this thought in mind, his Honor the Mayor, the City Attorney and Supervisors McSheehy and Havenner again called upon Secretary Wilbur, and upon Secretary of the Interior Works, and Secretary of Commerce Hoover. The Committee was most graciously received and attentively listened to by these Secretaries, and both Secretary Works and Secretary Hoover expressed themselves as being convinced as to the necessity of a bridge at the location asked for by the City. Secretary Hoover, being a resident of California and having a deep interest in the San Francisco Bay communities, showed a very marked interest in the City's plans and promised them his full support.

The following day, a committee consisting of Supervisors Havenner, Harrelson and McSheehy, City Attorney O'Toole and Secretary Doran called upon the editors of the several daily papers and news associations in the City of Washington, and presented in detail the plans of San Francisco for the construction of a bridge. The different editors were much interested in the plans which we presented and promised their support in so far as the editorial columns of their various papers might be concerned. Supervisor Havenner, by reason of his newspaper experience, supervised this particular portion of the campaign. Editorials, suggested by Mr. Havenner, appeared in the Washington papers and in many of the other papers of the surrounding cities which received the matter from the various news associations. These various editorials undoubtedly had a very considerable influence upon the different governmental departments in the City of Washington, and in addition thereto, they called the attention of many millions of people to the increase in the population of our Bay cities and the plans

which San Francisco had outlined for the purpose of handling the ever increasing transportation problems between the different communities about the Bay.

While this campaign of publicity was progressing, the Senators of California, as well as its Congressional representatives, the Chamber of Commerce, Down Town Association and other civic bodies of San Francisco, by telegram, urged the granting of our requested permit. This evidence of San Francisco being united upon our Bay Bridge plan undoubtedly made a very favorable impression upon the governmental departments interested in the matter, and we take this opportunity of expressing our sincere appreciation for the very earnest support given to our cause by the press of the country, particularly San Francisco daily papers, and by our Senators and Representatives and civic bodies. Copies of the editorial utterances of the various newspapers were forwarded by the secretary of our Committee to both the Secretary of Navy and the Secretary of War.

On our arrival in the City of Washington we found that the Secretary of War Davis was absent from the city and that he would not return until Friday, June 24th. On this day a delegation from the Committee called on Secretary Davis and informally presented our plans to him and thanked him for the careful attention given to us by the Board of Army Engineers. The Secretary was quite sympathetic in his attitude and listened very attentively to our presentation, stating, however, that the War and Navy Departments were very closely allied, and that naturally considerable attention would have to be paid to any recommendation coming from the latter department, and he advised our delegation to lose no opportunity which might tend to secure from the Navy Department a favorable recommendation.

On Saturday morning, June 25th, Supervisor McSheehy, the chairman of our Committee, again called on Secretary Wilbur, with whom he had been on most friendly terms for many years, and presented our final argument from a layman's standpoint to the Secretary. The Secretary agreed that Admiral Gregory would again meet with Supervisor Harrelson and discuss the matter from an engineering standpoint, and on Monday and Tuesday of the following week Supervisor Harrelson had the opportunity of again presenting to Admirals Gregory and Eberle additional engineering features regarding the bridge as outlined in San Francisco's plans.

On Saturday, June 25th, Supervisor McSheehy and City Attornev O'Toole left for Boston, New York and Philadelphia, with a view of investigating recently constructed bridges and other civic improvements, while Supervisors Harrelson and Havenner and Secretary Doran were detailed to remain in Washington to furnish any information that might be asked for by the two departments which were considering the permit for our bridge. While in Boston the representatives of our Committee were accorded the opportunity, through the courtesy of City Clerk James Donovan, of explaining our mission to the Board of Councilmen of the City of Boston, a courtesy which we duly appreciated, for only on two occasions in many years have outsiders been permitted the privilege of the floor in this council chamber. Through the courtesy of Mr. Donovan, an automobile was placed at the disposal of the delegation from your Committee, which gave it the opportunity of viewing the wonderful improvements which are being made in this great city of the East.

Supervisor McSheehy made a particular study of the new City Hospital which is costing eight millions of dollars and is now in the course of construction. The public park system of the City represents a marvelous example of community development, and its community centers, all of Class A construction, costing a million dollars each, attest the careful consideration given to social welfare problems. These centers have recreational and social activities of every kind and character from well stocked libraries to swimming pools and athletic fields.

Upon the arrival of your Committee in New York, it was met by Engineer Robert Ridgway, who made it possible for us to investigate in a most thorough manner the method under which traffic is supervised and handled in this great metropolis. Under Mr. Ridgway's direction the subway system is being rapidly extended from the downtown to the outlying districts, thereby affording a means of rapid transit to the less congested portions of the city. At the present time they have under way a program calling for the construction

of 57 miles of subway, costing nearly six hundred million dollars. About one-third of this work is completed, and it will take about four years before the entire project is finished. The construction of the Holland Tubes, connecting New York and New Jersey under the Hudson River, have been practically completed, and within the next few months will be opened for vehicular traffic. These tubes are one and three-quarters miles long, twenty feet wide and fourteen feet high, and when completed will have cost forty-eight million dollars.

Supervisor McSheehy made a careful investigation of the garbage situation, and as to the manner in which it is disposed of. He personally visited the Decari Incinerator, which handles some four hundred tons of garbage daily. He was greatly impressed with the magnitude of the plant and its cleanliness. It had all the outward appearances of an ordinary factory, and until one had the opportunity of examining the interior of the building, he would be under the impression that the building was one of many factories situated in the particular neighborhood. There are three such incinerators used in the city and a large part of the garbage is disposed of by dumping the same at sea.

A careful investigation was made by Supervisor McSheehy and City Attorney O'Toole of four bridges spanning East River. These bridges are all owned by the city and accommodate an ever-increasing flow of traffic. The same Committee also inspected the Camden Bridge connecting the City of Philadelphia with the City of Camden over the Delaware River. This bridge embodies the last word in bridge construction. It is owned and controlled by the States of Pennsylvania and New Jersey. It has a length of one and one-eighth miles and a width of 85 feet. Its main span has a length of 1,750 feet and a clearance of 135 feet above the water. Its cost was approximately thirty-eight millions of dollars and three years were occupied in its construction. It was financed by a bond issue of the State of Pennsylvania, the City of Philadelphia and the State of New Jersey. The average traffic over the bridge is 23,000 automobiles per day. A toll of 25 cents per auto is charged, which produces an income of approximately $6,000 per day. The total income of the bridge for the year which had just ended on the day of our inspection was $2,100,000, which was far in excess of the amount anticipated at the time the bridge was constructed.

City Attorney O'Toole also investigated the matter of the financing of bridge construction by the port authorities of the State of New York and the State of New Jersey. The State of New York and the State of New Jersey have by the adoption of appropriate laws, provided for port districts, and these districts have authority to construct bridges between the two states. In the two bridges now under construction by the port authorities, each state has contributed the sum of five million dollars towards the construction of the bridges, and the balance of the cost price of the bridges is met by the issuance of bonds, the only security for the bonds being the pledging of the revenues of the bridge to the same extent as they might be pledged by a private corporation who might obtain authority to construct and operate the same. In discussing the matter with the city's bond attorneys, Messrs. Thompson, Wood & Hoffman, in New York, Supervisor Havenner was informed that while the bridges now under construction were partially financed by contributions from the two States, that a bridge could be financed by a bond issue which would take care of the entire cost of its construction and without any aid from either of the States.

While in the City of Chicago, Supervisor McSheehy made a particular study and inspection of the driveway known as "Wacker Drive." This drive represents a double deck street, the lower deck being used for street cars and heavy traffic, while the upper deck is used for the more rapidly moving vehicular traffic. In view of the ever-increasing traffic on Market street between The Embarcadero and Valencia street, it appearaed to Supervisor McSheehy that a similar plan might be an ideal way of handling the traffic on this particular street. Such a plan would avoid the necessitiy of constructing a subway or interfering with the surface tracks or sub-surface pipes and conduits on Market street and would permit the present grade of Market street to be used by street cars and heavy traffic, while the construction of the upper deck, which in most cases would be on the line of the present second story of the buildings along the street, could handle pedestrian and the lighter vehicular traffic. Your Committee believes that this matter should be given careful study by our Engineering Department, and a report made to this

Board as to the feasibility of such a plan.

Since our Committee left the City of Washington, Secretary Davis of the War Department has informally expressed himself as being favorable to the Bay Bridge plans of the City, but unfortunately, Secretary Wilbur of the Navy Department has advised the War Department that the Navy Department cannot give its consent to the modification of the former ruling of the War Department as to the location of a bay bridge. Your Committee is hopeful that notwithstanding the objections of Secretary Wilbur, that Secretary of War Davis will view the matter in a broader light and realize that the benefit which would flow to the bay communities from the construction of our bridge would far overshadow any inconvenience which might be suffered by the Navy Department, and make his ruling accordingly. However, if the action of the War Department is to be determined by the recommendation of the Navy Department, we would recommend that San Francisco make a direct appeal to the coming session of Congress, to the end that we may be granted the privilege of uniting two bay communities by a bridge at a point that will best serve the interests of each of them.

In concluding our report, we feel that the trip made by your Committee has been a most successful one and will be of benefit to San Francisco not only in matters pertaining to the construction of a bridge, but also in the solving of many of the important problems which are now engaging the attention of the large cities of the East, and must within a short space of time engage the attention of San Fracisco.

Respectfully submitted,

JAMES ROLPH, JR.,
Mayor.
M. M. O'SHAUGHNESSY,
City Engineer.
J. B. McSHEEHY,
WM. H. HARRELSON,
FRANCK R. HAVENNER,
Supervisors.
JOHN J. O'TOOLE,
City Attorney.

July 18, 1927—Read and filed and ordered *spread in Journal.* Printed copies for members of Board.

Portion of report dealing with double-deck streets to be *referred to City Engineer.*

Following submission of the report, Supervisor Havenner, a member of the committee, moved that a committee consisting of Mayor Rolph, the Special Bridge Committee, the City Engineer and City Attorney O'Toole prepare and send, in the name of the Board of Supervisors, a telegram to President Coolidge setting forth our reasons for disagreeing with the Navy Department and the War Department as to the selected bridge site and urging him to use his best efforts to assure favorable action by the War Department.

The resolution was *adopted and the committee was authorized to send the telegram if it deem it "advisable".*

Mayor Rolph took occasion to praise the members of the committee for their untiring efforts and for their cooperation on their important mission. The Mayor said he had made many trips to Washington with committees, but never with a committee that worked so in harmony.

Motion.

Supervisor Havenner moved that the Finance Committee and Public Utilities Committee with the City Attorney be authorized to make a study of the limited revenue laws now in effect in the States of Indiana, Wisconsin, Kentucky and Washington with respect to financing bridges and other public utilities.

Motion *carried.*

Congressman Frank E. James Asked to Address Bridge Conference.

Supervisor Gallagher presented:

Whereas, Hon. Frank E. James of Michigan, acting chairman of the House Military Affairs Committee in the recent 69th Congress of the United States, whose service therein (already twelve years) is to continue in the next Congress, is in San Francisco; and

Whereas, Hon. Frank E. James, after much experience prior to entering Congress in legislative and administrative capacities in city, county and state offices has been and is a keen student of legislative and executive relations of national defense and their relations to powers of state government under our Federal system; and

Whereas, on June 16, 1927, Hon. Frank E. James addressed the Army War College in Washington on the handling of military legislation, saying, among other similar things, "It is not for anyone in the service to decide that the activities must be carried on if Congress has decided they do not care to go that far"; and

Whereas, in its efforts towards solution for the State of California of the problem of bridging the bay this Board of Supervisors had made long, earnest and courteous effort

with the administrative officers of the U. S. War Department to obtain a satisfactory result without as yet reaching definite success; and

Whereas, this lack thus far of satisfactory result seems to be in some degree connected with matters of national defense in which it is not clear that the activities of the executive officials are not carried on farther than Congress has decided it cares to go; and

Whereas, competent, experienced advice on this subject is much desired by this Board of Supervisors; therefore, be it

Resolved, That the Hon. Frank E. James be requested to address the bridge conference at 2 p. m., July 19, 1927, on the subject of the "Relations of National Defense to a San Francisco Bay Bridge," particularly from the Congressional point of view as to the extent of the powers of the executive officials and to explain the relevancy of United States Attorney-General's opinions of January 23, 1923 (page 431 of Volume 33), and April 6, 1909 (page 286 of Volume 27), to the complex question before us for decision which is a matter of such importance as to be of national interest.

Opinion of City Attorney on Appropriation of Money Out of Advertising Fund for the Purpose of Assisting in Repeal of Reapportionment Bill.

July 14, 1927.

Dear Sirs:

Request.

Your query concerning whether or not the Board of Supervisors may appropriate the sum of $2,500 to assist in repealing the Reapportionment Bill, passed at the last session of the Legislature, out of the Advertising Fund, is at hand.

Opinion.

Section 4041, Subdivision 33, of the Political Code, provides as follows:

"Levy tax for advertising. To levy a special tax not to exceed two cents on the one hundred dollars of the assessed valuation of all property within the county to be used for advertising, exploiting and making known the resources of the county for the purpose of inducing immigration to, and increasing the trade and commerce of, said county, or for the purpose of exhibiting or advertising the agricultural, mineral or other resources of the county; and provided, however, that if said rate of two cents will not raise five thousand dollars in any one year the board of supervisors may appropriate from the general fund of the county an amount sufficient to make up the deficiency existing between the amount raised as the result of the two cent levy and five thousand dollars; and provided, further, that such tax shall be in addition to any tax which may now or hereafter be authorized to be levied for the purpose of creating a fund to be used for collecting, preparing and maintaining an exhibition in any domestic or foreign exposition; and provided, further, that nothing herein contained shall prevent any county from creating a bonded indebtedness under the provisions of section four thousand eighty-eight of the Political Code of California for the purpose of obtaining funds with which to build, construct or furnish an exposition buliding or buildings for exhibiting and advertising its resources."

The fund mentioned by this statute appears to be the one to which you have reference. This subdivision grants you the right of advertising, exploiting and making known the resources of San Francisco County for the purpose of inducing immigration to, and increasing the trade and commerce of, this county, or for the purpose of exhibiting or advertising the agricultural, mineral, or other resources of the county.

Appropriations from the fund created by Subdivision 33 of Section 4041 of the Political Code are limited to the items specified in the section, and I am unable to find any authority for construing the section quoted herein so as to have the language employed in the section to contemplate an appropriation of $2,500 to assist in repealing the Reapportionment Bill.

Respectfully,

DION R. HOLM,

Chief Deputy City Attorney.

Eulogy of Assistant Clerk H. A. Mason on His Retirement.

Resolution No. 27531 (New Series), as follows:

Whereas, San Francisco is about to lose, through voluntary retirement, a most valuable and efficient employee in the person of H. A. Mason, Bond and Ordinance Clerk of the Board of Supervisors; and

Whereas, during a period of over twenty years Mr. Mason, whose thorough and unusual knowledge of municipal law and procedure has been of inestimable value to the government of San Francisco, having prepared, as he has, the entire procedure of legislation involving all of our important bond issues, such as our Hetch Hetchy water bond legislation, school bond legislation, Library and Hall of Justice bond legislation, City Hall bond issues, and is now engaged in the very important work of reappraising the assessable property of San Francisco; and

Whereas, in addition to these outstanding activities he had much to do with the reorganization of the government of San Francisco after the destruction of public records in the fire of 1906, being the author of the recodified ordinances of the City and County of San Francisco, and latterly rendered satisfactory and conspicuous service as the clerk of the Committee on City Planning as well as of the Committee on Traffic Regulation and Police; therefore, be it

Resolved, In appreciation of such splendid and efficient service that the Board of Supervisors in the retirement of H. A. Mason suffers a loss of an extremely capable and valuable employee, which loss to the public service will be well nigh irreparable; and be it

Further Resolved, That this Board expresses its sincere regret at the voluntary retirement of H. A. Mason and extends to him its best wishes for success in his future work.

Adopted by the following vote:

Ayes—Supervisors Colman, Gallagher, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Stanton, Todd—12.

Absent—Supervisors Badaracco, Bath, Byington, Deasy, Hayden, Shannon—6.

Supervisors Gallagher, Schmidt, Todd, Havenner, Colman, Marks, Stanton, McSheehy, Powers and Roncovieri spoke in eulogy and appreciation of the services rendered by Mr. Mason during his service of more than twenty years with the Board of Supervisors.

Motion.

Supervisor Marks moved that a transcript of this proceeding be made and presented to Mr. Mason.

So ordered.

Death of Sheriff McGovern of San Mateo County.

The following resolution was presented by Supervisor Todd and *adopted unanimously* by rising vote:

Resolution No. 27534 (New Series), as follows:

Whereas, death has unexpectedly called from his sphere of activity Thomas C. McGovern, well known and highly esteemed Sheriff of our neighboring county, San Mateo; and

Whereas, Sheriff McGovern was not only a competent and popular public official whose untimely death is a deplorable loss to his constituency as well as to the bereaved members of his sorrowing family; therefore, be it

Resolved, That this Board of Supervisors extend to the officials of San Mateo County and to the family and friends of Sheriff McGovern its deep and sincere sympathy on this sad occasion, and that his Honor the Mayor be requested to appoint a committee of this Board of Supervisors to represent San Francisco at the funeral services of the deceased.

Further Resolved, That when we adjourn today that we do so out of respect to the memory of Sheriff McGovern.

(The Clerk was directed to send a suitable floral piece.)

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

MONDAY, JULY 25, 1927, 10 A. M.

In Board of Supervisors, San Francisco, Monday, July 25, 1927, 10 a. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Kent, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—15.

Absent—Supervisors Bath, Hayden, Marks—3.

Quorum present.

His Honor Mayor Rolph being absent, Supervisor McSheehy was elected to preside.

APPROVAL OF JOURNAL.

The Journal of Proceedings of the meeting of March 14, 1927, was considered read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Telegram.

The following was presented and read by the Clerk:

Hon. James Rolph, Jr., Mayor of San Francisco, California.

It was with mournful pleasure that I received your splendid words of sympathy and the action of yourself and the Board of Supervisors in delegating Tiv Kreling as your representative with personal messages of condolence on the passing of my mother. Thanks to you all.

JAMES W. COFFROTH.

Letter of Thanks, Hon. Key Pittman, United States Senator of Nevada.

His Honor Mayor Rolph appeared in the chambers at 11 a. m. and presented the following communication, which was *read by the Clerk and ordered spread in the Journal*:

July 18, 1927.

Mayor James Rolph, Jr., San Francisco, California.

My Dear Rolph:

I am grateful and happy beyond expression for the great honor you and the Board of Supervisors have shown me by passing resolutions respecting my services in behalf of legislation authorizing the Hetch Hetchy project, and in placing upon the O'Shaughnessy Dam at Hetch Hetchy the beautiful bronze plaque in commemoration of my humble and natural services.

By reason of my absence on a fishing trip, I did not hear of the generous and kindly act until Wednesday night at twelve o'clock. I fortunately caught the train at four o'clock on Thursday morning and through the courtesy of your Engineering Department reached Hetch Hetchy in time for the dedication. There I had the opportunity to express my appreciation and deep gratitude, but that which I enjoyed most was frankly stating in my address to whom the credit was due. I pictured a fight; I told of the wonderful work done by you and O'Shaughnessy and those able and intense men whom you gathered around you and directed, and I remembered the work done by Senator James D. Phelan, a former Mayor of your City, who first filed on the waters of the Tuolumne River on behalf of the City of San Francisco. I told them how you and your associates had won the fight before I presented your cause on the floor of the United States Senate. Your fight was one of pleasure for me. I had been taught what it meant. I had learned to understand the comfort, the helpfulness, yes, even the necessity of an ample supply of pure water for a growing community.

I am deeply grateful to you and every member of your Board of Supervisors for the exceedingly kindly and generous act and may I say that I am particularly grateful to you who might have placed a veto upon the unusual act, and to Andy Gallagher who moved the resolution and to Byington, Todd and Hayden who so actively cooperated with Andy Gallagher. This generous act was unnecessary

to bind the State of California and Nevada in active cooperation for the development of their states, but it does place me under peculiar obligations to you and your Board of Supervisors.

I wish that I might have the time and opportunity at the present to write to each member of the Board of Supervisors, but being deprived of this pleasure I trust that they will all accept this letter and the speech that I made at the dedication ceremonies as a personal expression to each of my deep feeling of gratitude.

With kind regards to you and each and every member of the Board of Supervisors, I beg to remain

Sincerely,

KEY PITTMAN.

Communication From City Attorney, Advising That City Garbage Company Has Failed to File Bond.

The following was presented, read and *referred to the Health Committee*:

San Francisco,
July 23, 1927.

Honorable Board of Supervisors,
City Hall, San Francisco, Calif.
Dear Sirs:

Pursuant to a resolution of the Board of Supervisors, an agreement was drawn by this office for the operation of the incinerator by the City Garbage Removal Company, Inc. The agreement was prepared to conform to the views of the Health Committee and submitted to Warren Shannon, Acting Mayor of the City and County of San Francisco, who signed same in the absence of Mayor Rolph.

This agreement provided for the posting of a bond in the sum of $10,000 by the City Garbage Removal Company, Inc., before the agreement would become effective. This bond has never been posted, although the agreement was signed by the parties.

This agreement provided that the City Garbage Removal Company, Inc., should have the privilege of examining the incinerator and making an inventory and inspection for a period of seven days, and that if, after the seven-day period, the incinerator was not in reasonably good working order and condition, the City Garbage Removal Company, Inc., need not fulfill the terms of the agreement.

I was informed by the City Garbage Removal Company, Inc., that it would require an expenditure of about $20,000 to place the incinerator in reasonably good working order and condition.

The City Garbage Removal Company, Inc., has not indicated whether or not it desires to proceed with the taking over and operation of the incinerator, despite the request of this office to be advised with regard to whether or not this corporation would take over and operate the incinerator. I am, therefore, submitting this matter to you to take whatever means you desire in connection with its disposition.

Yours very truly,
(Sgd.) JNO. J. O'TOOLE,
City Attorney.

Action Deferred.

On motion of Supervisor Gallagher the following matter was *continued one week*:

Notice of Reconsideration.

Resolution presented by Supervisor Gallagher on June 20, 1927, granting H. J. Mallen permission, revocable at will of the Board of Supervisors, to maintain and operate automobile parking station on west side of Taylor street, south of Eddy street, which resolution was *refused passage* by the following vote:

Ayes—Supervisors Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, Powers, Todd—9.

Noes — Supervisors Byington, Deasy, McSheehy, Roncovieri, Schmidt, Shannon, Stanton—7.

Absent — Supervisors Badaracco, Bath—2.

Hearing of Appeal, Orizaba Avenue.

Hearing of appeal of property owners on Orizaba avenue from the action and decision of the Board of Public Works in overruling the objections of property owners against the improvement of the easterly one-half of Orizaba avenue from a line parallel with and 115 feet southerly from Holloway avenue to the northerly line of Grafton avenue produced, by the construction of concrete curbs; by the construction of that portion of an 8-inch ironstone pipe sewer with accompanying manholes and Y branches that said frontage would be liable for, and by the construction of a concrete pavement on the roadway thereof.

Privilege of the Floor.

Duncan V. McKenzie, M. L. Whitmore, Peter L. Delmar, A. Dolph, P. Zahie, Mrs. A. Gessh, Mrs. J. W. Phillips and *Mary Randall*, protestants, were heard in opposition to the improvement.

Whereupon, the following resolution was presented by Supervisor Badaracco and *adopted* by the following vote:

Resolution No. 27573 (New Series), as follows:

Resolved, That the appeal of the property owners from the action and decision of the Board of Public Works in overruling the protest of property owners against the improvement of the easterly one-half of Orizaba avenue from a line parallel with and 115 feet southerly from Holloway avenue to the northerly line of Grafton avenue produced, by the construction of concrete curbs; by the construction of that portion of an 8-inch ironstone pipe sewer with accompanying manholes and Y branches that said frontage would be liable for, and by the construction of a concrete pavement on the roadway thereof, is hereby denied and the work ordered.

Ayes — Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Kent, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —15.

Absent—Supervisors Bath, Hayden, Marks—3.

Supervisor Badaracco stated that the foregoing resolution is adopted with the understanding that the City would pay one-half of the cost.

Passed for Printing.

Whereupon, the following bill was *passed for printing*:

Ordering Street Work, Orizaba Avenue.

Bill No. 8113, Ordinance No. —— (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1, The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors June 17, 1927, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of 1918 of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

That said Board of Supervisors, pursuant to the provisions of Part II of the said Street Improvement Ordinance of 1918 of said City and County of San Francisco, does hereby determine and declare that the assessment to be imposed for the said contemplated improvements, respectively, may be paid in ten installments; that the period of time after the payment of the first installment when each of the succeeding installments must be paid is to be one year from the time of the payment of the preceding installment, and that the rate of interest to be charged on all deferred payments shall be seven per centum per annum.

The improvement of the easterly one-half of Orizaba avenue from a line parallel with and 115 feet southerly from Holloway avenue to the northerly line of Grafton avenue produced, by the construction of concrete curbs; by the construction of that portion of an 8-inch ironstone pipe sewer with accompanying manholes and Y branches that said frontage would be liable for, and by the construction of a concrete pavement on the roadway thereof.

Section 2. This ordinance shall take effect immediately.

Report of Finance Committee on Resolution Submitted on July 18th by Supervisor Warren Shannon Relative to Opposition to Increase in Telephone Rates.

The following was presented and read by the Clerk:

Your Committee has given consideration to the above mentioned resolution and begs leave to report as follows:

That it has conferred with the City Attorney and has been advised by that official, until a complete check has been made of the exhibits

filed with the Railroad Commission by the Pacific Telephone and Telegraph Company and until the City has made the presentation of its case to the Commission, that it will not be necessary to retain expert rate engineers other than those hereinafter mentioned. As further advised your Committee, it will take from six to nine months for the City to prepare its case and thereafter several months to present it to the Commission, and that for the purpose of enabling him to make a proper opposition to the granting of said increased rates and to present the case of the people to the Commission it will be necessary for him to employ the following additional help:

One rate litigation attorney, $850 per month.

One expert rate engineer, $750 per month.

One assistant rate engineer, $350 per month.

One consulting engineer, $300.

One expert rate accountant, $350 per month.

One stenographer, $175 per month.

That said employees will be necessary for the remainder of the present fiscal year, and in addition thereto, certain field workers to spot check inventories and values will be necessary for a short period of time, the cost of which will amount to approximately $2,000, and that in addition to an amount sufficient to defray the cost of these employees an additional sum of $3,500 will be necessary to cover the costs of transcripts, stationery and incidentals, thereby making the total cost of this particular litigation $36,025 for the remainder of the fiscal year.

Therefore, we recommend that the resolution submitted by Supervisor Warren Shannon be amended by striking therefrom the figures $50,000 and inserting in lieu thereof the figures $37,500, and by also striking therefrom the following words: "which said sum shall be placed in a special fund to be known as the 'Telephone Rate Litigation Fund'", and that there be added to said resolution the following:

And be it Further Resolved, That the City Attorney be and he is hereby authorized and empowered to retain and employ one rate litigation attorney at a salary of $850 per month; one expert rate engineer at a salary of $750 per month; one assistant rate engineer at a salary of $350 per month; one consulting engineer at a salary of $300 per month; one expert rate accountant at a salary of $350 per month; one stenographer at a salary of $175 per month, and in addition thereto to retain such other temporary employees as he shall deem necessary, at an expense not exceeding the sum of $2,000.

That the following is the resolution as amended by your Committee, and it now recommends its adoption:

Whereas, the Pacific Telephone and Telegraph Company have applied to the Railroad Commission of the State of California for an increase in the rates charged for telephone service in the City and County of San Francisco and in adjoining counties; and

Whereas, if the exorbitant rates asked for by said Pacific Telephone and Telegraph Company for said telephone service are granted the same will be an unfair and unjust burden on the people of the City and County of San Francisco, amounting to many millions of dollars each year; and

Whereas, it would be for the best interest and benefit of all the people of the City and County of San Francisco that a vigorous opposition be made before the Railroad Commission of the State of California to the granting of the increase in rates applied for by said Pacific Telephone and Telegraph Company; and

Whereas, at the present time the office of the City Attorney is taxed to its utmost capacity in handling the ordinary legal affairs of the City and County of San Francisco; and

Whereas, for the purpose of making a proper opposition to the granting of said increase in said telephone rates it will be necessary for the City Attorney to retain expert engineers, accountants, legal talent and clerical help over and above that already connected with the office; now, therefore, be it

Resolved, That for the purpose of making a proper opposition to the granting of said increase in telephone rates applied for by said Pacific Telephone and Telegraph Company that there be and there is hereby appropriated out of the general funds of the City and County of San Francisco the sum of thirty-seven thousand five hundred ($37,500), which said sum shall be used by the City Attorney of the City and County of San Francisco in the retaining of engineers, expert accountants, legal talent and

clerical help for the purpose of making a proper opposition to the granting of said increase in said telephone rates; all expenditures made against said fund to be approved in the same manner as all other demands against the City and County; and be it

Further Resolved, That the City Attorney be and he is hereby authorized and empowered to retain and employ one rate litigation attorney at a salary of $850 per month; one expert rate engineer at a salary of $750 per month; one assistant rate engineer at a salary of $350 per month; one consulting engineer at a salary of $300 per month; one expert rate accountant at a salary of $350 per month; one stenographer at a salary of $175 per month, and in addition thereto to retain such other temporary employees as he shall deem necessary, at an expense not exceeding the sum of $2,000.

Respectfully submitted,

City Attorney Authorized to Employ Assistants in the Matter of Application for Telephone Rate Increase.

Supervisor McSheehy presented:

Resolution No. ——— (New Series), as follows:

Whereas, Pacific Telephone and Telegraph Company has made application to the Railroad Commission of the State of California for an increase in telephone rates, which, if granted, will impose an unfair and unjust burden on all the people of the City and County of San Francisco; and

Whereas, we believe it to be for the best interests of the people of San Francisco that the City Attorney should actively and energetically oppose the granting of said application for said increased telephone rates;

Now, therefore, for the purpose of enabling the said City Attorney to properly represent the City and County of San Francisco in the matter of said application of said Pacific Telephone and Telegraph Company for an increase in rates, he is hereby authorized to employ and retain for the remainder of the present fiscal year, the following assistants, to-wit: One rate litigation attorney at a salary of $850 per month; one rate engineer at a salary of $750 per month; one assistant rate engineer at a salary of $350 per month; one consulting engineer at a salary of $300 per month; one rate expert accountant at a salary of $350 per month; one stenographer at a salary of $175 per month, and such temporary assistants as may be needed from time to time, at a compensation not to exceed $2,000 for the remaining months of the present year; and be it

Further Resolved, That said City Attorney be and he is hereby allowed the further sum of $3,500 to cover costs of transcripts, supplies, traveling and other expenses incidental to said litigation; and be it

Further Resolved, That for the purpose of carrying out the provisions of this resolution, there be and there is hereby appropriated the sum of thirty-seven thousand five hundred ($37,500) dollars from moneys not otherwise appropriated in the General Fund of the City and County of San Francisco.

Substitute Resolution.

Supervisor Shannon objected to the foregoing resolution on the ground that it was not what he had originally presented and offered the following substitute therefor, which was *passed for printing*:

Resolution No. ——— (New Series), as follows:

Whereas, the Pacific Telephone and Telegraph Company has applied to the Railroad Commission of the State of California for an increase in the rates charged for telephone service in the City and County of San Francisco and in adjoining counties; and

Whereas, if the exorbitant rates asked for by said Pacific Telephone and Telegraph Company for said service are granted the same will be an unfair and unjust burden on the people of the City and County of San Francisco, amounting to many millions of dollars each year; and

Whereas, it would be for the best interest and benefit of all the people of the City and County of San Francisco that a vigorous opposition be made before the Railroad Commission of the State of California to the granting of the increase in rates applied for by said Pacific Telephone and Telegraph Company; and

Whereas, at the present time the office of the City Attorney is taxed to its utmost capacity in handling the ordinary legal affairs of the City and County of San Francisco; and

Whereas, for the purpose of making a proper opposition to the granting of said increase in said telephone rates it will be necessary for the City Attorney to retain expert engineers, accountants, legal talent and clerical help over and above that already connected with the office; now, therefore, be it

Resolved, That for the purpose of making a proper opposition to the granting of said increase in telephone rates applied for by said Pacific Telephone and Telegraph Company that there be, and there is hereby appropriated out of the general funds of the City and County of San Francisco the sum of thirty-seven thousand five hundred ($37,500) dollars, which said sum shall be used by the City Attorney of the City and County of San Francisco in the retaining of engineers, expert accountants, legal talent and clerical help for the purpose of making a proper opposition to the granting of said increase in said telephone rates; all expenditures made against said fund to be approved in the same manner as all other demands against the City and County; and be it

Further Resolved, That the City Attorney be and he is hereby authorized and empowered to retain and employ:

One rate litigation attorney at a salary of $850 per month; one ex-

pert rate engineer at a salary of $750 per month; one assistant rate engineer at a salary of $350 per month; one consulting engineer at a salary of $300 per month; one expert rate accountant at a salary of $350 per month; one stenographer at a salary of $175 per month; and in addition thereto to retain such other temporary employees as he shall deem necessary, at an expense not exceeding the sum of $2,000.

Accepting Offer of Edward H. Schwerin to Sell for $6,000 Certain Land and Improvements Required for Public Use.

Supervisor McSheehy presented:

Resolution No. 27555 (New Series), as follows:

Whereas, an offer has been received from Edward H. Schwerin to sell to the City and County of San Francisco certain land and improvements situate in Block No. 6403 as appears on Assessor's Map Book; and

Whereas, the price at which said parcel of land and improvements is offered is the reasonable value thereof; therefore, be it

Resolved, That the offer of the said owner to convey to the City and County of San Francisco a good and sufficient fee simple title to said parcel of land and improvements, free of all encumbrances, for the sum of $6,000, be and the same is hereby accepted, the said land being described as follows, to-wit:

Being Lot No. 2, of dimensions 25 by 100 feet, and improvements, in Block No. 6403 as appears on Assessor's Map Book, formerly Block No. 18, Crocker Amazon Tract.

The City Attorney is hereby directed to examine the title to said land, and, if the same is found to be vested in the aforesaid owner, free of all encumbrances, and that the taxes up to and including the current fiscal year are paid, and that the so-called McEnerney title has been procured or sufficient money reserved for the purpose of procuring the same, to report the result of his examination to the Board of Supervisors, and also cause a good and sufficient deed for said land to be executed and delivered to the City and County upon payment of the agreed purchase price as aforesaid. And the said deed to said land is hereby accepted.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Kent, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —15.

Absent—Supervisors Bath, Hayden, Marks—3.

City Attorney to Commence Condemnation Proceedings for the Acquisition of Land Required for the Opening and Construction of Bernal Heights Boulevard.

On motion of Supervisor McSheehy:

Resolution No. ——— (New Series), as follows:

Resolved, By the Board of Supervisors of the City and County of San Francisco, that public interest and necessity require the acquisition by the City and County of San Francisco, a municipal corporation, of the following properties, situated in the City and County of San Francisco, State of California, more particularly described as follows, to-wit:

All of Lots Nos. 1093, 1094, 1095 and 1096, as per Gift Map No. 3, recorded December 31, 1861, in Map Book 2 A and B, page 15, records of the City and County of San Francisco, State of California. Be it

Further Resolved, That said properties are suitable, adaptable, necessary and required for the public use of the City and County of San Francisco, to-wit: For the opening and construction of Bernal Heights boulevard. It is necessary that a fee simple title be taken for such use.

The City Attorney is hereby ordered and directed to commence proceedings in eminent domain against the owners of said tracts of land and of any and all interests therein or claims thereto for the condemnation thereof for the public use of said City and County of San Francisco, as aforesaid.

This resolution shall be published in the official newspaper, with the ayes and noes, for at least five successive days, Sundays and legal holidays excepted, before the final action upon the same.

Resolution of Intention to Establish Set-back Lines No. 141.

Supervisor Hayden presented:

Resolution No. 27557 (New Series), as follows:

Whereas, the City Planning Commission has recommended that setback lines be established along the streets hereinafter mentioned and as delineated upon maps accompanying said recommendations, to which reference is hereby made for further particulars; therefore, be it

Resolved, That it is the intention

of the Board of Supervisors of the City and County of San Francisco to establish set-back lines as provided by Ordinance No. 5636 (New Series), approved May 18, 1922, as follows:

American Legion, 60-Day Vacation.

Supervisor Shannon presented:

Resolution No. 27566 (New Series), as follows:

Whereas, the ninth annual convention of the American Legion is to be held in September, this year, in Paris, France; and

Wheres, the intrepid and supremely successful flight of America's premier ace, Col. Charles Lindbergh, and his cordial reception by the people of France, has cemented stronger than ever the traditional bonds of friendship between the Republic of the United States and the Republic of France, resulting in a spirit of good feeling at a time when relations were in danger of becoming extremely critical, which situation has, by the excellent judgment of America's diplomatic representatives in France, been further improved; and

Whereas, the City of Chicago, in recognition of the great sacrifices of our American "doughboys" in their devotion to American ideals during the great World War, has voted unanimously a vacation of sixty (60) days with pay to the employees of the City of Chicago, who, as members of the American Legion, desire to attend the convention in Paris; therefore, be it

Resolved, That the City of San Francisco in like manner grant a sixty (60) day vacation with pay to its men in the City employ whose devotion in the time of our country's need gave their all in her service, and who now desire to attend this great and memorable reunion.

Work on Colma Bottleneck.

Supervisor Roncovieri asked for and received some information on the progress of work on the "Colma Bottle Neck." He complained that the work was going on very slowly

and that when he passed there last Saturday morning, only about 25 or 30 men were at work. It was stated by Mr. Callahan, of the City Engineer's staff, that the work was all being done under the supervision of the State Highway Commission. The contract for the paving was let more than two weeks ago and that it would be finished by either October or November 1st at the latest.

Lincoln Statue.

In reference to the Lincoln statute, which is almost ready to be placed on its pedestal, and which has tentatively to be set up in the Civic Center plaza, Supervisor Byington and others thought that Lincoln Park, where the end of the Lincoln Highway is located, is the most appropriate place. The Park Commission has had this matter under consideration for several months.

Privilege of the Floor.

Colonel Saar was granted the privilege of the floor, favoring the placing of the Lincoln statute in the Civic Center.

SPECIAL ORDERS—2 P. M.

BRIDGE HEARINGS.

Motions.

Supervisor Shannon: I move that we now take up the matter of the bridge hearings, and I understand that Supervisor McSheehy has some preliminary statement that he desires to make.

The Mayor: Go ahead, Mr. McSheehy.

Supervisor McSheehy: Your Honor, the Mayor, and Members of the Board: I wish to state to the membership of the Board that last Tuesday a committee of yours, the Special Bridge Committee, called a meeting here in these rooms, and attending that committee meeting were Senators Johnson and Shortridge, representing the State of California, and Congressman Welch and Mrs. Kahn, representing the City of San Francisco, and a number of our leading citizens, including a number of the publishers of our daily papers were present, and the hearing was held. And Senator

Johnson made a motion at the conclusion of the hearing which is rather short which I feel I should read to you at this time. The purport of the motion is this: "A further drive on the War and Navy Departments to have the bridge permit granted. 2. An appeal to President Coolidge, as Commander-in-Chief of the Army and Navy, to overrule the War Department ruling on the bridge permit should be devised. 3. Appeal to President to appoint a special committee to include certain members of his cabinet, to come here and make a study of the bridge problem, this commission to have the authority to grant the permit if the bridge is deemed necessary. 4. If all these fail, to carry the matter direct to the floor of the Congress, after a carefully prepared drive to acquaint members of Congress with all the facts in the case." This motion, covering these four items, was made by Senator Johnson and duly seconded by Senator Shortridge, and it was referred to the Special Bridge Commitee. That committee will meet tomorrow at 2 o'clock and take these matters up. And I have great hopes that tomorrow we will devise ways and means of organizing the entire matter so that a presentation will be made, and so that the Navy Department will modify their stand in this matter because we have word from the War Department that they are ready to modify the ruling if the Navy Department wil acquiece in their report. So I say to you, Mr. Mayor and members of the Board, that I have great hopes that we will have the War Department modify their rulings. I want to say at this time that I am very grateful, as chairman of this committee, to receive the cooperation that we are receiving at the hands of our leading citizens and our Senators and Congressmen, and I want to thank the newspapers of San Francisco for their cooperation in this all-important matter.

Motions.

The following motions continued from last meeting were taken up:

Supervisor Gallagher: I move you that while it is the policy of this Board that we favor a publicly-owned bay bridge, it is, however, the sense of this Board that we favor immediate construction of said bridge by private capital, until the people may elect in the manner provided by law to take over said bridge and place it under public ownership and control.

Supervisor Marks: I move you that, as an amendment to the motion of Supervisor Gallagher, the City Attorney be requested to submit to this Board, at the earliest possible opportunity, a form of submission of the issue of public ownership and operation of the proposed bridge, or private ownership or operation of the proposed bridge, for action by the people at the earliest possible opportunity.

* * * * *

Supervisor Marks: I desire to present the following motion and calling attention to the fact that it does not call for anything other than asking the City Attorney to submit a proper form of proposal to us. I make the motion which heretofore has been outlined three or four times. (Referring to motion set out in full above.)

The Chairman: Any objection? So ordered.

On motion of Supervisor Shannon, further consideration of the foregoing motions were *continued until Monday, August 1, 1927, at 2 p. m.*, by the following vote:

Ayes — Supervisors Badaracco, Byington, Colman, Deasy, Gallagher, Harrelson, Havenner, Kent, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —15.

Absent—Supervisors Bath, Hayden, Marks—3.

(At this point in the proceedings his Honor the Mayor retired from the chair and Supervisor McSheehy was called to preside.)

Motion.

Supervisor Gallagher: I desire to move you, Mr. Chairman, that the City Attorney be requested to advise us as to what legal defect, if any, the recent amendment to the State law, approved by the Legislature and Governor, will have on the applications submitted prior to its adoption, and upon the applications presented to this Board since its enactment.

Supervisor Colman: I will second that.

Supervisor Havenner: Would it be possible—the City Attorney, I suppose, is familiar with this law—would it be possible to have him come over here now and have him clear this matter up now?

Supervisor Gallagher: I have no objection if you want to do that. If you think he can clear it up now, I have no objection. I doubt, however, Supervisor, that he can. I feel that he should have plenty of time in the premises.

Supervisor Shannon: Are you referring to Assembly Bill 1041?

Supervisor Gallagher: Yes, the one that requires them to file notice with the State Engineer, that amendment. I do not think it can be retroactive in any sense. The clause in question, Supervisor, requires the applicant to file notice with the State Engineer, and I think a copy of his petition, and I think that is about the only change that I can remember. Do the members of the Board know of its adoption? I am only concerned to see that the proper legal steps be taken in all things we do relative to bridges, that is all.

Supervisor Havenner: I would move that the City Attorney be asked whether he could come over here at this time and explain it to us.

Supervisor Shannon: I will second that motion.

Supervisor Havenner: Assembly Bill 1041.

* * * * *

Supervisor Harrelson: I understood that the City Attorney was asked to give us some information regarding the law of bridge franchises.

The Chairman: Is that correct?

Supervisor Gallagher: The question is this: Some concern is felt, in some quarters, relative to an amendment to the State act on the subject of the authority of the State Engineer on bridges and bridge procedure. Supervisor Shannon states that the bill number is 1041. I am not sure that that is the number, but I have read the bill, and the bill states, as I remember it, that after this law becomes—I did not say after the law, but the new law provision provides that notice of application shall be filed with the State Engineer, and a copy of the petition and a copy of the advertisement, I think, and I have asked that the City Attorney be requested to advise us as to the legal import

of this amendment upon the applications already heard by this Board, and those that are pending, and those that have been filed, if any, since the law became effective. Are you familiar with the provision?

Mr. O'Toole: I think I am. If I remember that amendment correctly, it merely provided for the change in time, I think, when the matter would be submitted to the State Engineer. As the law stands at present, why, it must be committed to the State Engineer at the time of the hearing—when the hearing is had. Now, I have not the amendment before me, but, if I remember it correctly, 1041 provides that within a certain number of days—and the exact number now has passed from my memory—within a certain number of days after an application for a toll bridge across a navigable river is received, it must be submitted to the State Engineer. I believe that question arose in regard to the bridge that someone is desirous of building up above the present bridge over the Carquinez Straits, and the Board of Supervisors refused to submit the matter to the Engineer. Now, the advocates of that bridge presented an amendment which made it mandatory upon the Board that whenever an application for a bridge franchise over a navigable stream was presented to the Board, that they must, within a certain number of days, present that matter to the State Engineer for his approval, the reason for that being that, in regard to this particular bridge further up the bay from the present Carquinez Bridge, I believe they desire to carry the matter into court, as to whether or not the Board of Supervisors of Contra Costa County had the right to deny their franchise, and they felt they could not make a complete showing before the court until the State Engineer had acted upon the proposed bridge, and I think that that is the purpose of the amendment. Now, all the applications pending before this Board at the present time have been before the Board many months beyond the statutory period provided for in the amendment, and I doubt very much if that amendment could apply. However, if the Board will permit me, I will advise them definitely on that next Monday. I am giving you now an opinion without even having the law before me, but that is my best recollection. It will not apply to the applications now pending before the Board.

Supervisor Gallagher: My question is in the record, and if the Clerk will draw it out, it will express the thought that I had in mind when I asked it.

Supervisor Stanton: Does the Clerk of the Board or the Board of Supervisors send this application to the State Engineer, or does the applicant?

Mr. O'Toole: No, my recollection is that the Board of Supervisors transmits it.

Supervisor Shannon: I have a copy of the 1927 legislative digest of the bills and constitutional amendments, compiled by Fred B. Wood, and what the City Attorney has said is in line with this bill. It is Assembly Bill 1041, and amends Section 4 of No. 948, relative to bridges across navigable streams. The amendment provides that when application is made for a franchise for a bridge across a navigable stream, the Board of Supervisors shall notify the State Engineer, who shall, within ten days after notice, designate the width of draw and length of span. I would like to ask the City Attorney: I understand this bill was signed on the 26th of May. Is it correct that a law does not become effective until ninety days after the signing by the Governor?

Mr. O'Toole: No, it is sixty days after the date of the adjournment of the Legislature. I think all bills, unless they were made effective forthwith, or the time of their becoming was specified in the bill itself, will become effective on the 29th of this month.

ADJOURNMENT.

There being no further business, the Board at 6:45 p. m. adjourned.

J. S. DUNNIGAN,
Clerk.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Communication, From Marina District Improvement Associaton Relating to Street Car Service Into the Marina District.

The following was presented and read by the Clerk:

San Francisco, July 28, 1927.
Honorable Board of Supervisors,
City Hall, San Francisco.
Gentlemen:

We would respectfully call your attention to the need of adequate street car service into the Marina District.

The Municipal "F" line now terminates at Chestnut and Pierce streets and the people living on Marina boulevard, North Point, Bay and Jefferson and blocks to the west are compelled to walk to their destinations from this terminus.

The cost of extending this "F" line (as outlined by the City Engineer's office) is very small compared to the additional large revenues to be collected from this already well-paying line.

The Marina District is rapidly expanding and becoming a thickly populated section, needing this interior transportation to serve it.

In view of the benefits that the district will receive and the financial gain to the City, we do herewith petition your Honorable Board to give early consideration to our request for an extension of the "F" service.

Very truly,
MARINA DISTRICT IMPROVEMENT ASSOCIATION.
By ELSA S. LEON,
Secretary.

Referred to Public Utilities Committee.

Leave of Absence, William A. Sherman.

The following was presented and read by the Clerk:

San Francisco, July 30, 1927.
Honorable Board of Supervisors,
City Hall, San Francisco.
Gentlemen:

Application has been made to me by the Honorable William A. Sherman, member of the Board of Fire Commissioners, for a leave of absence, with permission to absent himself from the State of California for a period of five days, commencing August 4, 1927.

Will you please concur with me in granting this leave of absence?

Respectfully yours,
JAMES ROLPH, JR.,
Mayor.

Whereupon, the following resolution was presented and *adopted*:

Resolution No. 27574 (New Series), as follows:

Resolved, That, in accordance with the recommendation of his Honor the Mayor, Hon. William A. Sherman, member of the Board of Fire Commissioners, is hereby granted a leave of absence for a period of five days, commencing August 4, 1927, with permission to leave the State.

Ayes—Supervisors Badaracco, Byington, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri,

SET-BACK LINE HEARING—11 A. M.

Hearing of objections to the establishment of set-back lines along portions of Hollister avenue, Noriega street and Ortega street.

Recommitted.

Objections being offered to the establishment of set-back lines on Hollister avenue, the following bill, on motion of Supervisor Hayden, was ordered *recommitted to the City Planning Committee*:

Bill No. ——, Ordinance No. —— (New Series), as follows:

Establishing set-back lines along portions of Hollister avenue, Noriega street and Ortega street.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited that on the 5th day of July, 1927, the Board of Supervisors adopted Resolution of Intention No. 133 to establish set-back lines along Hollister avenue, Noriega street and Ortega street, and fixed the first day of August, 1927, at 11 o'clock a. m., at the chambers of the Board of Supervisors as the time and place for hearing objections thereto; that thereafter and more than ten days prior to said hearing the said resolution was published and notices of the passage of said resolution were posted along the line of said streets in time, form and manner required by Ordinance No. 5636 (New Series); that said hearing was held at the time and place aforesaid, and that all objections made at said hearing have been properly overruled.

Section 2. Pursuant to the foregoing recitals and in accordance with the provisions of said Ordinance No. 5636 (New Series), setback lines are hereby established as follows:

Along the northeasterly side of Hollister avenue, commencing at Jennings street and running thence southeasterly 600 feet, said set-back line to be 10 feet.

Along the southwesterly side of Noriega street between Eleventh

avenue and Grant way, said set-back line to be 10 feet.

Along the northerly side of Noriega street, commencing at a point 95.618 feet westerly from the point formed by the intersection of the westerly line of Twelfth avenue if produced southerly with the northerly line of Noriega street if produced easterly and running thence to Funston avenue, said set-back line to be 10 feet; along the northerly side of Noriega street, commencing at Funston avenue and running thence westerly along the northerly line of Noriega street and northerly along the easterly line of Fourteenth avenue to Moraga street, said set-back line to be 10 feet; along the southerly side of Noriega street between Grant way and Fourteenth avenue, said set-back line to be 10 feet.

Along the southwesterly side of Ortega street between Eleventh avenue and Cascade walk, said set-back line to be 10 feet; along the northeasterly side of Ortega street between Eleventh avenue and Grant way, said set-back line to be 10 feet.

Along the southerly side of Ortega street between Cascade walk and Fourteenth avenue, said set-back line to be 10 feet; along the northerly side of Ortega street between Grant way and Fourteenth avenue, said set-back line to be 10 feet.

As shown on the maps filed in the office of the Board of Supervisors and to which reference is hereby made for further particulars.

Section 3. No structures shall be erected in the area between said set-back lines and the street lines, except as provided in said Ordinance No. 5636 (New Series), and the penalties for the violation of this ordinance shall be as fixed by the ordinance aforesaid.

NOTICE OF RECONSIDERATION.

Resolution presented by Supervisor Gallagher on June 20, 1927, granting H. J. Mallen permission, revocable at will of the Board of Supervisors, to maintain and operate automobile parking station on west side of Taylor street, south of Eddy street, which resolution was *refcsed passage* by the following vote:

City Attorney Authorized to Employ Assistants in the Matter of Application for Telephone Rate Increase.

Resolution No. 27580 (New Series), as follows:

Whereas, the Pacific Telephone and Telegraph Company has applied to the Railroad Commission of the State of California for an increase in the rates charged for telephone service in the City and County of San Francisco and in adjoining counties; and

Whereas, if the exorbitant rates asked for by said Pacific Telephone and Telegraph Company for said service are granted the same will be an unfair and unjust burden on the people of the City and County of San Francisco, amounting to many millions of dollars each year; and

Whereas, it would be for the best interest and benefit of all the people of the City and County of San Francisco that a vigorous opposition be made before the Railroad Commission of the State of California to the granting of the increase in rates applied for by said Pacific Telephone and Telegraph Company; and

Whereas, at the present time the office of the City Attorney is taxed to its utmost capacity in handling the ordinary legal affairs of the City and County of San Francisco; and

Whereas, for the purpose of making a proper opposition to the granting of said increase in said telephone rates it will be necessary for the City Attorney to retain expert engineers, accountants, legal talent and clerical help over and above that already connected with the office; now, therefore, be it

Resolved, That for the purpose of making a proper opposition to the granting of said increase in telephone rates applied for by said Pacific Telephone and Telegraph Company that there be, and there is hereby appropriated out of the general funds of the City and County of San Francisco the sum of thirty-seven thousand five hundred ($37,500) dollars, which said sum shall be used by the City Attorney of the City and County of San Francisco in the retaining of engineers, expert accountants, legal talent and clerical help for the purpose of making a proper opposition to the granting of said increase in said

telephone rates; all expenditures made against said fund to be approved in the same manner as all other demands against the City and County; and be it

Further Resolved, That the City Attorney be and he is hereby authorized and empowered to retain and employ:

One rate litigation attorney at a salary of $850 per month; one expert rate engineer at a salary of $750 per month; one assistant rate engineer at a salary of $350 per month; one consulting engineer at a salary of $300 per month; one expert rate accountant at a salary of $350 per month; one stenographer at a salary of $175 per month; and in addition thereto to retain such other temporary employees as he shall deem necessary, at an expense not exceeding the sum of $2,000.

Amendng Building Law With Respect to Numbering of New Buildings.

Also, Bill No. 8117, Ordinance No. —— (Sew Series), as follows:

Amending Sections 289 and 290 of Ordinance No. 1008 (New Series), approved December 22, 1909, and known as "The Building Law," relating to the numbering of new buildings.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section No. 289 of Ordinance No. 1008 (New Series), known as "The Building Law," is hereby amended to read as follows:

Numbering of Buildings—When Completed to Be Numbered.

Section 289. Every person, firm or corporation owning any building, or agent thereof, must, within two weeks after the completion or occupation of such building, place or cause to be placed, on the front adjacent to the vestibule used as an entrance to such building so as to be readily and clearly seen from the street, the appropriate number of such building as herein specified. Such number to be placed to the satisfaction of the Board of Public Works.

Entrances to Be Numbered.

Section 290. All entrances from street to buildings, or to separate apartments in buildings shall be numbered as herein specified, and it shall be unlawful for any person, whether owner or occupant of the building, or any apartment therein, to place, maintain or allow to remain thereon any number other than the one required by this ordinance. The number on the front adjacent to the vestibule shall be of a different color from the background upon which it is placed, and each figure of such number shall be at least four (4) inches in length and of proportionate width.

All numbers must be made of substantial and permanent material and must be so affixed as not to be easily effaced or removed. The fees to be charged by the Board of Public Works for designating the proper number as required by the ordinance are as follows: Apartment houses, $2; garages, $2; warehouses, $2; residences, cottages, dwellings, $1; all other buildings, $2; to be paid before any number is issued by the department (as amended by Ordinance No. 5136 (New Series) and 5447 (New Series).

Section 2. This ordinance shall take effect immediately.

Granting to the County of San Mateo the Right to Use Certain Portions of the Hetch Hetchy Aqueduct Right of Way in San Mateo County, State of California, for Purposes of a Public Highway to Be Known as Alameda de las Pulgas.

On motion of Supervisor Shannon:

Bill No. 8118, Ordinance No. —— (New Series), as follows:

Whereas, the County of San Mateo and the Town of Redwood City, in said County, propose to construct within said county a main highway seventy (70) feet wide, to be known as Alameda de las Pulgas, which shall run in a northwesterly and southeasterly direction substantially paralleling the present State highway route 2 leading from the City and County of San Francisco to San Jose, and be distant approximately one (1) mile westerly therefrom; and

Whereas, the City and County of San Francisco is interested in the development of major highways on the San Francisco Peninsula, especially of those leading in such directions as to carry traffic generally toward and away from San Francisco; and

Whereas, the proposed right of way for Alameda de las Pulgas encroaches upon the Hetch Hetchy aqueduct right of way owned by the City and County of San Francisco; and

Whereas, in order to give said Alameda de las Pulgas its proposed full width of seventy (70) feet at its intersection with said aqueduct right of way, it is necessary that the City and County of San Francisco grant to said County of San Mateo the right to use for the purposes of a public highway portions of said aqueduct right of way, which portions constitute small parcels of land on each side of a present open street; and

Whereas, it appears from the recommendation of the City Engineer of the City and County of San Francisco to be to the interest of the City and County of San Francisco that said right be granted; now, therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The City and County of San Francisco hereby grants to the County of San Mateo the right to use, for highway purposes only, subject to the reservations and conditions set forth below, two parcels of land situated in the County of San Mateo, State of California, and particularly described as follows, to-wit:

Parcel 1. All that portion of Lot 5, Block 18, as shown on that certain map entitled "Oak Knoll Manor, Redwood City, San Mateo County, Cal.," filed in the office of the County Recorder of San Mateo County May 10, 1916, in Book 10 of Maps, at pages 4 to 11, described as follows:

Beginning at the point of intersection of the northeasterly line of Lot 5 and the northerly line of that certain parcel of land conveyed by deed from E. Crittenden Ferree and wife to City and County of San Francisco, dated October 21, 1922, and recorded October 24, 1922, in Book 53 of Official Records of San Mateo County, at page 421, said point being distant southeasterly along said lot line 59.97 feet from the northerly corner of said lot; thence running along said northerly line of property of City and County of San Francisco north 84 deg. 13 min. west 19.60 feet; thence south 22 deg. 30 min. east 33.19 feet; thence southeasterly on a curve to the right having a radius of 315.00 feet, 34.02 feet to the southerly line of property of City and County of San Francisco; thence along said southerly line south 84 deg. 13 min. east 23.95 feet to the northeasterly line of said lot; thence northwesterly along said northeasterly lot line on a curve to the left having a radius of 254.38 feet, 69.45 feet to the point of beginning.

Parcel 2. All that portion of Lot 2, Block 17, as shown on the map hereinbefore referred to, described as follows:

Beginning at the northwesterly corner of Lot 2, Block 17, thence running along the northeasterly line of said lot south 45 deg. 29 min. east 2.87 feet; thence leaving said line and running southerly on a curve to the right having a radius of 385.00 feet, 1.14 feet to a point in the southerly line of that certain parcel of land conveyed by deed from Anglo-California Trust Company, a corporation, to City and County of San Francisco, a municipal corporation, dated July 28, 1924, and recorded August 4, 1924, in Book 129 of Official Records of San Mateo County, at page 107; thence along said last mentioned line north 84 deg. 13 min. west 1.76 feet to the westerly line of said Lot 2; thence northerly along said westerly line on a curve to the left having a radius of 279.45 feet, 2.99 feet to the point of beginning.

Section 2. Said right is granted subject to the following reservations

and conditions which shall be accepted by the Board of Supervisors of San Mateo County, before this right becomes effective, viz.:

(a) Those certain reservations and conditions contained in the deed hereinabove referred to in the description of Parcel 1.

(b) In constructing and maintaining said highway over and across said Parcels 1 and 2, the County of San Mateo, its contractors and agents shall not interfere with, remove or injure any structures placed upon or in said parcels by the City and County of San Francisco.

(c) The County of San Mateo shall construct a reinforced concrete slab or other protective structure of design satisfactory to the City Engineer of the City and County of San Francisco, over the Hetch Hetchy aqueduct pipe line or lines in said Parcels 1 and 2, if necessary in the opinion of the City Engineer to protect said pipe line or lines against injury due to the use of said Parcels 1 and 2 for highway purposes. Before commencing construction of said highway over said parcels, the County of San Mateo shall furnish to said City Engineer such information as to its plans for construction as will enable him to determine whether any protective structure is necessary.

(d) The City and County of San Francisco expressly retains the right to make such excavations as may be necessary at any time across said Parcels 1 and 2 for the purposes of constructing, maintaining and replacing aqueduct pipe lines or conduits and appurtenances thereto in the future.

Granting to the Town of Redwood City the Right to Use Certain Portions of the Hetch Hetchy Aqueduct Right of Way in the Town of Redwood City, County of San Mateo, State of California, for Purposes of a Public Highway to Be Known as Alameda de las Pulgas.

Also, Bill No. 8119, Ordinance No. —— (New Series), as follows:

Whereas, the County of San Mateo and the Town of Redwood City in said county propose to construct within said county a main highway seventy (70) feet wide, to be known as Alameda de las Pulgas, which shall run in a northwesterly and southeasterly direction substantially paralleling the present State Highway Route 2 leading from the City and County of San Francisco to San Jose, and be distant approximately one (1) mile westerly therefrom; and

Whereas, the City and County of San Francisco is interested in the development of major highways on the San Francisco Peninsula, especially of those leading in such direction as to carry traffic generally toward and away from San Francisco; and

Whereas, the proposed right of way for Alameda de las Pulgas encroaches upon the Hetch Hetchy Aqueduct right of way owned by the City and County of San Francisco; and

Whereas, in order to give said Alameda de las Pulgas its proposed full width of seventy (70) feet at its intersection with said aqueduct right of way, it is necessary that the City and County of San Francisco grant to said Town of Redwood City the right to use for the purposes of a public highway portions of said aqueduct right of way, which portions constitute small parcels of land on one side of a present open street; and

Whereas, it appears from the recommendations of the City Engineer of the City and County of San Francisco to be to the interest of the City and County of San Francisco that said right be granted:

Now, therefore, be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The City and County of San Francisco hereby grants to the Town of Redwood City the right to use, for highway purposes only, subject to the reservations and conditions set forth below, two parcels of land situated in the Town of Redwood, County of San Mateo, State of California, and particularly described as follows, to-wit:

Parcel 1. All that portion of Lot 2, Block 14, as shown on that certain map entitled "Oak Knoll Manor, Redwood City, San Mateo County, Cal.", recorded May 10, 1916, in Book 10 of Maps, pages 4 to 11, San Mateo County Records, described as follows:

Beginning at the northwesterly corner of Lot 2, Block 14, thence running along the northerly line of said lot north 78 deg. 47 min. east 1.57 feet; thence leaving said lot line and running southerly on a curve to the right having a radius of 385.00 feet 2.35 feet to the southwesterly line of said lot; thence running along said southwesterly line north 45 deg. 29 min. west 2.87 feet to the point of beginning.

Parcel 2. All that portion of Lot 3, Block 14, as shown on the map hereinbefore referred to, bounded and described as follows:

Beginning at the southwesterly corner of Lot 3, Block 14, thence running along the southerly line of

said lot north 78 deg. 47 min. east 1.57 feet; thence leaving said lot line and running northerly on a curve to the left having a radius of 385.00 feet 61.66 feet to a point in the northerly line of that certain parcel of land conveyed by deed from Martin J. Messick, a single man, to City and County of San Francisco, a municipal corporation, dated January 21, 1923, and recorded January 25, 1923, in Book 61 of Official Records, page 255; thence along said northerly line north 84 deg. 13 min. west 1.45 feet to the westerly line of said lot; thence southerly along said westerly line on a curve to the right having a radius of 279.45 feet 62.11 feet to the point of beginning.

Section 2. Said right is granted subject to the following reservations and conditions, which shall be accepted by the Board of Trustees of the Town of Redwood City before this right becomes effective, viz.:

(a) Those certain reservations and conditions contained in the deed hereinabove referred to in the description of Parcel 2.

(b) Those certain reservations and conditions contained in deed dated January 12, 1923, from A. Barreto and wife to City and County of San Francisco, recorded January 15, 1923, in Book 61 of Official Records of San Mateo County, page 198.

(c) In constructing and maintaining said highway over and across said Parcels 1 and 2, the Town of Redwood City, its contractors and agents, shall not interfere with, remove or injure any structures placed upon or in said parcels by the City and County of San Francisco.

(d) The Town of Redwood City shall construct a reinforced concrete slab or other protective structure, of design satisfactory to the City Engineer of the City and County of San Francisco, over the Hetch Hetchy Aqueduct pipe line or lines in said Parcels 1 and 2, if necessary in the opinion of the City Engineer to protect said pipe line or lines against injury due to the use of said Parcels 1 and 2 for highway purposes. Before commencing construction of said highway over said parcels the Town of Redwood City shall furnish to said City Engineer such information as to its plans for construction as will enable him to determine whether any protective structure is necessary.

(e) The City and County of San Francisco expressly retains the right to make such excavations as may be necessary at any time across said Parcels 1 and 2 for the purposes of constructing, maintaining and replacing aqueduct pipe lines or conduits and appurtenances thereto in the future.

Aquatic Park.

The following report from the Park Commission was presented by Supervisor Gallagher and ordered filed, the Park Commission being requested to send copies of the report to members of the Board desiring it:

Office of the Park Commissioners.
July 29, 1927.

To Hon. Andrew J. Gallagher, Supervisor, San Francisco.

In response to your request for a complete report on the status of the Aquatic Park I herewith submit the following:

Pursuant to a resolution adopted by the Honorable Board of Supervisors on January 18, 1922, the Park Commissioners were requested to develop certain recreational activities, among them an Aquatic Park, to be located in the natural cove at the foot of Van Ness avenue and to extend from the easterly boundary of Fort Mason Military Reservation to the foot of Hyde street.

Although this resolution contemplated special appropriations by the Board of Supervisors for the creation of this recreational activity, no funds were provided for the prosecution of the work at the Aquatic Park other than for the purchase of privately-owned properties located within the proposed site.

The City of San Francisco has now purchased all of this privately-owned property and the remaining portion in the Aquatic Park site was ceded to the City and County of San Francisco by a resolution of the Legislature of the State of California May 2, 1923.

Since December 16, 1922, the Park Commissioners and an advisory committee composed of citizens of the City and County, of which Mr. J. E. Scully is chairman, have had almost monthly sessions for the purpose of expediting the completion of this project.

On December 16, 1922, the Park Commissioners appointed Messrs. Bakewell, Brown and Bauer architects for this project and instructed them to prepare a prospectus and plan for the entire scheme. The sketches submitted by the architects were finally approved by the advisory committee of citizens, adopted by the Board of Park Commissioners, and submitted to the Honorable Board of Supervisors for their approval.

The general scheme as submitted having been approved by all the parties concerned in San Francisco, the Board of Park Commissioners, through the architects, then authorized Mr. Frank White, as engineer, to prepare detailed engineering plans and specifications for the construction of the new government wharf, the breakwater, and the recreation pier that would transform the cove into a sheltered harbor.

As nearly as it can be determined at this time the entire cost of the construction of the Aquatic Park will be $1,500,000, expended over a period of five years. This expenditure will complete the following items:

1. Replacement of the government wharf.

2. Construction of the recreation pier.

3. Paving of the extension of Van Ness avenue to the northeastern boundary of Fort Mason.

4. Construction of various buildings, bathhouses, boat-landings, beaches, driveways, approaches, and planting and landscaping the entire park area.

It is of primary importance that the construction work in the first two items be carried out immediately.

As this property has never been dedicated as a public park, no part of the Park Fund may be legally expended thereon for any purpose. However, the Park Commissioners, acting as the agents of the Board of Supervisors, were given control of this project and authorized by the Honorable Board of Supervisors to complete the Aquatic Park under an implied promise that the moneys required therefor would be appropriated from time to time by the Board.

Although the Park Commissioners have requested appropriations for the completion of this park in every annual budget estimate submitted to the Honorable Board of Supervisors since 1922, the only moneys appropriated to date have been as follows:

(a) $5,695.38 (appropriated prior to 1926).
(b) $10,000 (1926-1927 budget).
(c) $10,000 (1927-1928 budget).

With the above appropriations the following work has been or will be completed prior to May 1, 1928:

(a) Completion of survey, soundings and detailed engineering plans for the breakwater and recreation pier and new government wharf ($5,695.38).

(b) Removal of clubhouses from foot of Van Ness avenue and their relocation at the foot of Polk street. (Budget 1926-1927 plus approximately $8,000 from General Fund.)

(c) Fill and rip-rap approximately 120,000 yards for the continuation of Van Ness avenue to northeasterly boundary of Fort Mason (to be completed May 1, 1928, Budget 1927-1928).

It is hoped that in the 1928-1929 Budget sufficient money will be appropriated by the Board of Supervisors to take care of items Nos. 1 and 2, approximately $300,000.

It should be borne in mind that it is a matter of general history in San Francisco that the moneys withdrawn from the South Beach Land Fund would be returned by the Honorable Board of Supervisors and used to assist in the construction of the Aquatic Park. If this is done there will be sufficient moneys in the South Beach Land Fund to complete items Nos. 1 and 2.

B. P. LAMB,
Secretary.

Stephen P. Mather, Director National Park Service.

The following was presented and read by the Clerk and ordered *filed*:

Bay Bridge.

Supervisor McSheehy presented:

Resolution No. 27606 (New Series), as follows:

Whereas, the Navy Department of the United States has requested the War Department not to modify their ruling against allowing a bay bridge north of Hunters Point between San Francisco and the Alameda shores; and

Whereas, sixty years ago franchises were given to conduct ferry systems between San Francisco, Oakland and Alameda. The time consumed in crossing the bay sixty years ago was the same as it is today. Transportation of every kind has developed and progressed but our ferry systems remain the same. Sixty years ago we had three boats crossing the bay, making fifty trips daily; today we have forty ferries crossing the same routes, making 640 trips per day. Sixty years ago the combined population of Oakland, Alameda, Berkeley and San Francisco was about 300,000; today these same cities have 1,300,000, with a commuter travel of 62,000 daily. San Francisco Bay contains 420 square miles and there are 190 square miles of deep water, with a depth of not less than 30 feet below low tide. The City and County of San Francisco contains 43 square miles and the Bay of San Francisco has an area of ten times that. These facts were presented to the Navy Department at the hearing held on June 22, 1927, which apparently made no impression, for on July 15, 1927, Secretary Wilbur of the Navy Department addressed a letter over his signature, stating that the department was of the same mind as on October 7, 1921.

Whereas, a number of public hearings have been held in these chambers, in which an expression of opinion has been rendered by United States Senators, Congressmen, officials of the cities interested, publishers of our daily papers and a number of our leading citizens, and the opinion is unanimous that public necessity demands a bridge from San Francisco to Alameda Mole.

Resolved, That this Board request our City Attorney to confer with our two United States Senators and our Congressional Representatives for the purpose of having a bill drawn up and presented to Congress at its next session which will have the effect of granting the right to construct a transbay bridge from Rincon Hill to a point near the Alameda Mole, as recommended by the board of expert engineers retained by the City and County of San Francisco.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Byington, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Shannon, Todd—14.

No—Supervisor Stanton—1.

Absent — Supervisors Bath, Colman, Powers—3.

Bay Bridge.

Supervisor Havenner presented:

Resolution No. ——— (New Series), as follows:

Whereas, the City and County of San Francisco is committed by its Charter to the policy of public ownership of public utilities.

Whereas, the great States of the East, including New York, New Jersey and Pennsylvania, have abandoned the private construction of highway bridges over important water ways as economically unsound and not in the public interest, and have adopted a fixed policy of public construction and ownership for all such important bridges.

Whereas, recently published statistical reports show that 90 per cent of the highway bridges in the United States today are publicly owned.

Whereas, money for the construction of a bridge can be borrowed more cheaply on public credit than on private credit, which enables the public to enjoy lower tolls on a publicly owned bridge than could be established on a private bridge.

Whereas, the Congress of the United States has given its endorsement and support to the principle of public construction and ownership of highway bridges by enacting legislation providing for Federal

financial aid to publicly owned toll bridges which are destined to become part of the free public highway system of the community upon the amortization of their indebtedness.

Whereas, there is every reason to believe that such Federal financial aid may be obtained for the public construction and ownership of a bridge across San Francisco Bay; now, therefore, be it

Resolved, That the public interest will best be served if the proposed transbay bridge between the City and County of San Francisco and the County of Alameda is financed, constructed, held and operated under public ownership, and the Board of Supervisors of the City and County of San Francisco hereby declare its intention to use every effort to the end that the said bridge shall be publicly financed, constructed, held and operated.

On motion of Supervisor Byington, the above resolution was *laid over for one week.*

BRIDGE HEARINGS.

Motions.

Supervisor Gallagher: I move you that while it is the policy of this Board that we favor a publicly-owned bay bridge, it is however, the sense of this Board that we favor immediate construction of said bridge by private capital, until the people may elect in the manner provided by law to take over said bridge and place it under public ownership and control.

* * *

Supervisor Marks: I move you that, as an amendment to the motion of Supervisor Gallagher, the City Attorney be requested to submit to this Board, at the earliest possible opportunity, a form of submission of the issue of public ownership and operation of the proposed bridge, or private ownership or operation of the proposed bridge, for action by the people at the earliest possible opportunity.

* * *

Supervisor Marks: I desire to present the following motion and calling attention to the fact that it does not call for anything other than asking the City Attorney to submit a proper form of proposal to us. I make the motion which heretofore has been outlined three or four times.

(Referring to motion set out in full above.)

The Chairman: Any objection? So ordered.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Reconstruction of Roads, Presidio Reservation.

Supervisor Marks presented:

Resolution No. 27607 (New Series), as follows:

Be it Resolved, That the Streets and Finance Committee give immediate consideration to the matter of making direct financial appropriation or arrangement for loan of equipment for cooperation with the United States Government in the repair and reconstruction of the roads in the Presidio Reservation.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Byington, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Shannon, Stanton, Todd —15.

Absent—Supervisors Bath, Colman, Powers—3.

Drinking Fountain, Children's Playground.

Supervisor Hayden presented:

Resolved, That the Park Commission be respectfully requested to find a location in the Children's Playground in Golden Gate Park for a drinking fountain in memory of the late Fairfax Wheelan, founder of the Homeless Children Agency of the Native Sons and Daughters of the Golden West.

On motion of Supervisor Hayden, *referred to Committee on Education, Parks and Playgrounds.*

Dust Separators, Pacific Bag Co.

Supervisor Gallagher presented the following communication and upon his motion *referred to Fire Committee*:

San Francisco, Calif.,
August 1, 1927.

To the Honorable, the Board of Supervisors and Building Committee, City and County of San Francisco, San Francisco, Calif.

Gentlemen:

Owing (to) a recent misfortune wherein our plant was destroyed we were forced to rent quarters which necessitates the erection of dust separators outside of the building.

In order to do this we rented ground from month to month to erect these dust separators. We find now that it would be too expensive to erect a steel support for these dust separators as we are liable at any time to be forced to vacate the above mentioned lot. We are, therefore, petitioning the Honorable Board for permission to erect a wooden support to hold the above mentioned dust separators, as per our plans submitted this morning.

The support for the dust separators would merely be a frame, no other building surrounding or enclosing this frame.

Trusting that you will grant this request, we remain,

Yours very truly,

PACIFIC BAG COMPANY,
(Signed) per S. B. Speyer.

Granting Permission to Use War Memorial Site for Demonstration Purposes.

Supervisor Shannon moved that A. J. Norris Hill be granted permission to use War Memorial site, Van Ness avenue and Fulton street, for a demonstation of noncombustible materials.

Motion *carried.*

ADJOURNMENT.

There being no further business, the Board at the hour of 4:55 p. m. adjourned.

J. S. DUNNIGAN,
Clerk.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Roads and Trails, Hetch Hetchy Valley.

Colonel Mather, Director of National Parks; Superintendent Lewis of Yosemite National Park, and Mr. Eckert of the City Engineer's office, addressed the Board relative to the City and County's obligations, under the Raker Act, to construct roads and trails in the Hetch Hetchy Valley.

Whereupon, Supervisor Gallagher made the following motion:

Supervisor Gallagher: I move you that the subject matter brought to our attention by the letter of the Secretary of the Interior, by Colonel Mather, Director of National Parks, by Superintendent Lewis of Yosemite National Park, and by Mr. Eckert of the City Engineer's office, be referred to the Public Utilities Committee with the request that conferences be arranged between the parties concerned on the subject matter to the end that we may, within a degree of reasonableness and within our means, outline a plan to be recommended to the Board for the keeping of the obligations in the Raker Act.

Motion *carried*.

Amendng Building Law With Respect to Numbering of New Buildings.

Bill No. 8117, Ordinance No. 7629 (New Series), as follows:

Amending Sections 289 and 290 of Ordinance No. 1008 (New Series), approved December 22, 1909, and known as "The Building Law," relating to the numbering of new buildings.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section No. 289 of Ordinance No. 1008 (New Series), known as "The Building Law," is hereby amended to read as follows:

Numbering of Buildings—When Completed to Be Numbered.

Section 289. Every person, firm or corporation owning any building, or agent thereof, must, within two weeks after the completion or occupation of such building, place or cause to be placed, on the front adjacent to the vestibule used as an entrance to such building so as to be readily and clearly seen from the street, the appropriate number of such building as herein specified. Such number to be placed to the satisfaction of the Board of Public Works.

Entrances to Be Numbered.

Section 290. All entrances from street to buildings, or to separate apartments in buildings shall be numbered as herein specified, and it shall be unlawful for any person, whether owner or occupant of the building, or any apartment therein, to place, maintain or allow to remain thereon any number other than the one required by this ordinance. The number on the front adjacent to the vestibule shall be of a different color from the background upon which it is placed, and each figure of such number shall be at least four (4) inches in length and of proportionate width.

Granting San Mateo County Permission to Use Hetch Hetchy Rights of Way in Said County.

Bill No. 8118, Ordinance No. 7630 (New Series), as follows:

Granting to the County of San Mateo the right to use certain portions of the Hetch Hetchy aqueduct right of way in San Mateo County, State of California, for purposes of a public highway to be known as Alameda de las Pulgas.

Whereas, the County of San Mateo and the Town of Redwood City, in said County, propose to construct within said county a main highway seventy (70) feet wide, to be known as Alameda de las Pulgas, which shall run in a northwesterly and southeasterly direction substantially paralleling the present State highway route 2 leading from the City and County of San Francisco to San Jose, and be distant approximately one (1) mile westerly therefrom; and

Whereas, the City and County of San Francisco is interested in the development of major highways on the San Francisco Peninsula, especially of those leading in such directions as to carry traffic gen-

erally toward and away from San Francisco; and

Whereas, the proposed right of way for Alameda de las Pulgas encroaches upon the Hetch Hetchy aqueduct right of way owned by the City and County of San Francisco; and

Whereas, in order to give said Alameda de las Pulgas its proposed full width of seventy (70) feet at its intersection with said aqueduct right of way, it is necessary that the City and County of San Francisco grant to said County of San Mateo the right to use for the purposes of a public highway portions of said aqueduct right of way, which portions constitute small parcels of land on each side of a present open street; and

Whereas, it appears from the recommendation of the City Engineer of the City and County of San Francisco to be to the interest of the City and County of San Francisco that said right be granted; now, therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The City and County of San Francisco hereby grants to the County of San Mateo the right to use, for highway purposes only, subject to the reservations and conditions set forth below, two parcels of land situated in the County of San Mateo, State of California, and particularly described as follows, to-wit:

Parcel 1. All that portion of Lot 5, Block 18, as shown on that certain map entitled "Oak Knoll Manor, Redwood City, San Mateo County, Cal.," filed in the office of the County Recorder of San Mateo County May 10, 1916, in Book 10 of Maps, at pages 4 to 11, described as follows:

Beginning at the point of intersection of the northeasterly line of Lot 5 and the northerly line of that certain parcel of land conveyed by deed from E. Crittenden Ferree and wife to City and County of San Francisco, dated October 21, 1922, and recorded October 24, 1922, in Book 53 of Official Records of San Mateo County, at page 421, said point being distant southeasterly along said lot line 59.97 feet from the northerly corner of said lot; thence running along said northerly line of property of City and County of San Francisco north 84 deg. 13 min. west 19.60 feet; thence south 22 deg. 30 min. east 33.19 feet; thence southeasterly on a curve to the right having a radius of 315.00 feet, 34.02 feet to the southerly line of property of City and County of San Francisco; thence along said southerly line south 84 deg. 13 min. east 23.95 feet to the northeasterly line of said lot; thence northwesterly along said northeasterly lot line on a curve to the left having a radius of 254.38 feet, 69.45 feet to the point of beginning.

Parcel 2. All that portion of Lot 2, Block 17, as shown on the map hereinbefore referred to, described as follows:

Beginning at the northwesterly corner of Lot 2, Block 17, thence running along the northeasterly line of said lot south 45 deg. 29 min. east 2.87 feet; thence leaving said line and running southerly on a curve to the right having a radius of 385.00 feet, 1.14 feet to a point in the southerly line of that certain parcel of land conveyed by deed from Anglo-California Trust Company, a corporation, to City and County of San Francisco, a municipal corporation, dated July 28, 1924, and recorded August 4, 1924, in Book 129 of Official Records of San Mateo County, at page 107; thence along said last mentioned line north 84 deg. 13 min. west 1.76 feet to the westerly line of said Lot 2; thence northerly along said westerly line on a curve to the left having a radius of 279.45 feet, 2.99 feet to the point of beginning.

Section 2. Said right is granted subject to the following reservations and conditions which shall be accepted by the Board of Supervisors of San Mateo County, before this right becomes effective, viz.:

(a) Those certain reservations and conditions contained in the deed hereinabove referred to in the description of Parcel 1.

(b) In constructing and maintaining said highway over and across said Parcels 1 and 2, the County of San Mateo, its contractors and agents shall not interfere with, remove or injure any structures placed upon or in said parcels by the City and County of San Francisco.

(c) The County of San Mateo shall construct a reinforced concrete slab or other protective structure of design satisfactory to the City Engineer of the City and County of San Francisco, over the Hetch Hetchy aqueduct pipe line or lines in said Parcels 1 and 2, if necessary in the opinion of the City Engineer to protect said pipe line or lines against injury due to the use of said Parcels 1 and 2 for highway purposes. Before commencing construction of said highway over said parcels, the County of San Mateo

shall furnish to said City Engineer such information as to its plans for construction as will enable him to determine whether any protective structure is necessary.

(d) The City and County of San Francisco expressly retains the right to make such excavations as may be necessary at any time across said Parcels 1 and 2 for the purposes of constructing, maintaining and replacing aqueduct pipe lines or conduits and appurtenances thereto in the future.

Ayes — Supervisors Badaracco, Byington, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Stanton, Todd—13.

Bill No. 8119, Ordinance No. 7631 (New Series), as follows:

Granting to the Town of Redwood City the right to use certain portions of the Hetch Hetchy aqueduct right of way in the Town of Redwood City, County of San Mateo, State of California, for purposes of a public highway to be known as Alameda de las Pulgas.

Whereas, the County of San Mateo and the Town of Redwood City in said county propose to construct within said county a main highway seventy (70) feet wide, to be known as Alameda de las Pulgas, which shall run in a northwesterly and southeasterly direction substantially paralleling the present State Highway Route 2 leading from the City and County of San Francisco to San Jose, and be distant approximately one (1) mile westerly therefrom; and

Whereas, the City and County of development of major highways on the San Francisco Peninsula, especially of those leading in such direction as to carry traffic generally toward and away from San Francisco; and

Whereas, the proposed right of way for Alameda de las Pulgas encroaches upon the Hetch Hetchy Aqueduct right of way owned by the City and County of San Francisco; and

Whereas, in order to give said Alameda de las Pulgas its proposed full width of seventy (70) feet at its intersection with said aqueduct right of way, it is necessary that the City and County of San Francisco grant to said Town of Redwood City the right to use for the purposes of a public highway portions of said aqueduct right of way, which portions constitute small parcels of land on one side of a present open street; and

Whereas, it appears from the recommendations of the City Engineer of the City and County of San Francisco to be to the interest of the City and County of San Francisco that said right be granted;

Now, therefore, be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The City and County of San Francisco hereby grants to the Town of Redwood City the right to use, for highway purposes only, subject to the reservations and conditions set forth below, two parcels of land situated in the Town of Redwood, County of San Mateo, State of California, and particularly described as follows, to-wit:

Parcel 1. All that portion of Lot 2, Block 14, as shown on that certain map entitled "Oak Knoll Manor, Redwood City, San Mateo County, Cal.", recorded May 10, 1916, in Book 10 of Maps, pages 4 to 11, San Mateo County Records, described as follows:

Providing for the Issuance and Redemption of War Memorial Bonds to the Amount of $4,000,000.

City Attorney presented:

Bill No. 8143, Ordinance No. —— (New Series), as follows:

Providing for the issuance and redemption of bonds of the City and County of San Francisco to the amount of four million ($4,000,000) dollars for the acquisition, construction and completion of a permanent improvement, to-wit: The construction, completion and equipment of permanent buildings in or adjacent to the Civic Center in the City and County of San Francisco, to be used as memorial halls for war veterans, and for educational, recreational, entertainment and other municipal purposes, and the purchase of all equipment and furnishings necessary for said buildings, in accordance with and as authorized at a special election held in said City and County on the 14th day of June, 1927.

Whereas, a special election was held in the City and County of San Francisco on the 14th day of June, 1927, in accordance with the provisions and requirements of Ordinance No. 7516 (New Series), calling and providing for such election, and Resolution No. 27283 (New Series), giving notice thereof, reference to said ordinance and resolution for further particulars being here made; and

Whereas, it has been determined by Resolution No. 27642 (New Series), reference thereto for further particulars being here made, that at such special election more than two-thirds of the votes cast thereat were cast and counted as being in favor of and to authorize the incurring of a bonded indebtedness for the purpose and to the amount stated in the proposition submitted thereat; now, therefore,

Be it ordained by the people of the City and County of San Francisco as follows:

Section 1. That bonds of the City and County of San Francisco be issued in accordance with the result of the special election held in said City and County on the 14th day of June, 1927, and the provisions of said Charter of said City and County and with Ordinance No. 7516 (New Series), and Resolution No. 27283 (New Series), as follows, to-wit:

That bonds of the City and County of San Francisco be issued to the amount of four million ($4,000,000) dollars for the purpose of the acquisition, construction and completion of a permanent improvement, to-wit: The construction, completion and equipment of permanent buildings in or adjacent to the Civic Center in the City and County of San Francisco, to be used as memorial halls for war veterans, and for educational, recreational, entertainment and other municipal purposes, and the purchase of all equipment and furnishings necessary for said buildings.

That such bonds shall be called "Memorial Halls Bonds," shall be 400 in number, and shall be numbered from 1 to 4000, both inclusive, and shall be payable two hundred thousand ($200,000) dollars thereof five years from the date of said bonds, beginning with the lowest number, and two hundred thousand ($200,000) dollars thereof of the next higher numbers on the same day in each succeeding year until all of said bonds shall be paid.

Section 2. All of the bonds issued as herein provided shall be of the form and character known as "serials." All of said bonds shall be dated September 1, 1927, shall bear interest at the rate of four and one-half per centum per annum, payable semi-annually on the first day of January and July of each year untill the maturity thereof; shall be of the denomination of $1,000 each, and the principal and interest thereof shall be payable in gold coin of the United States at the office of the Treasurer of said City and County, or, at the option of the holder, at the fiscal agency of said City and County in the City and State of New York.

Section 3. Said bonds shall be signed by the Mayor and by the Treasurer of the City and County of San Francisco, countersigned by the Auditor, and attested by the Clerk of the Board of Supervisors with the seal of said City and County.

Said bonds shall be in substantially the following form;

The United States of America.
State of California.
City and County of San Francisco.
Memorial Halls Bond.

No. —— $1,000.00

For value received, the City and County of San Francisco, a municipal corporation organized and existing under the laws of the State of California, hereby acknowledges itself indebted and promises to pay to the bearer, on the first day of ——, 19——, one thousand dollars, with interest thereon at the rate of 4½ per centum per annum, payable semi-annually January 1 and July 1, on presentation and surrender of the coupons hereto attached as they respectively become due, both principal and interest being payable in gold coin of the United States at the office of the Treasurer of said City and County, or, at the option of the holder, at the fiscal agency of said City and County of San Francisco in the City and State of New York.

This bond is issued under and pursuant to the Constitution and statutes of the State of California and the Charter of said City and County of San Francisco and amendments thereto, and under and pursuant to ordinances and proceedings of said City and County duly adopted and taken, and a vote and assent of more than two-thirds of all the qualified electors of said City and County voting at a special election duly and legally called and held for that purpose.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this bond have existed, happened and been performed in due time, form and manner as required by law, and that the amount of this bond, together with all other indebtedness of said City and County, does not exceed any limit prescribed by the Constitution or statutes of said State or Charter of said City and County, and that provision has been made as required by the Constitution and statutes of said State and the Charter of said City and County for the collection of an annual tax sufficient to pay the interest on this bond as it falls due, and also provision to constitute a sinking fund for the payment of the principal of this bond on or before maturity. The full faith and credit of said City and County are hereby pledged for the punctual payment of the principal and interest of this bond.

This bond may be converted into a registered bond upon presentation to the Treasurer of the City and County of San Francisco, in which event such Treasurer shall cut off and cancel the coupons of this bond, and shall sign a statement stamped, printed or written upon the back or face of the bond to the effect that this bond is registered in the name of the owner and that thereafter the interest and principal of this bond are payable to the registered owner. Thereafter and from time to time this bond may be transferred by such registered owner in person or by attorney duly authorized on presentation of this bond to the Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon.

This bond is exempt from all taxation within the State of California.

In witness whereof, said City and County of San Francisco has caused this bond to be executed under its corporate seal, signed by its Mayor and Treasurer, and countersigned by its Auditor, and has caused the interest coupons hereto attached to be signed with the engraved or lithographed signature of its Treasurer, and this bond to be dated the first day of September, 1927.

Providing for the Issuance and Redemption of Bernal Cut Bonds to the Amount of $1,400,000.

Also, Bill No. 8144, Ordinance No. —— (New Series), as follows:

Providing for the issuance and redemption of bonds of the City and County of San Francisco, to the amount of one million four hundred thousand ($1,400,000) dollars, for the acquisition, construction and completion of a permanent improvement, to-wit: A cut or excavation with approach fills, providing an improved route for public highway purposes in the City and County of San Francisco, known as the Bernal Cut, which improvement begins at or near the intersection of Randall and Dolores streets and extending southerly to a point at or near the intersection of San Jose avenue and Diamond street in the City and County of San Francisco, including approaches, structures, pavements, curbs, sidewalks, sewers, drainage facilities, the readjustment of intersecting and adjacent streets and other improvements, and the purchase of necessary lands, in accordance with and as authorized at a special election held in said City and County on the 14th day of June, 1927.

Whereas, a special election was held in the City and County of San Francisco on the 14th day of June, 1927, in accordance with the provisions and requirements of Ordinance No. 7512 (New Series), calling and providing for such election,

and Resolution No. 27282 (New Series), giving notice thereof, reference to said ordinance and resolution for further particulars being here made; and

Whereas, it has been determined by Resolution No. 27643 (New Series), reference thereto for further particulars being here made, that at such special election more than two-thirds of the votes cast thereat were cast and counted as being in favor of and to authorize the incurring of a bonded indebtedness for the purpose and to the amount stated in the proposition submitted thereat; now, therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That bonds of the City and County of San Francisco be issued in accordance with the result of the special election held in said City and County on the 14th day of June, 1927, and the provisions of said Charter of said City and County and with Ordinance No. 7512 (New Series), and Resolution No. 27282 (New Series), as follows, to-wit:

That bonds of the City and County of San Francisco be issued to the amount of one million four hundred thousand ($1,400,000) dollars for the purpose of the acquisition, construction and completion of a permanent improvement, to-wit: A cut or excavation with approach fills and other improvements providing an improved route for public highway purposes in the City and County of San Francisco known as the Bernal Cut, which improvement begins at or near the intersection of Randall and Dolores streets and extending southerly to a point at or near the intersection of San Jose avenue and Diamond street in the City and County of San rancisco.

That such bonds shall be called "Bernal Cut Bonds," shall be 1400 in number, and shall be numbered from 1 to 1400, both inclusive, and shall be payable seventy thousand dollars thereof five years from the date of said bonds, beginning with the lowest number, and seventy thousand dollars thereof of the next higher numbers on the same day in each succeeding year until all of said bonds shall be paid.

Section 2. All of the bonds issued as herein provided shall be of the form and character known as "serials." All of said bonds shall be dated September 1, 1927, shall bear interest at the rate of four and one-half per centum per annum, payable semi-annually on the first day of January and July of each year until the maturity thereof; shall be of the denomination of $1,000 each, and the principal and interest thereof shall be payable in gold coin of the United States at the office of the Treasurer of said City and County, or, at the option of the holder, at the fiscal agency of said City and County in the City and State of New York.

Section 3. Said bonds shall be signed by the Mayor and by the Treasurer of the City and County of San Francisco, countersigned by the Auditor, and attested by the Clerk of the Board of Supervisors with the seal of said City and County.

Said bonds shall be in substantially the following form:

The United States of America.
State of California.
City and County of San Francisco.
Bernal Cut Bond.

No. ——— $1,000.00

For value received, the City and County of San Francisco, a municipal corporation organized and existing under the laws of the State of California, hereby acknowledges itself indebted and promises to pay to the bearer, on the first day of ———, 19—, one thousand dollars, with interest thereon at the rate of 4½ per centum per annum, payable semi-annually January 1 and July 1, on presentation and surrender of the coupons hereto attached as they respectively become due, both principal and interest being payable in gold coin of the United States at the office of the Treasurer of said City and County, or, at the option of the holder, at the fiscal agency of said City and County of San Francisco in the City and State of New York.

This bond is issued under and pursuant to the Constitution and statutes of the State of California and the Charter of said City and County of San Francisco and amendments thereto, and under and pursuant to ordinances and proceedings of said City and County duly adopted and taken, and a vote and assent of more than two-thirds of all the qualified electors of said City and County voting at a special election duly and legally called and held for that purpose.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this bond have existed, happened and been performed in due time, form and manner as required by law, and that the amount of this bond, together with all other indebtedness of said City and County, does not exceed

any limit prescribed by the Constitution or statutes of said State or Charter of said City and County, and that provision has been made as required by the Constitution and statutes of said State and the Charter of said City and County for the collection of an annual tax sufficient to pay the interest on this bond as it falls due, and also provision to constitute a sinking fund for the payment of the principal of this bond on or before maturity. The full faith and credit of said City and County are hereby pledged for the punctual payment of the principal and interest of this bond.

This bond may be converted into a registered bond upon presentation to the Treasurer of the City and County of San Francisco, in which event such Treasurer shall cut off and cancel the coupons of this bond, and shall sign a statement stamped, printed or written upon the back or face of the bond to the effect that this bond is registered in the name of the owner and that thereafter the interest and principal of this bond are payable to the registered owner. Thereafter and from time to time this bond may be transferred by such registered owner in person or by attorney duly authorized on presentatoin of this bond to the Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon.

This bond is exempt from all taxation within the State of California.

In witness whereof, said City and County of San Francisco has caused this bond to be executed under its corporate seal, signed by its Mayor and Treasurer, and countersigned by its Auditor, and has caused the interest coupons hereto attached to be signed with the engraved or lithographed signature of its Treasurer, and this bond to be dated the first day of September, 1927.

....., Mayor.

....., Treasurer.

Countersigned:

....., Auditor.

....., Clerk of the Board of Supervisors.

(Seal)

Section 4. Interest coupons shall be attached to each bond to the number of twice the number of years such bond will run until the maturity thereof, and the coupons shall be of such a sum as will amount to the interest due on such bond for six months, and there shall be a coupon attached representing the amount of interest due from September 1st, 1927, to January 1st, 1928. Such coupons shall be numbered from one upwards and shall state the name and number of the bond to which it is attached. Such coupons shall bear the fac-simile signature of the Treasurer of the City and County of San Francisco and be substantially in the following form:

Form of Coupon.

No..... $.....

On.. .....1, 19...., the City and County of San Francisco, California, will pay to bearer at the office of the Treasurer of said City and County, or at the option of the holder of the fiscal agency of the City and County of San Francisco, in the State of New York, ... dollars ($.....) in gold coin of the United States, being six months' interest then due on its "Bernal Cut" bond dated September 1, 1927, number .....

....., Treasurer.

The form of coupon for interest from September 1st, 1927, to January 1st, 1928, shall be of similar form as the above set forth form of coupon, with the exception that the coupon shall recite that it is four months' interest due on said bond.

Section 5. Any bond may be converted into a registered bond upon presentation to the Treasurer of the City and County of San Francisco, in which event such Treasurer shall cut off and cancel the coupons of this bond, and shall sign a statement stamped, printed or written upon the back or face of the bond to the effect that the bond is registered in the name of the owner and that thereafter the interest and principal of the bond are payable to the registered owner. Thereafter and from time to time the bond may be transferred by such registered owner in person or attorney duly authorized on presentation of the bond to the Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon. Such registration shall be substantially in the following form:

Form of Registration.

San Francisco, ..., 19..

This bond is registered pursuant to Charter of the City and County of San Francisco, State of California, in the name of ....., and the interest and principal thereof are hereafter payable to such owner.

....., Treasurer.

Section 6. For the purpose of providing for the payment of the principal and interest of said bonds, taxes shall be levied and collected as provided in Ordinance No. 7512 (New Series) and Resolution No. 27282 (New Series), and in furtherance of the purpose herein expressed the following fund is hereby created, to-wit: "Bernal Cut Bond Interest and Redemption Fund."

Section 7. The Board of Supervisors shall sell said bonds at such times and in such amounts as it may determine. The proceeds arising from the sale of Bernal Cut bonds shall be placed in the treasury to the credit of the "Bernal Cut Construction Fund," which fund is hereby created, and shall be used exclusively for the purpose for which such bonds were issued.

Section 8. This ordinance shall take effect immediately. And the Clerk of the Board of Supervisors is hereby directed to advertise this bill and ordinance in the official newspaper, as required by law.

Declaring Result of Special Bond Election, War Memorial Buildings.

City Attorney presented:

Resolution No. 27642 (New Series), as follows:

Declaring the result of the special election held on the 14th day of June, 1927, for the purpose of authorizing the incurring of a bonded debt of the City and County of San Francisco to the amount of four million ($4,000,000) dollars for the acquisition, construction and completion of a permanent improvement, to-wit: The construction, completion and equipment of permanent buildings in or adjacent to the Civic Center in the City and County of San Francisco, to be used as memorial halls for war veterans, and for educational, recreational, entertainment and other municipal purposes, and the purchase of all equipment and furnishings necessary for said buildings.

Whereas, pursuant to the provisions of Ordinance No. 7516 (New Series), calling a special election, and Resolution No. 27283 (New Series), giving notice of the same, a special election was held in the City and County of San Francisco, State of California, on the 14th day of June, 1927, whereat was submitted to and determined by the qualified voters of said City and County the following proposition:

To incur a bonded debt of the City and County of San Francisco to the amount of four million ($4,000,000) dollars for the acquisition, construction and completion of a permanent improvement, consisting of public buildings in or adjacent to the Civic Center of the City and County of San Francisco, to be used as memorial halls for war veterans and for educational, recreational, entertainment and other municipal purposes, and the purchase of all equipment and furnishings necessary for said buildings. Bonds issued for such purpose shall bear interest at the rate of four and one-half per cent (4½%) per annum, payable semi-annually.

Whereas, said election was held and conducted in form and manner and in every respect as required by law, and the returns thereof canvassed, and the result thereon determined and declared as required by law; and

Whereas, the Board of Election Commissioners of said City and County filed on June 23, 1927, in the office of the Clerk of the Board of Supervisors its certificate showing the facts above recited, and setting forth in detail the total number of votes cast at such election, and the number of votes cast and counted for and against the aforesaid proposition; now, therefore, be it

Resolved, By the Board of Supervisors, as follows:

1. It is hereby declared that the special election held on the 14th day of June, 1927, was held and conducted, and the votes cast and counted thereat, and the returns thereof made and the result thereof determined and declared, in all respects, and in time, form and manner as required by the laws of the State of California, and the

Charter and ordinances of the City and County of San Francisco.

2. It is hereby declared that the total number of votes cast at said special election was 69,879.

3. It is hereby declared that of the votes so cast 48,977 were cast and counted as being in favor of said proposition, and that 20,902 votes were cast and counted as being against and not in favor of said proposition herein set forth.

4. It is hereby declared and determined that more than two-thirds of all the votes cast at said special election were cast and counted as being in favor of said proposition and were sufficient to authorize, and did authorize, the incurring of a bonded indebtedness to the amount of and for the purpose stated in said proposition.

5. The Clerk of the Board of Supervisors is hereby directed to advertise this resolution in the official newspaper.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Byington, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Stanton, Todd—13.

Absent—Supervisors Bath, Colman, Deasy, Powers, Shannon—5.

Declaring the Result of Special Bond Election, Bernal Cut.

City Attorney presented:

Resolution No. 27643 (New Series), as follows:

Declaring the result of the special election held on the 14th day of June, 1927, for the purpose of authorizing the incurring of a bonded debt of the City and County of San Francisco to the amount of one million four hundred thousand ($1,400,000) dollars for the acquisition, construction and completion of the permanent improvement known as the Bernal Cut, which consists of a cut, or excavation with approach fills, providing an improved route for public highway purposes in the City and County, which begins at or near the intersection of Randall and Dolores streets and extending southerly to a point at or near the intersection of San Jose avenue and Diamond street in the City and County of San Francisco, including approaches, structures, pavements, curbs, sidewalks, sewers, drainage facilities, the readjustment of intersecting and adjacent streets and other improvements, and the purchase of necessary lands.

Whereas, pursuant to the provisions of Ordinance No. 7512 (New Series), calling a special election, and Resolution No. 27282 (New Series), giving notice of the same, a special election was held in the City and County of San Francisco, State of California, on the 14th day of June, 1927, whereat was submitted to and determined by the qualified voters of said City and County the following proposition:

To incur a bonded debt of the City and County of San Francisco to the amount of one million four hundred thousand ($1,400,000) dollars for the acquisition, construction and completion of a permanent improvement, to-wit:

A cut, or excavation with approach fills, and other improvements providing an improved route for public highway purposes in the City and County of San Francisco known as the Bernal Cut, which improvement begins at or near the intersection of Randall and Dolores strets and extending southerly to a point at or near the intersection of San Jose avenue and Diamond street, in the City and County of San Francisco. Bonds issued for such purpose shall bear interest at the rate of four and one-half per cent (4½%) per per annum, payable semi-annually.

Whereas, said election was held and conducted in form and manner and in every respect as required by law, and the returns thereof canvassed, and the result thereon determined and declared as required by law; and

Whereas, the Board of Election Commissioners of said City and County filed, on June 23, 1927, in the office of the Clerk of the Board of Supervisors, its certificate showing the facts above recited; and setting forth in detail the total number of votes cast at such election, and the number of votes cast and counted for and against the aforesaid proposition; now therefore be it

Resolved, by the Board of Supervisors as follows:

1. It is hereby declared that the special election held on the 14th day of June, 1927, was held and conducted and the votes cast and counted thereat, and the returns thereof made and the result thereof determined and declared, in all respects, and in time, form and manner as required by the laws of the State of California and the charter and ordinances of the City and County of San Francisco.

2. It is hereby declared that the total number of votes cast at said special election was 70,575.

3. It is hereby declared that of the votes so cast, 52,623 were cast and counted as being in favor of

said proposition and that 17,952 votes were cast and counted as being against and not in favor of said proposition herein set forth.

4. It is hereby declared and determined that more than two-thirds of all votes cast at said special election were cast and counted as being in favor of said proposition, and were sufficient to authorize and did authorize the incurring of a bonded indebtedness to the amount of and for the purpose stated in said proposition.

5. The Clerk of the Board of Supervisors is hereby directed to advertise this resolution in the official newspaper.

Appointment of Commissioners, Islais Creek District.

Supervisor Marks presented:

Resolution No. ——— (New Series), as follows:

Whereas, the Board of Trustees of the Islais Creek Reclamation District, a reclamation district created by an act of the Legislature of the State of California, known as the Islais Creek Reclamation District Act, approved April 6, 1925, have reported to the Board of Supervisors of the City and County of San Francisco, State of California, in which City and County of San Francisco said district is wholly situated, their plans for the reclamation of the lands of said district, together with their estimates of the cost of the contemplated works of said district, as required by law, necessary for the reclamation of the lands of the district, in pursuance of such plans; and

Whereas, said estimated cost is the sum of one million six hundred twenty thousand one hundred fifty-two dollars $1,620,152) as follows:

Fill	$866,285
Rock bulkhead wall.	493,867
Sewer	160,000
Incidentals	50,000
Engineering, inspection and collection	50,000
Total	$1,620,152

And it further appearing that no maintenance or repairs will be necessary in connection with the reclamation of said lands, and for that reason said estimate does not include any allowance for maintenance or repairs, and it is proper that an assessment in said amount of $1,620,152 be levied upon the lands within said district; and

Whereas, said plans and said estimates of said costs have been filed by the Board of Trustees of said Islais Creek Reclamation District with the County Clerk of said City and County of San Francisco, in duplicate; and

Whereas, copies of said plans and said estimate of said costs, duly certified as true and correct copies thereof by said County Clerk, have been filed with the Clerk of the Board of Supervisors of said City and County of San Francisco, together with a petition and request from said Board of Trustees of said Islais Creek Reclamation District that the Board of Supervisors of said City and County of San Francisco appoint three commissioners to view and assess upon the land within said district the said sum of $1,620,152 and to apportion the same according to the benefits that will accrue to each tract of land in said district respectively, by reason of the expenditure of said sum of money so estimated as the cost of the contemplated works of said district, as aforesaid; and

Whereas, it becomes the duty of the Board of Supervisors of said City and County of San Francisco, under the law and under the circumstances aforesaid, to appoint three commissioners for the pur-

poses aforesaid; now, therefore, be it

Resolved, By the Board of Supervisors of the City and County of San Francisco as follows:

H. W. Crozier, having his office at No. 58 Sutter street, and Walter H. Sullivan, having his office in the Alexander Building, and Louis A. Weidenmuller, having his office at No. 308 Montgomery street, all of said City and County of San Francisco, and being three fit and disinterested persons who have no interest in any real estate within said Islais Creek Reclamation District, be and the same are hereby appointed as commissioners to view and assess upon the land within said Islais Creek Reclamation District, the sum of $1,620,152, the sum estimated as aforesaid, as the cost of the contemplated works of said district, necessary for the reclamation of the lands of said district in pursuance of the plans of the Board of Trustees of said Islais Creek Reclamation District reported to the Board of Supervisors of said City and County of San Francisco aforesaid. The said commissioners shall apportion said sum of $1,620,152 according to the benefits that will accrue to each tract of land in said Islais Creek Reclamation District, respectively, by reason of the expenditure of said sum of money, so estimated, as the cost of the contemplated works of said district, as aforesaid, and shall estimate the same in gold coin of the United States.

Each of the said commissioners so appointed, as aforesaid, before entering upon his duties as such commissioner shall, pursuant to law, make and subscribe an oath that he is not in any manner interested in any real estate within said Islais Creek Reclamation District, directly or indirectly, and that he will perform the duties of a commissioner to the best of his ability.

When said commissioners have made a list of the charges assessed against each tract of land in said Islais Creek Reclamation District, pursuant to law, and when said lists have been completed, the said commissioners shall file the same with the Clerk of the Board of Supervisors of said City and County of San Francisco for such action thereon by the Board of Supervisors of said City and County of San Francisco as is appointed and provided by law.

Supervisor McSheehy moved that the name of Peter J. Haggerty be substituted for one of the names submitted for one of the three submitted by the Trustees.

Supervisor Badaracco seconded the motion.

Supervisor Gallagher moved to amend the motion by referring the subject matter to the Trustees and Streets Committee, for reference, the resolution to remain on the calendar.

Motion *carried*.

Expiring Street Railway Franchises.

Supervisor Havenner presented: Resolution No. 27648 (New Series), as follows:

Whereas, many of the franchises under and by virtue of which the privately-owned street railway companies operate their street cars over the streets of San Francisco will expire during the early part of the year 1929; and

Whereas, the City and County of San Francisco is by its charter committed to the acquisition of its public utilities, and that we, the Board of Supervisors of San Francisco, believe that all of the street railways of San Francisco should be municipally owned and operated; and

Whereas, that, unless some immediate steps are taken to make provision for the operation of the lines of the said privately-owned street railways at the expiration of their present franchises, the people of San Francisco may be left without adequate means of transportation; and

Whereas, we believe that if the physical properties of all of the said street railways can be acquired at their fair and reasonable value, having due regard for the limited existence of the respective franchises under which the same are operated, that the City should acquire the same, either at the date of the expiration of said franchises, or in the interim between the present time and the date of said expiration of said franchises; now, therefore, be it

Resolved, That the City Attorney be and he is hereby directed to make a full and complete research of all matters pertaining to the expiration of the franchises under which the privately-owned railway companies operate in the City and County of San Francisco, as well as what rights and properties will revert to the City upon the expiration of said franchises, as well as the rights and properties which will remain in possession of the respective street railway companies at the date of said expiration of said respective franchises, and also where certain street lines are operated under more than one franchise,

what effect the expiration of one of said franchises will have on the operation of that particular line.

And further that said City Attorney advise as to what action, if any, shall be necessary to compel the said railway companies to cease operation of their said cars on the expiration of their respective franchises, or under what conditions, if any, the City might enter into a temporary agreement with said companies for the continued operation of their said street railways after the expiration of said franchises, and further, whether it will be possible for the City to purchase the property of said railway companies, either at the date of the expiration of said franchises, or in the interim between the present time and the date of said expiration, and if so, to cooperate with the Public Utilities and Finance Committies in reporting to this Board, at what figure, and if said properties cannot be purchased by agreement with said respective companies, can the same be taken under condemnation proceedings, and if such proceedings are commenced what particular properties can be taken thereunder; and be it

Further Resolved, That said City Attorney report to this Board as soon as said investigation can be made.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Byington, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Stanton, Todd—13.

Absent—Supervisors Bath, Colman, Deasy, Powers, Shannon—5.

After the adoption of the foregoing resolution the following motions were made and *carried*:

Supervisor Gallagher: I move you in the first instance, that the committee in charge of this subject matter be requested to investigate the plan of operation of indeterminate franchises in other cities and to report the conclusion and I would like to name the City Attorney and any other public official that their judgment dictates to cooperate to this end.

Supervisor Havenner: I move you that the City Engineer be requested to bring up to date his report on the physical value of the Market Street Railway properties.

Bay Bridge.

Supervisor Havenner presented: Resolution No. 27649 (New Series), as follows:

Whereas, the City and County of San Francisco is committed by its charter to the policy of public ownership of public utilities; and

Whereas, the great states of the East, including New York, New Jersey and Pennsylvania have abandoned the private construction of highway bridges over important waterways as economically unsound and not in the public interest, and have adopted a fixed policy of public construction and ownership for all such important bridges; and

Whereas, recently published statistical reports show that 90 per cent of the highway bridges in the United States today are publicly-owned; and

Whereas, money for the construction of a bridge can be borrowed more cheaply on public credit than on private credit, which enables the public to enjoy lower tolls on a publicly-owned bridge than could be established on a private bridge; and

Whereas, the Congress of the United States has given its endorsement and support to the principle of public construction and ownership of highway bridges by enacting legislation providing for federal financial aid to publicly-owned toll bridges which are destined to become part of the free public highway system of the community upon the amortization of their indebtedness; and

Whereas, there is every reason to believe that such federal financial aid may be obtained for the public construction and ownership of a bridge across San Francisco Bay; now, therefore, be it

Resolved, That the public interest will be best served if the proposed trans-bay bridge between the City and County of San Francisco and the County of Alameda is financed, constructed, held and operated under public ownership, and the Board of Supervisors of the City and County of San Francisco hereby declare its intention to use every effort to the end that the said bridge shall be publicly financed, constructed, held and operated.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Todd—11.

Noes — Supervisors Byington, Stanton—2.

Absent—Supervisors Bath, Colman, Deasy, Powers, Shannon—5.

BRIDGE HEARINGS.

Motions.

Supervisor Gallagher: I move you that while it is the policy of this Board that we favor a publicly-owned bay bridge, it is however, the sense of this Board that we

favor immediate construction of said bridge by private capital, until the people may elect in the manner provided by law to take over said bridge and place it under public ownership and control.

* * *

Supervisor Marks: I move you that, as an amendment to the motion of Supervisor Gallagher, the City Attorney be requested to submit to this Board, at the earliest possible opportunity, a form of submission of the issue of public ownership and operation of the proposed bridge, or private ownership or operation of the proposed bridge, for action by the people at the earliest possible opportunity.

* * *

Supervisor Marks: I desire to present the following motion and calling attention to the fact that it does not call for anything other than asking the City Attorney to submit a proper form of proposal to us. I make the motion which heretofore has been outlined three or four times.

(Referring to motion set out in full above.)

The Chairman: Any objection? So ordered.

Wiggington E. Creed, In Memoriam

Supervisor Hayden presented:

Resolution No. 27645 (New Series), as follows:

Whereas, death has called Wiggington E. Creed, President of the Pacific Gas and Electric Company and an outstanding member of our community, and

Whereas, Mr. Creed has been identified with the progress of this City for many years, not only as an eminent builder and executive, but also as a member of many educational and civic organizations to which he devoted a great deal of his energy; therefore

Resolved, That it is with profound regret that we regard his passing; that the community's loss cannot be adequately measured, and that we join with others in their expressions of sorrow; and that when this Board adjourns, it does so as a tribute of respect to his memory.

Unanimously adopted by a rising vote.

Extension of Time.

Supervisor Byington presented:

Resolution No. 27646 (New Series), as follows:

Resolved, That the Youdall Construction Company be and is hereby granted an extension of ninety (90) days' time from and after August 11, 1927, in which to complete its contract for the construction of the tunnel under Buena Vista Park, known as the Duboce Tunnel.

Communications.

The following communications were read by the Clerk and ordered *filed*:

From the Mayor's Office.

Mayor's Office, San Francisco.
August 4, 1927.

Mr. J. S. Dunnigan, Clerk, Board of Supervisors, Room 235 City Hall, San Francisco.

Dear Mr. Dunnigan:

I am in receipt of your letter of July 26, advising me of my authorization by the Board of Supervisors to appoint a committee of five Supervisors to attend the convention of the League of California Municipalities, which is to take place at Sacramento, September 19 to 23, 1927.

I appoint on this committee Supervisor Warren Shannon, chairnan, and Supervisors Chas. F. Todd, Andrew J. Gallagher, Lewis F. Byington and Edwin G. Bath, with Supervisor Cornelius J. Deasy as alternate.

Kindly advise those I have named of their appointment.

Very sincerely,
JAMES ROLPH, JR.,
Mayor.

From County Supervisors' Association of the State of California.

Taft, California,
August 3, 1927.

To the Boards of Supervisors of California Counties:

September 9th has been designated Supervisors Day at the California State Fair.

As September 9th is a holiday it will afford an excellent opportunity for all California Supervisors to attend this important exhibition showing the wonderful progress being made by the State of California.

There will be a luncheon at noon without formal program; just a get-together meeting.

We hope to see you at the Fair Friday, September 9th, Supervisors Day.

Yours very truly,
J. E. HUNTER,
President.
STANLEY ABEL,
Secretary.

From Oceanside Community Council.

August 3, 1927.

The Board of Supervisors, City Hall, San Francisco, Calif.

Gentlemen:

This organization wishes to commend your Honorable Board for the action it has taken in deciding that the case of the users of telephone service in San Francisco should be presented to the Railroad Commission by the best legal talent, in the matter of the application of the Pacific Telephone and Telegraph Company for an increase in rates.

We fully realize that no one is in a position to decide quickly what rate would guarantee the telephone company a fair return on its investment. We believe that the rate can only be decided after months of careful study of conditions and laborous accumulation of data. We believe that the best of attorneys experienced in this type of litigation should be retained, and that competent engineers and experts should be employed to assist in the preparation of the case.

We commend your Board for the appropriation which it has already made for this purpose, and urge that further appropriations be made if necessary.

Very truly yours,
OCEANSIDE COMMUNITY COUNCIL,
By Ira J. Darling, Secretary.

Providing for the Issuance and Redemption of War Memorial Bonds to the Amount of $4,000,000.

Bill No. 8143, Ordinance No. 7648 (New Series), as follows:

Providing for the issuance and redemption of bonds of the City and County of San Francisco to the amount of four million ($4,000,000) dollars for the acquisition, construction and completion of a permanent improvement, to-wit: The construction, completion and equipment of permanent buildings in or adjacent to the Civic Center in the City and County of San Francisco, to be used as memorial halls for war veterans, and for educational, recreational, entertainment and other municipal purposes, and the purchase of all equipment and furnishings necessary for said buildings, in accordance with and as authorized at a special election held in said City and County on the 14th day of June, 1927.

Whereas, a special election was held in the City and County of San Francisco on the 14th day of June, 1927, in accordance with the provisions and requirements of Ordinance No. 7516 (New Series), calling and providing for such election, and Resolution No. 27283 (New Series), giving notice thereof, reference to said ordinance and

resolution for further particulars being here made; and

Whereas, it has been determined by Resolution No. 27642 (New Series), reference thereto for further particulars being here made, that at such special election more than two-thirds of the votes cast thereat were cast and counted as being in favor of and to authorize the incurring of a bonded indebtedness for the purpose and to the amount stated in the proposition submitted thereat; now, therefore,

Be it ordained by the people of the City and County of San Francisco as follows:

Section 1. That bonds of the City and County of San Francisco be issued in accordance with the result of the special election held in said City and County on the 14th day of June, 1927, and the provisions of said Charter of said City and County and with Ordinance No. 7516 (New Series), and Resolution No. 27283 (New Series), as follows, to-wit:

That bonds of the City and County of San Francisco be issued to the amount of four million ($4,000,000) dollars for the purpose of the acquisition, construction and completion of a permanent improvement, to-wit: The construction, completion and equipment of permanent buildings in or adjacent to the Civic Center in the City and County of San Francisco, to be used as memorial halls for war veterans, and for educational, recreational, entertainment and other municipal purposes, and the purchase of all equipment and furnishings necessary for said buildings.

That such bonds shall be called "Memorial Halls Bonds," shall be 400 in number, and shall be numbered from 1 to 4000, both inclusive, and shall be payable two hundred thousand ($200,000) dollars thereof five years from the date of said bonds, beginning with the lowest number, and two hundred thousand ($200,000) dollars thereof of the next higher numbers on the same day in each succeeding year until all of said bonds shall be paid.

Section 2. All of the bonds issued as herein provided shall be of the form and character known as "serials." All of said bonds shall be dated September 1, 1927, shall bear interest at the rate of four and one-half per centum per annum, payable semi-annually on the first day of January and July of each year untill the maturity thereof; shall be of the denomination of $1,000 each, and the principal and interest thereof shall be payable in gold coin of the United States at the office of the Treasurer of said City and County, or, at the option of the holder, at the fiscal agency of said City and County in the City and State of New York.

Section 3. Said bonds shall be signed by the Mayor and by the Treasurer of the City and County of San Francisco, countersigned by the Auditor, and attested by the Clerk of the Board of Supervisors with the seal of said City and County.

Said bonds shall be in substantially the following form:

The United States of America.
State of California.
City and County of San Francisco.
Memorial Halls Bond.

No. —— $1,000.00

For value received, the City and County of San Francisco, a municipal corporation organized and existing under the laws of the State of California, hereby acknowledges itself indebted and promises to pay to the bearer, on the first day of ————, 19——, one thousand dollars, with interest thereon at the rate of 4½ per centum per annum, payable semi-annually January 1 and July 1, on presentation and surrender of the coupons hereto attached as they respectively become due, both principal and interest being payable in gold coin of the United States at the office of the Treasurer of said City and County, or, at the option of the holder, at the fiscal agency of said City and County of San Francisco in the City and State of New York.

This bond is issued under and pursuant to the Constitution and statutes of the State of California and the Charter of said City and County of San Francisco and amendments thereto, and under and pursuant to ordinances and proceedings of said City and County duly adopted and taken, and a vote and assent of more than two-thirds of all the qualified electors of said City and County voting at a special election duly and legally called and held for that purpose.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this bond have existed, happened and been performed in due time, form and manner as required by law, and that the

amount of this bond, together with all other indebtedness of said City and County, does not exceed any limit prescribed by the Constitution or statutes of said State or Charter of said City and County, and that provision has been made as required by the Constitution and statutes of said State and the Charter of said City and County for the collection of an annual tax sufficient to pay the interest on this bond as it falls due, and also provision to constitute a sinking fund for the payment of the principal of this bond on or before maturity. The full faith and credit of said City and County are hereby pledged for the punctual payment of the principal and interest of this bond.

This bond may be converted into a registered bond upon presentation to the Treasurer of the City and County of San Francisco, in which event such Treasurer shall cut off and cancel the coupons of this bond, and shall sign a statement stamped, printed or written upon the back or face of the bond to the effect that this bond is registered in the name of the owner and that thereafter the interest and principal of this bond are payable to the registered owner. Thereafter and from time to time this bond may be transferred by such registered owner in person or by attorney duly authorized on presentation of this bond to the Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon.

This bond is exempt from all taxation within the State of California.

In witness whereof, said City and County of San Francisco has caused this bond to be executed under its corporate seal, signed by its Mayor and Treasurer, and countersigned by its Auditor, and has caused the interest coupons hereto attached to be signed with the engraved or lithographed signature of its Treasurer, and this bond to be dated the first day of September, 1927.

.....
Mayor.

.....
Treasurer.

Countersigned:

.....
Auditor.

.....
Clerk of the Board of Supervisors. (Seal)

Section 4. Interest coupons shall be attached to each bond to the number of twice the number of years such bond will run until the maturity thereof, and the coupons shall be of such a sum as will amount to the interest due on such bond for six months and there shall be a coupon attached representing the amount of interest due from September 1, 1927, to January 1, 1928. Such coupons shall be numbered from one upwards and shall state the name and number of the bond to which it is attached. Such coupons shall bear the facsimile signature of the Treasurer of the City and County of San Francisco and be substantially in the following form:

Form of Coupon.

No. ——. $——.

On ——— 1, 19—, the City and County of San Francisco, California, will pay to bearer at the office of the Treasurer of said City and County, or at the option of the holder at the fiscal agency of the City and County of San Francisco, in the City and State of New York, ——— dollars ($——) in gold coin of the United States, being six months' interest then due on its "Memorial Halls" Bond, dated September 1, 1927, number ——.

.....
Treasurer.

The form of coupon for interest from September 1, 1927, to January 1, 1928, shall be of similar form as the above set forth form of coupon, with the exception that the coupon shall recite that it is four months' interest due on said bond.

Section 5. Any bond may be converted into a registered bond upon presentation to the Treasurer of the City and County of San Francisco, in which event such Treasurer shall cut off and cancel the coupons of this bond, and shall sign a statement stamped, printed or written upon the back or face of the bond to the effect that the bond is registered in the name of the owner and that thereafter the interest and principal of the bond are payable to the registered owner. Thereafter and from time to time the bond may be transferred by such registered owner in person or attorney duly authorized on presentation of the bond to the Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon. Such registration shall be substantially in the following form:

Form of Registration.

San Francisco, ————, 19—

This bond is registered pursuant to Charter of the City and County of San Francisco, State of California, in the name of ———— and the interest and principal thereof are hereafter payable to such owner.

. . . . . .

Treasurer.

Section 6. For the purpose of providing for the payment of the principal and interest of said bonds, taxes shall be levied and collected as provided in Ordinance No. 7516 (New Series) and Resolution No. 27283 (New Series), and in furtherance of the purpose herein expressed the following fund is hereby created, to-wit: "Memorial Halls Bond Interest and Redemption Fund."

Section 7. The Board of Supervisors shall sell said bonds at such times and in such amounts as it may determine. The proceeds arising from the sale of Memorial Halls Bonds shall be placed in the treasury to the credit of the "Memorial Halls Construction Fund," which fund is hereby created, and shall be used exclusively for the purpose for which such bonds were issued.

Section 8. This ordinance shall take effect immediately. And the Clerk of the Board of Supervisors is hereby directed to advertise this bill and ordinance in the official newspaper as required by law.

Providing for the Issuance and Redemption of Bernal Cut Bonds to the Amount of $1,400,000.

Bill No. 8144, Ordinance No. 7657 (New Series), as follows:

Providing for the issuance and redemption of bonds of the City

and County of San Francisco, to the amount of one million four hundred thousand ($1,400,000) dollars, for the acquisition, construction and completion of a permanent improvement, to-wit: A cut or excavation with approach fills, providing an improved route for public highway purposes in the City and County of San Francisco, known as the Bernal Cut, which improvement begins at or near the intersection of Randall and Dolores streets and extending southerly to a point at or near the intersection of San Jose avenue and Diamond street in the City and County of San Francisco, including approaches, structures, pavements, curbs, sidewalks, sewers, drainage facilities, the readjustment of intersecting and adjacent streets and other improvements, and the purchase of necessary lands, in accordance with and as authorized at a special election held in said City and County on the 14th day of June, 1927.

Whereas, a special election was held in the City and County of San Francisco on the 14th day of June, 1927, in accordance with the provisions and requirements of Ordinance No. 7512 (New Series), calling and providing for such election, and Resolution No. 27282 (New Series), giving notice thereof, reference to said ordinance and resolution for further particulars being here made; and

Whereas, it has been determined by Resolution No. 27643 (New Series), reference thereto for further particulars being here made, that at such special election more than two-thirds of the votes cast thereat were cast and counted as being in favor of and to authorize the incurring of a bonded indebtedness for the purpose and to the amount stated in the proposition submitted thereat; now, therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That bonds of the City and County of San Francisco be issued in accordance with the result of the special election held in said City and County on the 14th day of June, 1927, and the provisions of said Charter of said City and County and with Ordinance No. 7512 (New Series), and Resolution No. 27282 (New Series), as follows, to-wit:

That bonds of the City and County of San Francisco be issued to the amount of one million four hundred thousand ($1,400,000) dollars for the purpose of the acquisition, construction and completion of a permanent improvement, to-wit: A cut or excavation with approach fills and other improvements providing an improved route for public highway purposes in the City and County of San Francisco known as the Bernal Cut, which improvement begins at or near the intersection of Randall and Dolores streets and extending southerly to a point at or near the intersection of San Jose avenue and Diamond street in the City and County of San rancisco.

That such bonds shall be called "Bernal Cut Bonds," shall be 1400 in number, and shall be numbered from 1 to 1400, both inclusive, and shall be payable seventy thousand dollars thereof five years from the date of said bonds, beginning with the lowest number, and seventy thousand dollars thereof of the next higher numbers on the same day in each succeeding year until all of said bonds shall be paid.

Section 2. All of the bonds issued as herein provided shall be of the form and character known as "serials." All of said bonds shall be dated September 1, 1927, shall bear interest at the rate of four and one-half per centum per annum, payable semi-annually on the first day of January and July of each year until the maturity thereof; shall be of the denomination of $1,000 each, and the principal and interest thereof shall be payable in gold coin of the United States at the office of the Treasurer of said City and County, or, at the option of the holder, at the fiscal agency of said City and County in the City and State of New York.

Section 3. Said bonds shall be signed by the Mayor and by the Treasurer of the City and County of San Francisco, countersigned by the Auditor, and attested by the Clerk of the Board of Supervisors with the seal of said City and County.

Said bonds shall be in substantially the following form:

The United States of America.
State of California.
City and County of San Francisco.
Bernal Cut Bond.

No. ——— $1,000.00

For value received, the City and County of San Francisco, a municipal corporation organized and existing under the laws of the State of California, hereby acknowledges itself indebted and promises to pay to the bearer, on the first day of ———, 19—, one thousand dollars, with interest thereon at the rate of 4½ per centum per annum, payable semi-annually January 1 and July 1, on presentation and surrender of the coupons hereto attached as they respectively become

due, both principal and interest being payable in gold coin of the United States at the office of the Treasurer of said City and County, or, at the option of the holder, at the fiscal agency of said City and County of San Francisco in the City and State of New York.

This bond is issued under and pursuant to the Constitution and statutes of the State of California and the Charter of said City and County of San Francisco and amendments thereto, and under and pursuant to ordinances and proceedings of said City and County duly adopted and taken, and a vote and assent of more than two-thirds of all the qualified electors of said City and County voting at a special election duly and legally called and held for that purpose.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this bond have existed, happened and been performed in due time, form and manner as required by law, and that the amount of this bond, together with all other indebtedness of said City and County, does not exceed any limit prescribed by the Constitution or statutes of said State or Charter of said City and County, and that provision has been made as required by the Constitution and statutes of said State and the Charter of said City and County for the collection of an annual tax sufficient to pay the interest on this bond as it falls due, and also provision to constitute a sinking fund for the payment of the principal of this bond on or before maturity. The full faith and credit of said City and County are hereby pledged for the punctual payment of the principal and interest of this bond.

This bond may be converted into a registered bond upon presentation to the Treasurer of the City and County of San Francisco, in which event such Treasurer shall cut off and cancel the coupons of this bond, and shall sign a statement stamped, printed or written upon the back or face of the bond to the effect that this bond is registered in the name of the owner and that thereafter the interest and principal of this bond are payable to the registered owner. Thereafter and from time to time this bond may be transferred by such registered owner in person or by attorney duly authorized on presentatoin of this bond to the Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon.

This bond is exempt from all taxation within the State of California.

In witness whereof, said City and County of San Francisco has caused this bond to be executed under its corporate seal, signed by its Mayor and Treasurer, and countersigned by its Auditor, and has caused the interest coupons hereto attached to be signed with the engraved or lithographed signature of its Treasurer, and this bond to be dated the first day of September, 1927.

....., Mayor.

....., Treasurer.

Countersigned:

....., Auditor.

....., Clerk of the Board of Supervisors.

(Seal)

Section 4. Interest coupons shall be attached to each bond to the number of twice the number of years such bond will run until the maturity thereof, and the coupons shall be of such a sum as will amount to the interest due on such bond for six months, and there shall be a coupon attached representing the amount of interest due from September 1st, 1927, to January 1st, 1928. Such coupons shall be numbered from one upwards and shall state the name and number of the bond to which it is attached. Such coupons shall bear the fac-simile signature of the Treasurer of the City and County of San Francisco and be substantially in the following form:

Form of Coupon.

No..... $.....

On.. .....1, 19...., the City and County of San Francisco, California, will pay to bearer at the office of the Treasurer of said City and County, or at the option of the holder of the fiscal agency of the City and County of San Francisco, in the State of New York, ... dollars ($.....) in gold coin of the United States, being six months' interest then due on its "Bernal Cut" bond dated September 1, 1927, number .....

....., Treasurer.

The form of coupon for interest from September 1st, 1927, to January 1st, 1928, shall be of similar form as the above set forth form of coupon, with the exception that the coupon shall recite that it is four months' interest due on said bond.

Section 5. Any bond may be con-

verted into a registered bond upon presentation to the Treasurer of the City and County of San Francisco, in which event such Treasurer shall cut off and cancel the coupons of this bond, and shall sign a statement stamped, printed or written upon the back or face of the bond to the effect that the bond is registered in the name of the owner and that thereafter the interest and principal of the bond are payable to the registered owner. Thereafter and from time to time the bond may be transferred by such registered owner in person or attorney duly authorized on presentation of the bond to the Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon. Such registration shall be substantially in the following form:

Form of Registration.

San Francisco, ..., 19..

This bond is registered pursuant to Charter of the City and County of San Francisco, State of California, in the name of ....., and the interest and principal thereof are hereafter payable to such owner.

....., Treasurer.

Section 6. For the purpose of providing for the payment of the principal and interest of said bonds, taxes shall be levied and collected as provided in Ordinance No. 7512 (New Series) and Resolution No. 27282 (New Series), and in furtherance of the purpose herein expressed the following fund is hereby created, to-wit: "Bernal Cut Bond Interest and Redemption Fund."

Section 7. The Board of Supervisors shall sell said bonds at such times and in such amounts as it may determine. The proceeds arising from the sale of Bernal Cut bonds shall be placed in the treasury to the credit of the "Bernal Cut Construction Fund," which fund is hereby created, and shall be used exclusively for the purpose for which such bonds were issued.

Section 8. This ordinance shall take effect immediately. And the Clerk of the Board of Supervisors is hereby directed to advertise this bill and ordinance in the official newspaper, as required by law.

Section 3. This ordinance shall take effect mimediately.

Appointment of Islais Creek Reclamation District Commissioners.

Supervisor Marks presented:

Resolution No. 27656 (New Series), as follows:

Whereas, the Board of Trustees of the Islais Creek Reclamation District, a reclamation district created by an act of the Legislature of the State of California, known as the Islais Creek Reclamation District Act, approved April 6, 1925, have reported to the Board of Supervisors of the City and County of San Francisco, State of California, in which City and County of San Francisco said district is wholly situated, their plans for the reclamation of the lands of said district, together with their estimates of the cost of the contemplated work of said district, as required by law, necessary for the reclamation of the lands of the district, in pursuance of such plans; and

Whereas, said estimated cost is the sum of one million six hundred twenty thousand one hundred fifty-two ($1,620,152), as follows:

Fill	$ 866,285
Rock bulkhead wall	493,867
Sewer	160,000
Incidentals	50,000
Engineering, inspection and collection	50,000
	$1,620,152

And it further appearing that no maintenance or repairs will be necessary in connection with the reclamation of said lands, and for that reason said estimate does not include any allowance for maintenance or repairs, and it is proper that an assessment in said amount of $1,620,152 be levied upon the lands within said district; and

Whereas, said plans and said estimates of said costs have been filed by the Board of Trustees of said Islais Creek Reclamation District with the County Clerk of said City and County of San Francisco in duplicate; and

Whereas, copies of said plans and said estimate of said costs, duly certified as true and correct copies thereof by said County Clerk, have been filed with the Clerk of the Board of Supervisors of said City and County of San Francisco, together with a petition and request from said Board of Trustees of said Islais Creek Reclamation District that the Board of Supervisors of said City and County of San Francisco appoint three commissioners to view and assess upon the land within said district the said sum of $1,620,152 and to apportion the same according to the benefits that will accrue to each tract of land in said district, respectively, by reason of the expenditure of said sum of money so estimated as the cost of the contemplated works of said district, as aforesaid; and

Whereas, it becomes the duty of the Board of Supervisors of said City and County of San Francisco, under the law and under the circumstances aforesaid, to appoint three commissioners for the purposes aforesaid; now, therefore, be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, as follows:

H. W. Crozier, having his office at No. 58 Sutter street, and Walter H. Sullivan, having his office in the Alexander Building, and Louis A. Weidenmuller, having his office at No. 308 Montgomery street, all of said City and County of San Francisco, and being three fit and disinterested persons who have no interest in any real estate within said Islais Creek Reclamation District, be and the same are hereby appointed as commissioners to view and assess upon the land within said Islais Creek Reclamation District the sum of $1,620,152, the sum estimated as aforesaid as the cost of the contemplated works of said district, necessary for the reclamation of the lands of said district in pursuance of the plans of the Board of Trustees of said Islais Creek Reclamation District reported to the Board of Supervisors of said City and County of San Francisco, as aforesaid. The said commissioners shall apportion said sum of $1,620,152 according to the benefits that will accrue to each tract of land in said Islais Creek Reclamation District, respectively, by reason of the expenditure of said sum of money so estimated as the cost of the contemplated works of said district, as aforesaid, and shall estimate the same in gold coin of the United States.

Each of the said commissioners so appointed, as aforesaid, before entering upon his duties as such commissioner shall, pursuant to law, make and subscribe an oath that he is not in any manner in-

terested in any real estate within said Islais Creek Reclamation District, directly or indirectly, and that he will perform the duties of a commissioner to the best of his ability.

When said commissioners have made a list of the charges assessed against each tract of land in said Islais Creek Reclamation District, pursuant to law, and when said lists have been completed, the said commissioners shall file the same with the Clerk of the Board of Supervisors of said City and County of San Francisco for such action thereon by the Board of Supervisors of said City and County of San Francisco as is appointed and provided by law.
